This is, Lord-willing, the start of a project and process to restore Moody to its roots and the foundation and covenant that DL Moody made with God to train men and women to study and teach the Word of God literally and serve Him in the workplace and the communities, and to share the gospel of Jesus Christ and God's Word (The Bible) wherever they go.

Greetings fellow brothers and sisters in Christ and friends,

This is an interesting new endeavor (and I believe an important one) for us here at the INCPU and FEDBP ministry teams. We are seeking to restore a college that is being destroyed from the inside – from the top, by those who are listening to #Rockefeller commands, including Rockefeller-controlled/funded #ATS secret commands, instead of to God's Word. This needs to be corrected, and the more we can work together on this, we have the opportunity and hope of saving one of the most faithful of the Bible teaching schools in the US – right in the heart of the mafia-controlled city known as both "the Windy City" and "the machine" by those who have lived and do live there. One of the reasons I'm writing in addition to my team's own concern is because I also know (from experience) that some of our research reports and posts reach Moody staff, Moody alumni, Moody donors, and Moody friends. I seek to work with all of you as we work together to restore, for those who are willing and whom God leads.

A little history about Moody Bible Institute might be needed here to help some catch up, so we're all on the same page and can pray together for this restoring. DL Moody (Dwight Lyman Moody) started Moody Bible Institute in the home of a faithful friend – teaching Bible studies. That was back in 1870. DL Moody was both a Bible teacher and a well-known evangelist, and though he was not perfect (as none of God's honest leaders are), he stood and taught the Word of God as boldly as he could – turning many from sin to Jesus. God used him – mightily. So the Bible school started with a small dream of a Bible-teaching university to train laymen – common people, to study and teach the Word of God wherever they went and in whatever occupation they found. The Moody Bible Institute (as we know it today) started in 1883. The history is fascinating and I read the history back when I was in grade school. MBI's online history seems to do a decent job, but there is much more if you can find an old DL Moody biography.

Mr. Moody was known for being as careful as he could be, standing on God's Word – even when it made him unpopular... or shall we say: even hated, but some – that is the corrupt people in politics and corrupt Vatican religious circles, as well as with the satanic-cult underling of the Vatican's Jesuits, called the "Freemasons" or simply "masons". The masons are their own brand of evil – hiding among us and parading themselves, as the shriners do. Many should know that those who climb the satanic ladder of masonry and then become shriners are even more evil leaders, including with blood-oaths. The masons currently run many things in the US, including many of the politics in the largest cities, all of the unions you can name as well as the "Chamber of Commerce", and many other little groups. I've had to find out who they were starting years ago, gleaning from many along the way, including their own historians, of why they are such a problem and disease in society. Masons are indeed a religion who claims to not be a religion, but is working to unite all religions under a "god" who doesn't exist. And at the top of masonry, they believe and worship Lucifer as "god". The Shriners at the top confess: "Allah is "god" and Mohammad is his "prophet"..." Where have I heard that before?... Hmm... Oh yes, the Vatican tool and secret army – the religion of islam. And despite the confusion and intentional lies from those in masonry who are bound by blood-oath to lie to the lower masonic levels and especially to anyone outside masonry, you can find out what they are about and their quotes that show who they serve. Here are several resources.

So let's skip forward to Moody Bible Institute – today. Many things have changed in the last 135 or so years. Some have been good, some have not. But to simplify history, starting at the end of last year, the tide has been trying to destroy Moody from inside.

Mr. Moody once said: ***"Christians should live in the world, but not be filled with it. A ship lives in the water, but if the water gets in the ship, she goes to the bottom. So Christians may live in the world, but if the world gets into them, they sink."*** That's pretty good old-fashioned teaching. But he's borrowing from clear teachings in the Scriptures.

**"Your glorying is not good. Do you not know that a little leaven leavens the whole lump?"** (1<sup>st</sup> Corinthians 5:6)

**"15 Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. 16 For all that is in the world—the lust of the flesh, the lust of the eyes, and the pride of life—is not of the Father but is of the world. 17 And the world is passing away, and the lust of it; but he who does the will of God abides forever."** (1<sup>st</sup> John 2:15-17)

**"Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? 2 You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet you do not have because you do not ask. 3 You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. 4 Spiritual adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God."** (James 4:1-4)

**“14 Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness? 15 And what accord has Christ with Belial? Or what part has a believer with an unbeliever? 16 And what agreement has the temple of God with idols? For you[a] are the temple of the living God. As God has said: “I will dwell in them And walk among them. I will be their God, And they shall be My people.” 17 Therefore “Come out from among them And be separate, says the Lord. Do not touch what is unclean, And I will receive you.” 18 “I will be a Father to you, And you shall be My sons and daughters, Says the Lord Almighty.” 7:1 Therefore, having these promises, beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.” (2<sup>nd</sup> Corinthians 6:14-7:1)**

Those are verses that Mr. Moody taught often and well to many audiences, here in the US and outside the US. Those are also verses that contradict the direction and corrupt activities of the current Moody top-leadership. There is fights and wars among them because they are doing sins and activities that they know are wrong, and fighting against those who are merely reminding them of the Word of God. For those who do not yet know the current situation at Moody, let's start with last November.

Last November (2017), The corrupt leadership at Moody Bible Institute decided to fire 30 to 34 faculty (that we know of) at their Chicago campus – the main campus. (I plan to publish a progression of the corruption over the last 2 years very shortly). Based on articles, eyewitness reports and open-letters from the MBI staff, the corrupt top-leadership at Moody is not firing the dishonorable professors that they should be. No, the top-leadership is firing anyone who asks questions and those who are trying to get the buried-corruption corrected. The corrupt top leadership of Moody right now is trying to cover up their corruption, including: the secrets going on in the condo on top of Jenkins Hall and used exclusively by Jerry B. Jenkins and family – (there are some serious concerns here). The leadership is also covering up the illegal and dishonest “loan” to former almost-disgraced Moody President, Paul Nyquist, so that he could purchase (start payments on) a high-end condo next to the Moody property, a “loan” that the IRS records show no attempt to repay... And to make matters worse, this “loan” to the former President Nyquist incidentally caused the Moody staff to have to scale back and close the Spokane Washington campus as well as the extension campus in Pasadena, CA. This leadership also covered up and has hidden or tried to bury the information about Mr. Jenkins gambling at a time when it was against Moody rules for their faculty.

There are more things they are covering up than that. You can find some of the information in these sources:

Here is a letter that has not gotten an honest answer yet – written from rightfully-concerned staff and faculty members who were concerned about being wrongfully fired for asking important questions, so they kept their identity anonymous

- > <http://www.incpu.org/MBI-staff-Letter2.pdf>

And here is another letter that has not gotten an honest answer yet – written from rightfully-concerned students and alumni, who were concerned about libel or backlash for asking important questions, so they too kept their identity anonymous

- > <http://www.incpu.org/MBI-alumni-letter1.pdf>

Since November last year (2017), the blog called “A Broken Twig” was also asking good questions... but was taken down. No clarification from the Moody staff has explained it. I can take an educated guess from being a citizen investigative journalist for over 17 years – they were threatened with harm of some sort, or a (bluff) of a “libel case” so they shut it down. I’d like to personally see more of their notes and others to get it out to all of you. Please join me in prayer on that and/or msg me or email me with tips on this – they are anonymous unless otherwise stated – Steven.H3(at)gmail.com

And yet on top of all of these scandals currently unresolved, many (if not all) of these 30 to 34 faculty (staff and professors) were fired wrongfully – and many of them without even an explanation, because there was not honest explanation – the word is: “coverup”. Prosecutions and/or lawsuits need to be in order to stop these top pride and money driven leaders from completely destroying Moody, while blaming it on other people and unrelated things, and ignoring their own actions. The atmosphere of fear needs to stop – right now. Those who can handle the heat, we need you to stand up. Please stay in contact with those us who can stand with you. Reach out – you will find many people more ready to help than you might realize. But, for those who cannot handle the heat, please consider reaching out to honorable outlets outside the corruption circle who can quote you/them anonymously and keep the pressure on the leadership until all of the current problems and wrongful firings are corrected and resolved. The majority of rapid-corruption that we are watching right now seems to have happened under Mr. Nyquist (former president) and Mr. Lutzer (former “pastor” – more like Jesuit-law trained leader and crafty storyteller and historian).

For those who may be surprised that I’m studying this out so much, please allow to explain. For almost 20 years, my family and I have silently watched and prayed for Moody and it’s team and networks. I grew up in central Florida – but as a young kiddo, I wanted to go to Moody – despite the cold weather of the Windy City. But... life didn’t work that way. Instead I have settled down and am doing ministry and work here in central Florida. But, my heart has been with honest Bible schools like Moody. And I have kept track of many things about them and have donated to them, and intend to keep doing that. But, what was withheld from me and other donors then and now is this: the truth and their scandals that they all keep “in-house” because it’s “internal matters”. Lies. As my family and team see it, the time has

come to clean out the corruption and for Moody to be restored to the honorable anti-Jesuit and anti-masonic Bible-based foundation it once was built on.

**“For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God?”** (1<sup>st</sup> Peter 4:17)

As with many other projects my team and I have taken on – this too is going to take a team. To the Moody alumni and friends, please know... though I’d love to meet those who I work together on this project here on Earth... if I don’t, that’s ok. Either way, I have one simple request in two-parts from each of you reading this. Please, stand up to and pray (even oppose) against the corrupt you can find. If you are willing, I’d be happy to talk with you off the record by msg or email – no name or other details needed. I often quote anonymous sources – that has been my pattern in my citizen investigative journalism and reporting for years (over 18 years), and I intend to – with God’s help, I plan to continue that pattern. And as I said before, some of those who read my posts are Moody alumni or team and friends as I’ve met and talked with some along the way because of my care for honest Bible-teaching universities like Moody once was and I believe can be restored to.

One key issue we are all going to need to address concerning Moody’s leadership and professors is Biblical inerrancy, and yes it *\*is\** a key issue, as Mrs. Roys’ article so well outlines, with the help of Mr. Weber too.

> <http://julieroys.com/mbi-professors-affirm-inerrancy-defines-definition/>

\*\*\*

So, now that you know where I’m aiming and what team you’re working with, let’s look briefly at what I can find on facts that need clarification, or to be taken from my hands and used by others closer to Moody to help the accountability go deeper.

This is the list I was able to find after combing through 3 lists of faculty – one from pre-2014, one from 2015, and one from 2018. It lists those that were employed by Moody in 2015, but are not now. What it does not list is information I don’t have – those who were not immediately fired, but were notified that they will be considered “fired” at the end of this year’s term.

**Newly Fired and/or no longer employed at Moody since 2015:**

Rimon Armaly  
 David Bany  
 Haley Batt  
 Ronald Belisle  
 Jayanthi Benjamin  
 Lindsey Branson  
 Wally Cirafesi  
 Jonathan De Jongh  
 Ronald Denison  
 Janay Garrick  
 Timothy Gregory  
 John Hart  
 Brian Jaworski  
 Raju D. Kunjummen  
 Elizabeth Lightbody  
 William Marty

Craig Masselink  
 Sajan Mathews  
 Walter McCord  
 Julie Roys  
 Gary Rownd  
 William Torgesen III  
 Cynthia Uitermarkt  
 Julius Wong Loi Sing  
 Christopher Yuan

**?Slated to be fired at end of semester?** (Both of these people below – Mrs. Naegele and Mr. Weber - are currently listed on [www.moody.edu](http://www.moody.edu) as employed faculty, but they were given termination notice by the Moody leadership... so, my question is: When are these two going to be officially fired? And who else is slated to be fired and is not fired yet? Maybe we can help them keep their jobs and overturn the corrupt leadership instead. I need someone's help (hopefully several anonymous helpers) to figure out who else is on this list, even if do not publish it. As I see it, we need to help them keep their jobs. The Moody alumni, staff, donors and friends deserve to know what's going on, even if the current leadership is doing what deceptive corrupt leadership does – denying wrongdoing even when caught, and blaming anyone who exposes them. I have nothing to lose by calling out the corrupt leadership – but much to gain. I hope to work with whoever I can to keep Moody intact. Accountability is not easy, but is very worth it in the end. Will you join me in holding the Moody corrupt top-staff accountable? Thank you. My team and I are also praying that enough info comes out so that those wrongfully fired can file proper lawsuits or legal actions against these leaders who are rejecting God's Word as their authority.

? Beth Naegele ?

? Rich Weber ?

**Newly Hired:** These people were hired by Moody since 2015. And they need to know the corruption at the Chicago headquarters, if they don't already know. As I said before, at some point, it's going to take a team to stand down the corrupt top-leadership of Moody.

Elaine Ackerman  
 Brad Baurain  
 Colette Blakely  
 Mary Cloutier  
 Deborah Gorton  
 Greg Hellen  
 Craig Hendrickson  
 Dominick Hernandez  
 Emily Malone  
 Nathan McMillan  
 Matthew Moore  
 Holly Porter  
 Kerwin Rodriguez  
 Steven Sanchez  
 John Trent  
 Alin Vrancilla  
 Gary Woodroof

In conclusion, Thank you. Thank you for your help. Thank you for caring. And thank you for praying for the honorable to find God's protection and restitution, and for the corrupt to be caught and to repent or for the rightful consequences to be applied, the sooner the better.

I have one final request: Please send this to everyone connected with Moody – staff, student, alumni, faculty and donor. We need to get the word out.

Thank you again.
