

Trump's Coalition Full Profiles

<http://www.incpu.org/Trump-coalition-full-list.pdf>

There are at least three new points of John MacArthur's ministry in the last two years that are starting to admit that he lends strong support to Jesuit networks within his "coalition".

Point one is MacArthur's siding with the "coalition" behind Donald Trump whose relationships, education, and history are very Jesuit. Even though MacArthur couldn't support Donald Trump as a person because it would be too obvious that he is supporting the new world order agenda, instead he put his weight behind the "coalition" of people that were pushing Trump into the Presidency. We looked up that coalition and researched the names we weren't familiar with, and found that it is a who's who of false teachers and false prophets.

Point two is MacArthur's new summer program focused on the Jesuit Renaissance ideology and education systems of secret knowledge in Florence and Rome. It is directed by a professor who also led an American-Bavarian Exchange course several years ago in imperial Catholic Bavaria, Germany – the heart of the Jesuit Illuminati and the heart of world conflict over religion and world-government including the igniting of both world wars. You can see our notes about the professor and about the program in the following link.

<http://www.incpu.org/summer-program-italy.htm>

Point three is MacArthur's new blog post series supporting his life-long friend John Perkins in his gospel-based approach to racial reconciliation discussions in America. This support comes at a time when John Perkins – co-founder of the Mission America Coalition of the Lausanne Committee for World Evangelization for one-world religion under the pope – is about to speak at Mission America Coalition's Together 2018 Conference. The reconciliation is good, the forced one-world religion is not. The other co-chairs with Perkins were Bill Bright of Campus Crusade for Christ and Billy Graham of Billy Graham Evangelistic Association. You can see MacArthur's relationship with civil rights leaders Charles Evers and John M. Perkins at the following link.

<http://www.incpu.org/Perkins-King-Lausanne.htm>

In this article we would like to look at Point one – the “coalition” that pushed Trump into pretending to be a “Christian” candidate for President. First of all, here is a shortened explanation of MacArthur’s multi-step progression toward admitting that he endorses Trump via his “coalition”. And then we walk thorough biographies for these people, so we can all see what that “coalition” acts like. MacArthur knew he would be doing this all along during the two or more years of political drama that always accompanies elections. But he had to make it a slow process, otherwise we would all be startled by his absurd belief that this was God’s acceptable will to corner “Christians” into voting for Trump. And why shouldn’t we be startled? Trump is absurd to pretend to be a Christian. And the people who claim to have led him to Christ are absurd in their beliefs and lifestyle and immoral giving of approval to evil-doers. And the “evangelical pastors” and “ministry” leaders who are playing along largely know that hidden-hand of free-mason/Jesuit “higher power” that they always follow regardless of what abyss it is leading them into. And they all just hope we will follow along out of fear of the repercussions of not submitting. So here is MacArthur’s act of pretending to be cornered with us into voting for Trump, knowing and hoping that many Christians would also fall into this trap.

In case you don’t yet know that Donald Trump is a Catholic Jesuit, here is a pile of evidence that is only the start of Trump’s Jesuit involvement and the education background of his four children and himself – <http://www.incpu.org/Updated-Trump-Jesuit-agent.htm>

This is a very shortened version of MacArthur’s slow progress over nine months till he finally admitted that he was saying a vote for Trump was really the only option. To see our more complete rebuke of that steady, slow sneak attack here is the link for that.

March 2016

During a Q&A Panel discussion at MacArthur’s Shepherd’s Conference, John MacArthur and Al Mohler discuss blaming Mark Driscoll, backslidden “conservatives”, unindoctrinated “evangelicals”, un”church”ed Christians, boastful overconfidence of “evangelical mega-complex”, narrowed religious categories in media reporting, and basically a dying “Christian church, etc. while making sure to put on their best doom-and-gloom-for-Christianity and God-is-humbling-us acts.

July 3, 2016

Then here is John MacArthur speaking Sunday morning at the Western Conservative Summit hosted by Colorado Christian University and the Centennial Institute July 1-3, 2016. The speakers at this three day event include Donald Trump, Sarah Palin, John MacArthur, Phil Robertson, and Eric Metaxas.

Here is a link to that sermon, followed by a link to our transcript of that sermon followed by a review of that sermon to show how political that speech really was.

November 6, 2016 (two days before the election)

Here are various articles (and GCC's Vimeo link to the sermon) commenting on John MacArthur's sermon November 6 th, 2016, two days before the election. You can see for yourself that MacArthur was telling us to vote for Trump's coalition very bluntly by this point. Yet to accomplish this, he so carefully and delicately narrows the possibilities until the only remaining conclusion is that this is God's choice for us, rather than not voting which should have been the real conclusion.

John MacArthur Says He's Not Voting for Trump, He's Voting for a Worldview

By **Joshua Pease**

November 7, 2016

MacArthur joins influential Christian voices such as Eric Metaxas, James Dobson, Wayne Grudem and Ralph Reed, who to varying extents have publicly supported a Trump presidency. However there are those who have found voting for Trump unacceptable as a candidate.

Pastor John MacArthur: 'Which Party will uphold God's design for government?'

Influential pastor-theologian applies Romans 13 to thinking about U.S. political parties

By **W. Scott Lamb** - - Monday, November 7, 2016

After laying out a case that politics can be likened to rearranging the deck chairs on the Titanic, influential pastor-theologian **John MacArthur** then made a case that voting does matter—because some political parties will sink the ship faster.

Watch the entire video below (14 minutes), but here's a quote from about the 4-minute mark:

But we also understand this. That God has designed human government. And Romans 13 tells us what His design is. God has designed human government and given human government ultimate authority for two purposes. To protect those who do good and punish those who do evil. That is the role of government. Anything beyond that is invented by men. ...so you can have order and civilization in a culture.

So you really only have one question to ask. You're not voting for persons. You're voting for coalitions. The person at the head of it, that is running for the office of President, is the public relations agent for the coalition behind it.

What do all of these groups and the people listed here have in common? They are all a part of the Trump coalition. Even MacArthur supports Trump's Coalition... But who is on the "Trump Coalition"?

How did all of these people get on the same team? Kirk Cameron, Joseph Coors, Larry Flint, Jerry Falwell Jr, John Maxwell, Pope Francis, Thomas Schirrmacher, Jay Strack, Michelle Bachmann, Joel Osteen, Paula White, Joel Rosenberg, David Duke - Grand Wizard of the KKK, Fraternal Order of Police (FOP), North Korean State Media, Ronnie Floyd, Billy Graham, Robert Jeffress, General Jerry Boykin, James Dobson, Newt Gingrich, Alex Jones, Brigitte Gabriel, Phil Robertson, Pat Robertson, Kenneth Copeland, and James Robison? And why are they joining partnership with American Enterprise Institute, World Evangelical Alliance, Southern Baptist Convention, Bilderberg Group, Evangelical Council for Financial

Accountability, The Heritage Foundation, the National Association of Evangelicals, the Council on Foreign Relations (CFR), the Council for National Policy (CNP), and finally: the satanic Theosophical Society that built Hitler? What do these all have in common? They have all joined and combined their support behind Jesuit Donald Trump and his Jesuit-run coalition.

Let's look at the "coalition" around the time of July 2016 that John MacArthur considers himself to be part of that is/was promoting Trump. This list only includes people who publicly endorsed or decided to vote for Donald Trump as well as the members of his religious advisory council and other think tanks that helped build him up (with the United Nations being the only exception that is not directly linkable) to be their collective choice for president even if some of the attendees of those think-tanks did not individually make a public endorsement. If we all can grasp the structure of this network, we can (and need to) all work together to remove those who should not be "pastors" and to firmly and loudly separate ourselves from those who should not be pretending to represent us in U.S. government – because their conscience witnesses against them that they do not represent our faith in Jesus.

Please take a look at and double check our facts in these profiles. We have spent literally years of our lives researching these networks. Below, we start with the organizations first, because we reference them multiple times in relationship to the individual persons and we want you to understand how these think-tanks and networks help each other regularly in the processes of controlling people. These profiles should help you to understand how Jesuit Trump and his advisors form a network of religious and political leaders into a secret "coalition". This is information that all honest followers of Christ in America need to know. Please note that every organization, corporation, and religious leader including "pastors" named in this paper are doing evil and helping for more evil than is readily visible. If you see a name you like, please do some research and quit giving them your blessing.

Short version: <http://www.incpu.org/Trump-coalition-short-list.htm>

It would be an overwhelming task to reference all of the books and websites and history and to organize all of the links of sources for this research. Some of this is past research that we do not readily have the sources for, but you can find quickly enough on the internet if you know how to research and double-check sources with multiple verifications. We are providing you with the 50 pages of source-links that we could easily-enough assemble from very recent research to make sure that we were stating all of the below facts as accurately-worded as possible. If you want to find topics and comb through on a particular name, it shouldn't be too difficult to Ctrl + F (Find function) a particular name and have a look at surrounding links on that individual, which wouldn't all have the individual's name in the web-link wording. Here is the link for that list of links:

Below are some tricky but significant organizations with a short description so you know what we are referencing especially in regard to the United Nations and secret religious think-tanks. Remember, if the devil comes to people looking as evil as he is, they would reject him. The devil's agenda must look "good" and "helpful" to trick everyone. So, satan's human agents also use this form of deceit too.

Theosophical Society – built on many various secret societies and mystery religions – it operates as a connective tissue for false beliefs while the free-masons who actually implement the agendas take only some 50/50 percentage of false beliefs into Christian churches to try to corrupt them with whatever is deemed most appealing to that crowd that will still edge them toward one-world religion

United Nations (UN) – the starting structure of a one-world government secretly working with the Roman Catholics/Vatican toward a future anti-christ one-world system that is a secretly Vatican-directed. God explains in the Book of Revelation that this satanic one-world system will have a one-world government, one-world religion, one-world military, one-world judicial system, one-world commerce and one-world charity/humanities programs – that last item is the only one that is admitted to be in use right now with sprinkled hints of the others in place and waiting for the right time.

Non-governmental organizations (NGOs) – these groups are considered to be humanitarian or charitable in nature, but they are actually a spy-network that feeds key-data back from every corner of the world to the United Nations to help the NWO team control people better, while also spreading evil agendas from the United Nations into cultures as "positive progress" in each country

Lausanne Council/Movement (Lausanne Committee) and its **Mission America Council** – These two groups are part of the one-world religious leadership. They were both co-founded by Billy Graham. The Mission America Council was founded by Billy Graham and John M. Perkins (John MacArthur's close friend), and Bill Bright of Campus Crusade for Christ; The **Lausanne Council/Movement** was built after world war two on Billy Graham's and Reinhold Niebuhr's partnership with Dietrich Bonhoeffer and Martin Niemoller toward a "Christian" submission to rejoin all denominations under the one Roman Catholic (Universal) "Church"; it is disguised as a unifying evangelistic effort as though we all believe the same gospel essentials and are just learning to put aside our "non-essential" Bible differences; it is now partnered with Nick Hall's Pulse "ministry" which is intended to bring the homosexual "Christians" also into the mix – Mr. Hall is the president of the Mission America Council.

The Kairos Company – a public relations consulting firm that cleans up the public image in the media and on the internet for its clients to make sure no one can say anything negative about them. They also discredit unpleasant sources even without referencing them at all just by writing their own cleaned-up story about whatever was being questioned; also advises about how to sneak agendas into various sectors of "Christianity" in a way that will be best received/swallowed whole.

Evangelical Council for Financial Accountability (ECFA) – a public relations accounting firm that cleans up the image of its clients by verifying or helping check and adjust its business practices to be done in a way that seems above reproach or else is not overtly seen as stealing or misrepresenting use of funds or major doctrinal errors – that last item is the worst because it seems to make the "evangelicals" give approval to false teachers and liars who are misleading us. Please remember that "evangelical" is not the same as "evangelism". "Evangelical" is a movement to get all churches and religions under the Vatican/"Pope" for the one-world religion. The devil needs the help of all false religions for the one-world government scheme to work.

Council for National Policy (CNP) – a "Christian" think-tank built to be like the Council on Foreign Relations and founded by Tim Lahaye – Moral Majority leader with free-masons Jerry Falwell Sr. and Pat Robertson; Lahaye's co-founders were his friends Nelson Bunker Hunt – big oil heir and councilmember of the highly free-mason John Birch Society, and Paul Weyrich – Roman Catholic/Greek Catholic cofounder of so many think-tanks, like "The Heritage Foundation" and "Moral Majority" with Jerry Falwell Sr.

Council on Foreign Relations (CFR) – The CFR is one of the top New World Order (NWO) command organizations in the US - their commands are handed out to the other groups. The CFR is a secret society founded to "advise" Woodrow Wilson and Theodore Roosevelt, which then became a funding project

think-tank of Ford Foundation and Rockefeller Foundation and whose leadership – particularly Allen Dulles helped establish many evil things, like the Office of Strategic Services (OSS)/ the pre-CIA, and particularly David Rockefeller who founded the Trilateral Commission, and particularly Henry Kissinger who is direct assistant to several of the Rockefeller family and who is a long-time member of Aspen Institute, Bohemian Club, Bilderberg Group, of which David Rockefeller and many Council on Foreign Relations members are also members – CFR members include the highest CEO's, bankers, News broadcasters, former political power-players and anyone wealthy and influential who wants to play the "game" of devil-worship and one-world government

American Enterprise Institute for Public Policy Research - This group/think-tank works closely with the CFR team and has many evil groups in it - some of the most evil, like the who's who of evil in it. The AEI has many members (including its president) who are involved in "policy-making" and "strategy" with world government level think-tanks like Bilderberg Group, Council for National Policy, Ford Foundation, Brookings Institution, Aspen Institute; their current president until next year 2019 is Arthur C. Brooks (friend of MacArthur)– a Roman Catholic partner with Jesuits and former member of Council for National Policy – for some examples: he met Brigham Young Mormons and later with John MacArthur in 2010 on the topic of Biblical values and economics; he met with Barack Obama and Leith Anderson of the National Association of Evangelicals (NAE) in 2015; he met with the Dalai Lama in 2014 on happiness, free enterprise, and humanism both at the temple and at the AEI conference; he was a doctoral fellow at Rand Corporations Graduate School (another extremely evil "think-tank" behind the military industry; war is a murderous trillion dollar industry - steal, kill, and destroy); etc.

The Heritage Foundation – a “Christian” think-tank behind the policies of Ronald Reagan’s administration to be a “Christian” cover for the CIA crimes and Bush family international crimes strategies; this is the think-tank behind the Western Conservative Summit (WCS) at which John MacArthur was speaking; the Heritage Foundation was founded by Paul Weyrich, Edwin Feulner – also a member of the Council for National Policy, and Joseph Coors – whose family also helped found and fund the Council for National Policy and John Birch Society while making their money on intoxicating people through their Coors Brewing Company and Miller Coors and Molson Coors Brewing Companies – also member of free-mason Kappa Alpha Society and Quill and Dagger Society (secret society like Skull and Bones of which John Kerry and George W. Bush are members); other members of the board of trustees and staff for The Heritage Foundation include Alex Azar – Secretary of U.S. Department of Health and Human Services under Donald Trump, Steve Forbes – Chief editor of Forbes Magazine, Jerry Hume, Rebekah Mercer – Director of Mercer Family Foundation, Kay Coles James – current president, Edwin Meese III, Frank Shakespeare – former Ambassador to the Vatican and trustee since 1979, Larry P. Arnn, J William Middendorf II, who has been Ambassador to the European Communities as well as a driving force behind NAFTA and has been on the board of Heritage Foundation since 1989; other members or executive staff include(d) Tim Wildmon, Don Wildmon, Kellyanne Conway, Pat Robertson, Bob Reccord – executive director, Joseph Coors, Charmaine Yoest – Americans United for Life, Mat Staver – Liberty Counsel, Rich DeVos ☒ Amway, Troy Newman – Operation Rescue, Rick Santorum, Jim DeMint, Josh Duggar, Jerry Falwell, Steve Forbes

Focus on the Family – known for supposedly supporting the family unit in America in regard to marriage, disciplining/teaching children to follow God, resisting the constant tides of abusive culture, etc – while they were actually just using their credibility to sneak godless/demonic psychology into every corner of American “Christianity” and misleading us – as they are now – to support Republican scams and threats being used to build a one-world forced and distorted society as though it were a “Christian” effort to establish the anti-christ system that they are building in the world

Billy Graham, Anne Graham Lotz (BGEA) – The family who was promoted by the Rockefeller free-masonry network hidden hand and Hollywood Rosicrucian "Christian" club - to attempt to represent ALL of American "Christianity" in one solidarity movement toward one Roman "Catholic" (Universal) "Church". Billy Graham's "The Cove" retreat and training center is used for leaders to learn to be fake "Christian" leaders. They are also known for their Federal Emergency Management Agency (FEMA) training to use a Koran to talk to muslims, a Talmud to talk to Jewish people, and a Bible to talk to Christians in locations where there is a crisis happening or want the people to conform to the New World Order (NWO) demands.

Southern Baptist Convention (SBC) – one of the newer reorganized "conservative" "Christian" denominations intended to capture the escaping Christians who were leaving hypocritical churches since the 1980's, went through several phases of corruption and supposed rebuilding while secretly being run by one of the largest bases of free-masons in the country who also cover for a lot of sexually immoral "pastors" and slow sabotage of moral values to the point where they are now leading the charge to pretend that "Christianity" has died in America

Televangelist – a supposed "preacher" who got put on TV to represent usually charismatic but sometimes other varieties of popular selfish movements in "Christianity" to make their followers feel like sending money is all they have to do to get the "gospel" to the world and convince everyone that they are a "real Christian" who is "building God's Kingdom" – while usually just funding large think-tanks, scams, wealthy con-artists, and acting as a visible pretense to suggest that "American Christianity" has been dying since the 1960's

Charismatic – there is a wide variety of ideas, but basically a belief in pray-a-prayer or join-a-church "salvation" with an added twist of having to get a "God-appointed" expert to lay hands on you or "baptize" you so you have the Holy Spirit which will be verified by speaking in "tongues" (which are not languages actually), ability to produce miracles for selfish unrepentant people, usually blasphemous experiences of absurd, lascivious, and mocking behavior, as well as ability to tell people what "god" wants them to know to defeat – but actually to join – the free-mason, satanic network

National Association of Evangelicals (NAE) – built by Carl F. H. Henry and Harold Ockenga on behalf of the Rockefeller and Graham family free-mason network in order to corral ALL evangelical, conservative, and activist "Christians" into one conglomerate under the World Evangelical Alliance/Fellowship authority who is working with the Pontifical Council for Promoting Christian Unity to introduce agendas into "evangelical" denominations that will move them toward being defeated and feeling similar enough to Roman Catholic leadership to bow to the Vatican

Vatican/Roman Catholic "Church" – oppressive corrupt partnership between Constantine's Roman government and deceptive priests who built a world empire so powerful that it attacks Christians, destroys their Bibles, and has tried to scatter and destroy, and has threatened (at some point in time) pretty much every community of believers that has ever existed since the time Jesus came. The Vatican is guilty of the blood of millions of Christians among the world's population and oppression of nations and peoples while trying and eventually succeeding in the future to build an anti-christ one-world religion, keeper/protector/library of all of the world's historic mystery religions and satanic cults and as well as records of the world's empires, regimes, king's/queen's, and dictator's tactics and strategies for controlling people world-wide – always done with the happiest and "purest" presentation so that it doesn't seem suspect

John Birch Society (JBS) - The John Birch Society was founded by a 32-degree mason named Robert Welch, who was also an agent for Nelson Rockefeller. They are an off-shoot from the Council for National Policy (CNP) which was founded by the satanic "Family"/"Fellowship", and the JBS seems like (to most people) a nice and honest way to keep up with and attempt to be an influence "for Christ" on modern politics. The problem is that they are run by masons and give out disinformation along with the helpful info. So, they sound like a lukewarm watchdog while promoting evil people. We all know that a little lie with truth goes a long way in helping covering up manipulative lying schemes of gate-keepers who pretend to be "Christians".

> Source: <http://www.incpu.org/MacArthur-and-JBS.pdf>

2010 think-tank – This think-tank formed one year before Trump began openly planning his candidacy with Paula White. This group was organized and gathered by James Robison for a meeting of national religious leaders to plan how to "oust Barack Obama" - which is trick-words, because all of the Presidents are friends and almost all of them are related/family, and each "new leader" that is presented/selected for America builds on what the NWO team had commanded the previous leader to do.) The attendees at this gathering included Richard Land, Tony Perkins, Johnnie Moore, Tom Mullins, Harry Jackson, Kenneth Copeland – who are all on Trump's religious advisory council, as well as Jim Garlow, Joyce Meyer, Creflo Dollar, Gene Mills, Maggie Gallagher, Stephen Broden, Keith Butler, Tony Evans, Craig Groeschel, Miles McPherson, Doug Napier, Dave Roever, Mark Rutland, David Stone, Stu Weber – others who helped plan that meeting but were "unable" to attend include Jerry Falwell Jr. and Jack Graham – both on Trump's religious advisory council, as well as O. S. Hawkins, Jack Hayford (one of MacArthur's friend), and Ravi Zacharias. And... Sadly, their trick worked. They have Americans watching out for those "big bad Arabs", and not watching the CIA, FBI, FDA, DEA, ATF, TSA, EPA, FEMA, etc. Those alphabet soup agencies are far more dangerous and deadly than the myth of an invasion of Arabs. We are being invaded by Jesuits - but the Arabs are servants of them, and not the main problem.

2018 think-tank – Now, just a few weeks ago, the "Evangelical Leadership" celebration with Donald Trump happened on Aug 29, 2018. And again, it had the motto of "preparing to capture the mid-term elections" – the guest list included First Lady Melania, James Dobson, Darrell C. Scott, Paula White, Jerry Falwell Jr., Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar. On the topic of "Evangelical", Billy Graham tricked American Christians to believe George W Bush was a "Christian". Because we believed that trick, GW Bush/Scherff was able to do more evil to Americans than many others, including setting up a powerful spy program, a system of secret courts, and many strange "laws" that violate the US Constitution. That group of so-called "Evangelicals" just set up/planned for their next trick against America using Donald Trump, just a few weeks ago. Watch and pray.

Donald Trump's Religious Advisory Council

Trump's Religious Advisory Council:

-James Dobson, founder of Focus on the Family, (editor's additional comments: founder of Alliance Defense Fund as well as his popular Focus on the Family and Family Research Council – all three are

United Nations Non-Governmental Organizations - Special Consultative Status – NGO is fancy words for saying that it partners with building one-world government and bringing all religions under the Pope – real Christians need to reject Dobson – he is an enemy of God; remember, the devil's best men have to look "Christian" to trick the Christians into accepting their plans. Dobson believes in evolution but he uses clever words like “eons” of “periods of time” and “evolutionary process” to express his disbelief in the Scriptures on God’s creation; Hebrews 11:3 proves that Dobson is not a Christian; Genesis 1 explains six days, night and day, for 6 days; Dobson promotes psychology that is the atheists religion promoting a twisted structure of excuses against what is right and in sympathy to what is wrong in hostility to God’s Word; Dobson is the “trusted” voice that forced/infiltrated satanic psychology into almost all of the churches and many Christian families in America in one way or another; James Dobson is the honorary chairman of Donald Trump’s religious advisory council – this paper is a long list of his evil works and connections; James Dobson’s father, grand-father, and great-grand-father were all pastors of Church of the Nazarene congregations and as recent as the year 2000, Dobson was verified to be a member of a Nazarene congregation under Rev. Zell Woodworth; James Dobson’s cousin and roommate at college Rev. H. B. London – who is now vice-president of Church and Clergy Outreach for Focus on the family – is former senior pastor of Pasadena First Church of the Nazarene and his father Holland London was both a pastor in the Church of the Nazarene and district superintendent for Missouri and Arkansas for the congregation and also participated in ecumenical pastor collaborations during world war two and afterward – H. B. London was awarded a doctor of divinity and Distinguished Service Award from Pasadena College/Point Loma Nazarene University; James Dobson graduated from that same Pasadena College/PLNU in 1958 with a major in psychology being educated under Paul Culbertson who believed that the law of God is written on people’s hearts and therefore should be addressed psychologically and used secular psychology along with his own personal strategy to shape a form of “Christian” psychology; James Dobson also admired Dr. Benjamin Spock and felt that many parents misunderstood him – actually James Dobson himself followed this path as inspiration from his father James “Jimmy” Dobson Sr. who would later admit that he helped subtly guide Dobson based on a prophecy he received “God” [from his church network] that his son would reach thousands or even millions of people – Jimmy Dobson Sr. had received a similar prophecy when being dedicated as a baby by his father’s pastor Reverend Godby that he would preach around the nation which later became a prophecy that he would preach around the world; Dobson also met his wife Shirley Deere at Pasadena College/PLNU and she was the homecoming queen and senior class president there and Dobson was tennis captain and working toward a doctorate at USC; Dobson has a Ph.D. from University of Southern California in the field of child development with a minor in research design; Dobson was professor of pediatrics at the University of Southern California’s Keck School of Medicine for fourteen years, and also served on the attending staff of Children’s Hospital of Los Angeles for seventeen years; it was a University of Southern California President who founded the Church of the Nazarene in 1895 with a presiding elder and delegate of the Methodist Episcopal Church who helped save USC’s college of liberal arts – Bresee is the founder in 1902 of Pacific Bible College which eventually became Point Loma Nazarene University; Dobson studied under Paul Culbertson who was dean of Pasadena College/Point Loma Nazarene University and Professor of Psychology as well as Los Angeles delegate for the Church of the Nazarene; later Dobson served as assistant to Paul Popenoe and his Institute of Family Relations in Hollywood in the few years before he wrote Dare to Discipline that gained him popularity – the foreward was written by this same Paul Popenoe who co-authored Applied Eugenics in 1918 which became a prominent college textbook on eugenics in America and seems to have paved the way for part of Hitler’s agendas – in the 1930’s Popenoe also served on the board of directors for the American Eugenics Society – after world war two, Popenoe moved his offices near Hollywood Blvd. which was there until the 1980’s; Popenoe was not religious, but he gained support and assistance from many hypocritical religious leaders from Mormons and Baptists etc – as recently as 2006, Dobson referenced David Popenoe, son of

Paul, at the time when Dobson was working on the Federal Marriage Amendment, as a champion who had been warning of a homosexual epidemic – by the way, in that same impassioned letter from Dobson, he also complimented the Vatican’s agency for promoting marriage; besides working with eugenicists and psychologists to threaten people’s minds, we also note Dobson’s education at both Point Loma Nazarene University and University of Southern California – whose president helped found the Nazarene Church and Point Loma University in the late 1800’s and which both have strong connections to the Theosophical Society that started on the very property where Point Loma Nazarene University moved to in 1973; the old location of Pasadena College/PLNU in Pasadena was about a mile from the current world headquarters of the Theosophical Society established there in 1945 after it sold Point Loma to Balboa University; the other school which shares Point Loma’s property is Alliant International University which under one of its previous names Balboa University bought the original 140 acres directly from the Point Loma Theosophical Society and which eventually in 2001 merged with the California School of Professional Psychology; so you can see how close a relationship has been shared in proximity and property sharing between the heads of these schools with the Point Loma Theosophical Society; the University of Southern California now openly hosts a theosophical society on its campus, and Point Loma Nazarene University boasts the history of the theosophical society in its history tours; in 1982, Dobson was awarded “Layman of the Year” by the National Association of Evangelicals and in 1988 the Humanitarian Award from the California Psychological Association; Dobson was co-founder of the Alliance Defense Fund, Dobson’s wife Shirley is chair of the National Day of Prayer Task Force led by the Lausanne Covenant and by friends of the satanic “Fellowship” such as Dwight D. Eisenhower, Billy Graham, and Senator Absalom Robertson – Pat Robertson’s father and previously led by Vonette Bright, Shirley Dobson, and Anne Graham Lotz – it’s president is now Ronnie Floyd; Liberty University two years ago opened a new James C. Dobson Center where Tim Clinton who is also on Trump’s advisory board was its first Executive director and is now president of the American Association of Christian Counselors (not with biblical guidance); Dobson – according to Glenn Beck - also participated in Mormon conspiracy-show-host Glenn Beck’s suggested start of a Black Robe Regiment; James and Shirley Dobson are friends of Erik Prince - and his mother – who founded Blackwater USA security contracting company known for wrongful deaths, outrageously lucrative contracts, partnership with CIA and for its role in reconstruction security in Iraq and Afghanistan – Erik’s sister is Betsy DeVos who is Trump’s United States Secretary of Education; Dobson is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes other top false teachers - World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah; Dobson of course attended the “evangelical leadership” celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Paula White, Jerry Falwell Jr., Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James)

-Jerry Falwell Jr., president of Liberty University (editor’s additional comments: Liberty University has been a long-time ecumenical connector for one-world religion quite literally as can be shown by gatherings/convocations including representatives of Muslim, Episcopal, Sikh, Buddhist, Mormon, Jewish, Hindu, Greek Orthodox, and Roman Catholic religions – are there any common beliefs between those false religions? – before we go further - do you believe all of those religions share common beliefs in God's Word and obeying Jesus' teachings? – satan's false religions always contradict Jesus, but the anti-christ’s new world order must have all religions forced into their program under the Pope in order for it to start – this report shows Falwell’s attempts at building that and his other sins and evil connections; Jerry Falwell, Jr. travel assistant was Johnnie Moore who is also on Trump’s evangelical advisory board and is close friends with other top Jesuits and Catholics; Jerry Falwell Jr. has made Liberty

University the first university campus in the U.S. to have an on-campus firing range and regularly makes inflammatory and threatening statements in support of Donald Trump and other offensive topics; Jerry Falwell Sr.'s chief of staff for eleven years was Mark DeMoss – who has assisted Jerry Falwell since at least the mid-1980's – who is now the spokesperson for the Billy Graham Library and Billy Graham Evangelical Association, he is the brother of Nancy Leigh DeMoss Wolgemuth – Mark DeMoss also served on the Liberty University Board of Directors for 25 years; Dr. Mel White who ghost-wrote autobiographies for Billy Graham, Jerry Falwell, D. James Kennedy, and Pat Robertson and later openly admitted being involved in homo-sexuality and “married” his partner also worked with Jerry Falwell Sr. in other ways to pressure American Christians to treat people involved in this sin as friends – Jerry Falwell Jr. has continued that process with various staff members and faculty; Falwell Sr. also was involved in forcing the corporate laws on “church” property ownership statutes, which led the way to forcing the wave of 501(C)3 regulations that have destroyed almost all churches by making them money-driven and owned by a CEO/“pastor” who does “church” as a career only; Matt Staver who served eight years as Liberty University's School of Law dean founded the Liberty Counsel which sponsors conferences with elite U.S. and U.N. politicians, some who are involved with the satanic “Fellowship”; Falwell of course attended the evil “evangelical leadership” celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Paula White, James Dobson, Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James; we are convinced that the Falwell family, especially the late Jerry Falwell Sr. and his dad Carey Falwell – both in their home and at the university – is/was involved in allowing and participating in serious immorality and even production of porn with college students, perhaps even under-age porn, and in illegal drugs and drunkenness and bribes and other disgusting and hypocritical behavior – this belief is based on several known facts as follows: Jerry Falwell Sr. filed a lawsuit in 2000 on behalf of himself, Liberty University, Moral Majority, Old Time Gospel Hour and several other groups he founded or is affiliated with, the suit was against the White House and FBI over what he considered to be a hidden file to smear his reputation in the future – what does he know is in that file? ; Jerry Falwell Sr. considered Larry Flint of Hustler to be a friend after their drama all the way to the Supreme Court over Larry's “freedom of speech” cartoon against Falwell; we think he perhaps secretly was a friend before the case, based on Jerry Falwell's suggestion that Roy Grutman take his side or the other of the case, knowing that he was a lawyer for top porn actors – Grutman then joined Falwell's side at Falwell's request; Falwell had been a friend of Grutman since 1987 with the collapse and adultery/bribery scandals of Praise The Lord - Jimmy Bakker - empire; afterward, Falwell said glowing words about Larry Flint such as that he was a “warm-hearted, very talented, and very generous person whom I believe has much to offer the world” as well as spending time with Flint in his private jet and in friendly “debates” to describe how they were such champions of free-speech together – through this process, the only thing that changed was that Jerry Falwell intentionally tried to lower the gospel and the Scriptures and God's point of view to be considered as equally offensive as Hustler magazine's pictures and articles and therefore both equally require a wide tolerance as free-speech that otherwise would not be permitted by “reasonable” people – this is such a grand lie and is the reason that Larry and Jerry could be friends because they both hate the gospel and the truth that much; for more examples that show how the Falwell family is – on January 25, 2018, Jerry Falwell Jr. once again showed his willingness to support as much evil and sizzle as Trump wants to do to America when he said that he considers Trump's offenses just as bad as the sins that Falwell believes everyone commits based on a distorted interpretation of Matthew 5:28 – now this is from a supposed top-evangelical leader who supposedly represents the most conservative side of “American Christianity” though we did not and would not have voted for Trump and have not even slightly supported the Falwell family for more than fifteen years now – and Falwell pretended that Trump has already apologized for everything, which the host corrected swiftly,

which Falwell followed up with still blindly wanting to pretend and convince “Christians” to pretend that Trump is good and different from his past because he fits perfectly with Falwell’s agendas; similarly, Falwell intentionally included Trump’s old cover on Playboy Magazine in the picture next to his wife, when he tweeted his glowing support for Trump during the election; for other examples: when Jerry Falwell Sr. was a young man, he stole his roommate’s fiancé at Bible Baptist College in part by throwing away his roommate’s letters to Macel and writing letters to Macel himself instead – eventually she broke off her engagement to the roommate and married Jerry five years later – her family is also one of the founding families of Thomas Road Baptist from a split with another Baptist congregation; in 2013, Trey Falwell – Jerry Falwell Sr.’s grandson, Jerry Falwell Jr.’s son – was the sole manager of an LLC that purchased a Miami hostel that is an LGBT friendly, co-ed housing purchased for \$4.65M in South Beach that still advertizes itself with its accompanying liquor store and an Italian restaurant where Jerry Falwell Jr. and his wife have eaten with Trey’s business partners; in case all of that doesn’t make this family’s lifestyle clear enough, look at Carey Falwell who – by Jerry Falwell’s admission – was the largest distributor of illegal whiskey in that region of the country, was the owner of the largest nightclub in Virginia, was involved oil and gas industry fill-stations with the Rockefellers, owned restaurants, a hotel and the Merry Garden for music concerts, and also was the sheriff at one point and also shot his own brother to death and then drank his life to an end – all of this as explained by Jerry Falwell Jr. about his father; Falwell’s family founded much of that Lynchburg area infrastructure including the airport, tobacco farming, dairy farming, trucking service, blacksmith, and many other businesses – now you can see the powerful family’s history and how Falwell learned to balance big crime with big power, because they saw the devastation that can happen quickly in your family if you let the big crime side get too noticeable; this is only a start of what could be said about Falwell, but it is far past time for Christians to realize they should not trust this family)

-Richard Land, seminary president, (editor’s additional comments: Land served twenty-five years as President of the Southern Baptist Convention’s Ethics and Religious Liberties Commission a United Nations Non-Governmental Organization which in 2013 was handed to Russell Moore - the ERLC is a clever hoax to silence the standards of righteous obedience to God's Word, and blur good and evil making it seem that “American Christianity” has collapsed; Land is executive editor of The Christian Post – his editorial advisors include Samuel Rodriguez – of National Hispanic Christian LC and NAE, Robert P. George – on the board of Ethics and Religious Liberties Commission and American Enterprise Institute and member of Council on Foreign Relations, Harry R. Jackson Jr. – also on Trump’s religious advisory council, Johnnie Moore – The Kairos Company and chief editor of Roma Downey, Mark Burnett’s “The Bible”, Penny Young Nance – Concerned Women for America, Greg Parsons – U.S. Center for World Missions, Mark Creech – Christian Action League of North Carolina, Dan Kimball – founding pastor of Vintage Faith Church, and June Hunt – CEO and CSO of Hope for the Heart whose president is Bob Reccord executive director of Council for National Policy; Land is president of the Southern Evangelical Seminary founded by Norman Geisler; Land was the primary author of the 2002 Land Letter written to President George W. Bush as an argument justifying going to war in Iraq; Land served as Professor and Vice-president at Criswell College for thirteen years and eight years – W. A. Criswell was forty years the pastor of First Baptist Church of Dallas in a region with one of the largest concentrations of free-masons in the country – where 33-degree free-mason Billy Graham (as admitted by the lodge history and pictures and top Mason history books as well as by his partnership with Norman Vincent Peale also a 33-degree mason) held membership among the many free-masons who find it to be a home and where Robert Jeffress – also on Trump’s religious advisory council – is now pastor; Land has met with Mormon leaders in Salt Lake City to find common ground, and in an interview afterward said he would describe the Latter-Day Saints as a fourth Abrahamic religion; Land also participated in Mormon conspiracy-

show-host Glenn Beck's Restoring Honor rally and even agreed to lead a Black Robe Regiment based on Revolutionary War time clergy who used Scripture to support the fight against Britain)

-Paula White, Florida televangelist (editor's additional comments: false apostle maintaining the system of spiritual abuse on the poor and who is also – as we see it - a blasphemer, thief, swindler, adulterer [on her third "marriage" to Jonathan Cain], and perhaps co-conspirator to murder [such as Zachary Tims perhaps among others] and drug-running, who organized the 40 fake clergy and – according to psychologist James Dobson – is the one who led Trump to get "saved" which Trump refers to as "rededicating his life to God" – when she first went to his home, she said she "I don't want your money, I don't want your fame, I want your soul" – and her getting wrapped in an ancient scroll by Rabbi Ralph Messer did not remove any of those sins from her; she started leading Trump in personal "bible studies" in his home in 2002 when the network knew they wanted to groom Trump for the Presidency; Paula White has been friends with Trump since 2002 after he had been watching/listening to Billy Graham and Jimmy Swaggart (also known for adultery with prostitutes) with a and Bill Gaither and Paula White trying to learn how to sound "Christian"; White even gave him a personal letter on his 60th birthday in 2006 from Billy Graham at the time that Trump also "rededicated his life to God" – Billy Graham is a 33-degree mason friend of Norman Vincent Peale – known for Guideposts – who was "pastor" at Marble Collegiate Church where Donald Trump's parents Fred and Mary are long-time members and where Donald flirted with Marla Maples – while still married to Ivana – and they were married by Reverend Arthur Caliendo at Marble Collegiate – Trump and his first wife Ivana were also married there by Norman Vincent Peale himself – this is also where Trump had his son baptized; Paul White began strategizing with Trump in 2011 toward his election one year after the network admitted they were planning this strategy to oust Barack Obama and connected with Paul White to help collect his "evangelical" network; one of White's partners in the network is Darrell Scott – by the leading of Frank Amedia also – who urged Trump to run for President; White of course attended the "evangelical leadership" celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Jerry Falwell Jr., James Dobson, Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James; White is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren's Saddleback Church, Pat Robertson's Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah – both are on Trump's spiritual advisory council)

-Kenneth and Gloria Copeland, charismatic Texas ministers (editor's additional comments: Kenneth Copeland partnered with Tony Palmer and James Robison to start reuniting the Charismatic/Pentecostal and Evangelical leaders with Pope Francis and his Pontifical Council for Promoting "Christian" Unity – the devil needs all religions involved in his forced one-world religion – they did this first by visiting the Pope in 2014 and then by arranging a large conference of leaders and "pastors" to hear the pope speak at Copeland's conference via live video-link; the friends who attended that meeting in the Vatican with the Pope are John and Carol Arnott of Toronto Blessing fame, Brian C. Stiller – global ambassador of World Evangelical Alliance as well as his friend George Tunnicliffe – former CEO and international director of World Evangelical Alliance and friend of Joel C. Hunter of the National Association of Evangelicals, James and Betty Robison – LIFE Outreach International, Tony Palmer – bishop of the Anglican-Episcopal Church of the United Kingdom which is the same organization that J. C. Ryle was bishop of - whom MacArthur is using Ryle's false arguments to support Trump's evil "coalition", and Thomas Schirrmacher – friend of Jesuit Pope Francis – former associate secretary general for theological concerns of the World Evangelical Alliance, and President of International Society for Human Rights, a United Nations Economic

and Social Council[ECOSOC] associate, and honored with one of the highest orders in the world reserved for royalty and heads of state – Knight Grand Cross; the Copeland’s friends the Robisons are friends and mentors to Robert Morris – also on Trump’s religious advisory council, Mike Huckabee – former governor of Arkansas, and working with Rick Warren to reverse the 1500’s movement to reform the Catholic “church” which has provided much shelter for believers against the corruption and threats of the Roman Catholic “church”; their friend James Robison was also friend of and personally mentored by Billy Graham since more than fifty years ago; the Copeland’s have a \$6M mansion on the grounds of Kenneth Copeland Ministries; Copeland is on the board of the International Charismatic Bible Ministries founded by Oral Roberts; Copeland is a self-proclaimed billionaire whose doctrines are clearly false – such as teaching that since God had power to create with His words and we are made in His image, then we have the power to create with words, such as teaching that Jesus suffered in Hell and was tortured by the devil and demons in our place)

-Mark Burns, “pastor” of Harvest Praise and Worship Center; co-founder of NOW television network; Burns has shared doing TV shows with Mike Murdock who wants to make 300 millionaires and was on the board of Oral Roberts’ International Charismatic Bible Ministries; Burns’ long-time biography had claimed that he also graduated from North Greenville where he earned a Bachelor of Science and was a member of the Kappa Alpha Psi fraternity – which he has friends in – as well as claiming six years service in the U.S. Army reserves which all turned out to be false when checked by CNN in 2016; Burns offered the benediction for the first day of the 2016 Republican National Convention; Burns was roundly criticized for trying to use 1 Timothy 5:8 to support Donald Trump’s disparaging comment about Haiti, El Salvador, and African countries who refuse to bow to American over-lords; Burns appeared at events along-side the late Eddie Long who was “bishop” of the Full Gospel Baptist Church Fellowship and was investigated by Congress for more than \$3M in compensation he received from his non-profit charity and also had to settle out-of-court accusations of allegedly molesting five young boys in his church while over-preaching his supposed remedies for homosexual behavior

-James Robison, founder of LIFE Outreach International (editor’s additional comments: connector between pope Francis and the American “Protestant” “evangelicals” in almost every way a person could possibly connect; all of these religious leaders know that Vatican/Catholic leaders are sexually active in many evil ways, but that is not important to them; Kenneth Copeland partnered with Tony Palmer – Anglican Bishop – and James Robison to start reuniting the Charismatic/Pentecostal and Evangelical leaders with Pope Francis and his Pontifical Council for Promoting “Christian” Unity – they did this first by visiting the Pope together in 2014 and then by Copeland arranging a large conference of leaders and “pastors” to hear the pope speak at his conference via live video-link – the friends who attended that meeting in the Vatican with the Pope are John and Carol Arnott of Toronto Blessing fame, Brian C. Stiller – global ambassador of World Evangelical Alliance as well as his friend George Tunnicliffe – former CEO and international director of World Evangelical Alliance and friend of Joel C. Hunter of the National Association of Evangelicals, James and Betty Robison – LIFE Outreach International, Tony Palmer – bishop of the Anglican-Episcopal Church of the United Kingdom which is the same organization that J. C. Ryle was bishop of - whom MacArthur is using Ryle’s false arguments to support Trump’s evil “coalition”, and Thomas Schirrmacher – friend of Jesuit Pope Francis – former associate secretary general for theological concerns of the World Evangelical Alliance, and President of International Society for Human Rights, a United Nations Economic and Social Council [ECOSOC] associate, and honored with one of the highest orders in the world reserved for royalty and heads of state – Knight Grand Cross; James and Betty Robison are friends and mentors to Robert Morris – also on Trump’s religious advisory council, Mike Huckabee – former governor of Arkansas, and are working with Rick Warren to reverse the 1500’s movement to reform the Catholic “church” which has provided much shelter for believers against the

corruption and threats of the Roman Catholic “church”; James Robison was also friend of and mentored by Billy Graham since more than fifty years ago and Billy Graham helped fund his start of full-time ministry in 1968; in 2010, one year before Trump began openly planning his candidacy with Paula White, James Robison organized and gathered a meeting of national religious leaders to plan how to oust Barack Obama – attendees included Richard Land, Tony Perkins, Johnnie Moore, Tom Mullins, Harry Jackson, Kenneth Copeland – who are all on Trump’s religious advisory council, as well as Jim Garlow, Joyce Meyer, Creflo Dollar, Gene Mills, Maggie Gallagher, Stephen Broden, Keith Butler, Tony Evans, Craig Groeschel, Miles McPherson, Doug Napier, Dave Roeber, Mark Rutland, David Stone, Stu Weber – others who helped plan that meeting but were “unable” to attend include Jerry Falwell Jr. and Jack Graham – both on Trump’s religious advisory council, as well as O. S. Hawkins, Jack Hayford – MacArthur’s friend, and Ravi Zacharias; Robison’s student Mike Huckabee pointed out in his book in 2008 *Do The Right Thing*, that it was Robison who also helped arrange – under Billy Graham’s guidance along with Paul Weyrich and Howard Phillips of the Council for National Policy and World Anti-Communist League – the 1979 rally behind Ronald Reagan being selected as president)

-Ronnie Floyd, former president of the Southern Baptist Convention (editor’s additional comments: senior “pastor” of Cross Church – First Baptist Church of Springdale; Floyd has a M.Div. and D.Min. from Southwestern Baptist Theological Seminary; Ronnie Floyd and Mike Huckabee became friends around the time of competing against one another in 1989 for presidency of the Arkansas Baptist State Convention, which Huckabee won; in 2016, Huckabee and Floyd worked together to explain how important the electoral college was – on Tony Perkin’s show with Dave Butts; Floyd later became chairman of the SBC Executive Committee for two years 1995-1997; 2013-2017, Floyd served as General Editor of the relaunch of LifeWay’s Bible Studies for Life curriculum; in 2015, Floyd spoke at the Reset America Summit – a convention for getting all religions under the pope – whose speakers included Roma Downey and Mark Burnett – the event was sponsored by Awaken America Alliance – partnered with “Reboot Ministry and Billy Graham Library - and OneCry Ministries – whose partners include National Day of Prayer, Cry Out America, Mission America Coalition of the Lausanne Council, International Mission Board, Billy Graham Evangelistic Association, Sherwood Pictures, Revive Our Hearts – sister organization under Life Action Ministries, Moody Radio, Moody Church, Dr. Erwin Lutzer, Luis Palau, James Robison, Joel Rosenberg, Nancy DeMoss Wolgemuth, Jesus Culture; in 1995, Ronnie Floyd felt his faith reinforced after doing a 40 day prayer fast of cantaloupe, watermelon, and carrot juice, which he then introduced to his church; then in 1996, he challenged the churches of the Southern Baptist Convention to do a 40-day fast; then in 1998, he partnered with Bill Bright of Campus Crusade for Christ and Pat Robertson of the “Fellowship” and CBN to introduce a 40 day fast and urgent prayer for revival to the country approximately to coincide with Lent; in 1999 after Floyd had dedicated himself to praying every day for several years, he wrote *How to Pray as a Prayer 101* manual; to add to that in 2001, Floyd founded The Summit – weekly business person’s luncheon network in Arkansas and thus began his experience in connecting networks of free-masons and Jesuits for prayer and learning how to control people and networks; with this long background of experience, Floyd has helped build many other spiritual “awakening” networks, and now he is connecting those networks to work together; and finally in 2017, Ronnie Floyd was appointed President of National Day of Prayer, he follows in the footsteps of Vonette Bright, Shirley Dobson, and Anne Graham Lotz as he will work with the board of directors to organize the national networks that “pray” for their agendas while also mobilizing those agendas and hidden information throughout the country – the National Day of Prayer is founded by the Lausanne Covenant and by friends of the satanic “Fellowship” such as Dwight D. Eisenhower, Billy Graham, and Senator Absalom Robertson – Pat Robertson’s father; this year, Floyd wrote the foreword and some content for *31 Days of Prayer for My Nation* with devotional contributions from National Day of Prayer leaders, staff and friends – Dave Butts – chairman, Kim Butts, Jon Graf, Tony Evans – Oak Cliff Bible

Fellowship, Kay Horner – president of Center for Spiritual Renewal and Awakening America Alliance, Sammy Rodriguez – National Hispanic Christian Leadership Conference, Alton Garrison – assistant general superintendent of Assemblies of God, Tom Phillips Vice-President Billy Graham Evangelistic Association, Frances Chan – Chancellor of Eternal Bible College, Tony Perkins – President of Family Research Council, Oscar Thompson – author – Concentric Circles of Concern; another book Ronnie Floyd partnered with in 2016 was Praying with Jesus: RESET My Prayer Life – with Nick Hall Founder of Pulse Ministries and organizer of Reset 2016 event and upcoming Together 2018 in connection with Mission America Coalition of the Lausanne Council – Nick Hall is the President of MAC – other co-authors of the book include Sammy Rodriguez, Dave Butts, Stormie Omartian, Jack Hayford, Josh McDowell, Mark Batterson – National Community Church in Washington, D.C., Harry Jackson, Steve Gaines, Alton Garrison; Floyd is former president of the Southern Baptist Convention 2014-2016; Floyd is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network and David Jeremiah; Ronnie Floyd is board member of the Family Research Council founded by James Dobson)

-Robert Jeffress, author and Texas megachurch pastor (editor’s additional comments: Jeffress is pastor of First Baptist Church Dallas which has one of the largest concentrations of free-masons of the U.S.; Billy Graham didn’t join membership with churches because he was an international leader who didn’t even see himself as predominantly American or anything else, but he did join First Baptist Dallas membership after doing a crusade there in 1953 when W. A. Criswell was its famous pastor for forty years – Billy Graham is a 33-degree free-mason (as admitted by the lodge history and pictures and top Mason history books as well as by his partnership with Norman Vincent Peale also a 33-degree mason); Jeffress joined John Hagee of Christians United for Israel in the false prophecies about being in or near the Tribulation by his publishing Countdown to the Apocalypse during the seventeen month blood moons “signs”; however, Jeffress played a different side on Israel by suggesting that Jewish people need to reject the Torah (Five books of Moses) and Judaism in order to accept Christ rather than admitting that followers of Christ are built into the nation of Israel by the faith of Abraham; Robert Jeffress supported Rick Perry for President while Perry was partnering regularly with New Apostolic Reformation leaders and “prophets” toward their goal of “Christian” dominionism/New World Order and around that same time Perry became a regular salesman for the Trans-Pacific Partnership business strategy of international corporations, travelling around Asia and particularly focusing on Japan toward that goal; Jeffress worked with Kenneth Copeland, Paula White, Jan Crouch, David Jeremiah, and Jentezen Franklin to lay hands on Trump as their appointed “public-relations agent” as John MacArthur calls him; Jeffress pretends – as MacArthur does – that Trump is God’s appointed authority based on a Catholic monk St. Augustine’s assessment of Romans 13 and that Trump will supposedly do whatever God tells him to do or leads him to do; Jeffress also has joined the call to “forgive” the Roman Catholic “church” for crimes and sin it is not even attempting to repent of or even admit to committing; Jeffress is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah – also on Trump’s religious advisory board)

-David Jeremiah, author, pastor, and televangelist (editor’s additional comments: David Jeremiah was appointed Honorary Chairman of the of the “Fellowship”-led National Day of Prayer in 2012; Jeremiah has regularly – even annually – spoken at “The Cove” - Billy Graham Training Center since 1992; Jeremiah was also on the board of the National Religious Broadcasters network; Jeremiah’s church has an illuminati eye above him in the stained glass behind pulpit; twenty one years ago, Jeremiah was

diagnosed with Stage 4 Large-cell Lymphoma that was not considered very survivable, but David has survived it quite well; Jeremiah has been senior “pastor” of Shadow Mountain Community Church of the Southern Baptist Convention for thirty-seven years, picking it up from Tim Lahaye after twenty-five years as pastor there – Lahaye was the founder of the Council for National Policy; Jeremiah has a Th.M from Dallas Theological Seminary and an honorary doctor of divinity in 1981 as he picked up the “pastorate” from Tim Lahaye – Lahaye is known for his series of Left Behind books written with Jerry B. Jenkins which promote – as John MacArthur also does – that Christians will be forced to take the mark of the beast and will still be considered Christian/elect-to-be-Christian by Jesus Christ when he returns; Jeremiah became friends with Paul and Jan Crouch presumably during his fight with cancer and began to consider them some of the most “godly people on earth” and regularly was doing shows with them on TBN even with all of their fake “blessed” money scams and prosperity promises; Jeremiah was asked by and obliged Mark Burnett and Roma Downey to write a companion book to their “The Bible” miniseries on the topic of the book of Acts – this is the Roman Catholic couple - and she admits that she is also a mystic – who also helped fund the Vatican’s Museum of the Bible in Washington D. C. which really is just a shrine to Roman Catholic ability to confuse and try to destroy the truth – they were also invited to speak at Jeremiah’s “church” on the occasion; Jeremiah has often read – from the pulpit – quotes from his own books rather than Scriptures as verification or clarification of things he wants to say; even in 1987 while speaking at Moody Bible Institute, Jeremiah said that Christians should stay in churches that no longer preach the Word of God in hopes that they might do some good; Jeremiah and James Dobson have also agreed together and taught together for a long time that sin is not necessarily a choice, but is sometimes or often effects of hormonal changes or poor mental health; Jeremiah is on the board of ALIVE Counseling Ministries which is directed by Dr. Ken Nichols who was professor and Vice President of Student Development at Christian Heritage College where Jeremiah was president. Jeremiah’s father Dr. James T. Jeremiah was president of Cedarville University 1954-1978 and Chancellor 1978-2000 – James T. Jeremiah had been on board of trustees for Baptist Bible Institute of Cleveland and helped Cedarville by taking them from the Presbyterian denomination into the Baptist denomination and helping solve their debts; Jeremiah is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network, and Ronnie Floyd; David Jeremiah also joined with Jan Crouch, Paula White, and Kenneth Copeland in laying hands on Trump to “pray” for him during his campaign)

-Jack Graham, Baptist pastor in Texas with an M.Div. and D.Min. from Southwestern Baptist Theological Seminary; Graham was honorary chairman of the “Fellowship”-led National Day of Prayer; Jack Graham was president of the Southern Baptist Convention 2002 and 2003 while George W. Bush planned to go to war and Jack Graham prayed with Bush several times during that process; when Karl Rove received an honorary doctorate from Liberty University’s Jerry Falwell Sr. and gave a commencement speech, Jack Graham and Jonathan Falwell spent some time with Rove; Graham is former board of trustees member of Liberty University; Graham is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah; Jack Graham in 2017 withheld his church’s dues to the SBC seemingly in order to send a message of frustration against Russell Moore for his opposition to Donald Trump according to Ed Stetzer’s article in Christianity Today)

-James MacDonald, Chicago megachurch pastor (editor’s additional comments: who put his church over \$56 Million in debt to build his kingdom and is friends with Erwin Lutzer, Bill Hybels, Jerry B. Jenkins who have also been members together of an ecumenical “pastor’s” network partly founded by Dominican

Father Dimitri Sala – author of *The Stained Glass Curtain – Crossing the Evangelical-Catholic Divide to Find Our Common Heritage*; MacDonald is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren’s Saddleback Church, Pat Robertson’s Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah; MacDonald – it should be noted – left Trump’s advisory council even before the election in November; in 2012, MacDonald received the “Billy Graham Award for Excellence in Christian Communication”)

-Jay Strack, student ministry leader (editor’s additional comments: Strack is former president of the Conference of Southern Baptist Evangelists and is now President of the Student Leadership University whose faculty includes Dr. Richard Land – who is also on Trump’s evangelical advisory board, other faculty members are Sean McDowell, Lord Michael Bates and Sir Nicholas Soames – Winston Churchill’s grandson – both are members of the British Parliament, United States Senate Chaplain Barry C. Black, D. A. -Michele Bachmann, Republican politician (editor’s additional comments: former eight year U.S. Representative from Minnesota; fake tea-party leader trying to convince Christians to get distracted in dangerous politics and law which she knows are thoroughly run by Jesuits and free-masons; Bachmann is clever about pretending to be really nice, and is very clever at being in the right place and saying the right few good phrases while working with the evil teams, including the one-world religion teams; Bachmann is also a part of the discussion of working to confuse the Jewish people - moving them toward "Jewish mysticism" called Kabbalah, instead of Torah Judaism which leads them to the real God and their Messiah, Jesus/Yeshua HaMashiach - as explained in many places including Isaiah 53; Kabbalah is the opposite of the Bible and the 10 Commandments, even pretending that we can become our own "gods", which of course is a blatant lie; Bachmann is student and friend of John Eidsmoe Professor at O. W. Coburn School of Law founded by Herb Titus at Oral Roberts University – Eidsmoe believes that American law should be made to match what he calls “Biblical Law” through political and judiciary systems – Eidsmoe is now senior counsel and resident scholar at Roy Moore’s Foundation for Moral Law and is on the board of Lutherans for Life and is a Knight Commander and Chaplain for the Sovereign Military Order of the Temple of Jerusalem; Bachmann’s husband Marcus is a clinical psychologist with a masters from Regent University and a Ph.D. from Union Graduate School; Bachmann worked for Presidential campaigns of Jimmy Carter and Ronald Reagan; Bachmann has also recently joined Jim Garlow’s Skyline Church as Garlow’s newest associate pastor along with recent addition assistant pastor Dan Cummings – Cummings is Convening Pastor of “The Jefferson Gathering” on behalf of Skyline Church in Washington D.C., doing a weekly service exclusively for members and staff of Congress, Cummings is a graduate of Baylor University and Criswell College – then in Aug 2017, Garlow announced

Bachmann as their new outreach pastor to the United Nations plaza; Garlow's late wife Rosemary Schindler Garlow was grand-niece of Oskar Schindler and together Jim and Rosemary founded the Schindler's Society; Jim and Rosemary Garlow's and CUFI's connections in Israel allowed Garlow and Michele Bachmann to represent CUFI in an Interfaith Bible study – first ever in Israel supposedly – organized by Orthodox Rabbi Yehudah Glick the day before the new U.S. Embassy opened in Jerusalem; Michele Bachmann used the occasion to “apologize” on behalf of Christian culpability for Hitler as well as apologizing for having recently suggesting that the difficult events in the world are from God to pressure Christians to convert people, even Jewish people; Jim Garlow also used the occasion to “apologize” on behalf of Christians, but the Christians didn't know Hitler was killing Jews, so why does he blame Christians – which Erwin Lutzer retired thirty-six-year “pastor” of Moody Church also does)

-Ralph Reed, founder of the Faith and Freedom Coalition (editor's additional comments: former and first director of the satanic “Fellowship” partner Pat Robertson's Christian Coalition; Reed is a graduate of The Leadership Institute, which claims to have trained 161,000 “conservatives” for politics, government, and media which also names Grover Norquist, Mitch McConnell and Mike Pence as graduates; Reed worked under Jack Abramoff of the College Republican National Committee, and Abramoff appointed Reed to be executive director after Grover Norquist; Reed of course attended the “evangelical leadership” celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Paula White, Jerry Falwell Jr., James Dobson, Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James)

-Robert Morris, author and Texas megachurch pastor (editor's additional comments: founding senior “pastor” of Gateway Church; Morris was prompted more than thirty years ago to give away absolutely every penny of his entire life, his house, cars, etc. and experienced the network's supporting them in the process; Morris is Chancellor of The King's University Southlake, TX campus which became the primary campus of Jack Hayford's King's College which Jack moved – while keeping his campus as a secondary campus - from his founding location in San Bernardino Valley, CA with his Church on the Way; James Robison is the one who tapped Morris to write books, which his first book was A Blessed Life and he gave all of the royalties to the “church” sowing into his kingdom, etc. as they continue to build their network, only after thirty years did he finally decide that even taking credit for it is sinful or contradictory to God's nature which shows his real heart in all of this; in order to support his best life now, Morris also recommends to his congregation to stay as far as possible from people who criticize the “church” or his teaching)

-Jentezen Franklin, pastor and author (editor's additional comments: senior “pastor of Free Chapel; Franklin has been awarded the Martin Luther King Jr. Mantle of Destiny Award for his efforts on racial reconciliation – the award comes from a The Reconciled Church a coalition led by Bishop Harry Jackson – also on Trump's religious advisory council; in 2017, Franklin spoke at James Dobson-founded Family

Research Council's Watchmen on the Wall National Briefing; Franklin is the "pastor" who told that Donald Trump had rededicated his life to Christ twelve years ago and had attended Billy Graham Crusades when he was younger as evidence of Trump's faith in Jesus; Franklin emphasizes fasting as a primary way to renew with God; Franklin's church conference Forward has included speakers and musicians such as Louie Giglio, Christine Caine, Judah Smith, Steven Furtick, Chris Tomlin, Israel Houghton, Toby Mac; Franklin is a client of The Kairos Company whose founder and president is Johnnie Moore – also a faith advisor to Trump – and whose clientele includes World Evangelical Alliance, Rick Warren's Saddleback Church, Pat Robertson's Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah – also on Trump's religious advisory board)

-Harry Jackson, Maryland pastor (editor's additional comments: Jackson is senior "pastor" at Hope Christian Church and Presiding "Bishop" of the International Communion of Evangelical Churches which he founded in 2011; Jackson's Awaken Conference 2015 included as speaker Reverend Samuel Rodriguez – president of the National Hispanic Christian Leadership Conference who has been on the board of National Association of Evangelicals and Gordon-Conwell Theological Seminary; Harry Jackson leads the coalition which calls itself The Reconciled Church which awarded Jentezen Franklin – also on Trump's faith advisory council – with the Martin Luther King Jr. Mantle of Destiny Award; Harry Jackson is a contributing editorial advisor for Richard Land's The Christian Post – Land is also on Trump's religious advisory board; in 2010, one year before Trump began openly planning his candidacy with Paula White, James Robison organized and gathered a meeting of national religious leaders to plan how to oust Barack Obama – attendees included Richard Land, Tony Perkins, Johnnie Moore, Tom Mullins, Harry Jackson, Kenneth Copeland – who are all on Trump's religious advisory council, as well as Jim Garlow, Joyce Meyer, Creflo Dollar, Gene Mills, Maggie Gallagher, Stephen Broden, Keith Butler, Tony Evans, Craig Groeschel, Miles McPherson, Doug Napier, Dave Roeber, Mark Rutland, David Stone, Stu Weber – others who helped plan that meeting but were "unable" to attend include Jerry Falwell Jr. and Jack Graham – both on Trump's religious advisory council, as well as O. S. Hawkins, Jack Hayford – MacArthur's friend, and Ravi Zacharias)

Maxwell teaches at in south Florida, Mullins is president of EQUIP for training "pastors" whose board of directors includes Jonathan Falwell of Liberty University/Thomas Road Baptist Church, Nabi Selah who is an elder at Australia's Hillsong Church, David Meyer – Joyce Meyer's son who is CEO of their world outreach Hand of Hope, and Ed Bastian CEO of Delta Airlines; Mullins is on the faculty for Student Leadership University whose other faculty include SLU President Dr. Jay Strack and Dr. Richard Land – who are both also on Trump's evangelical advisory board, Sean McDowell, Lord Michael Bates and Sir Nicholas Soames – Winston Churchill's grandson – both are members of the British Parliament, United States Senate Chaplain Barry C. Black, D. A. Horton, Dr. Danny Akin, Dr. Bob Reccord who is executive director of Council For National Policy, John Stonestreet who is President of Chuck Colson Center, Donnie Smith who is CEO of Tyson Foods, Dr. Thomas White who is president of Cedarville University, and several other influential men and women from Focus on the Family, Chick-fil-A, NASA, Disney, LifeWay, seminaries, and churches)

-Johnnie Moore, evangelical advisor (editor's additional comments: Moore is former campus pastor and vice-president of Liberty University who also served as Jerry Falwell Jr.'s travel assistant during which time he reached out to Pope Francis for reconciliation between the Roman Catholic "church" and "evangelicals", Johnnie Moore was the late Tim LaHaye's publicist and later was Liberty University Communications Professor who connected his film knowledge and students with Kirk Cameron for the CamFam studios initiative; he is the spokesman for MyFaithVotes who organized Trump's "evangelical"

summit, he is on the board of the National Association of Evangelicals, he is Founder and President of the Kairos Company whose clientele includes World Evangelical Alliance, Rick Warren's Saddleback Church, Pat Robertson's Christian Broadcasting Network, and Ronnie Floyd and David Jeremiah – who are both on Trump's evangelical advisory board. He was former "chief of staff" for TV producers Mark Burnett and Roma Downey who produced the blasphemous "The Bible" mini-series and who helped fund the brand new Washington, D.C. Vatican "Museum of the Bible" where Johnnie Moore is manager of communication strategy; Johnnie Moore is also on the Board of Directors for National Association of Evangelicals and for the World Evangelical Alliance)

-Sealy Yates, attorney, literary agent and president of My Faith Votes (editor's additional comments: My Faith Votes organized Trump's "evangelical" summit, Yates is a literary agent for Joel Osteen among others and is influential at the top of "Christian" mass-publishing for false prophets and false teachers like Joel Osteen)

-Tom Winters, attorney (editor's additional comments: Winters is a literary agent for Joel Osteen among others and is influential at the top of "Christian" mass-publishing for false prophets and false teachers like Joel Osteen)

-Tim Clinton, national leader in Christian counseling (editor's additional comments: Clinton is the secretary for the President's Faith Advisory Board Executive Council, Clinton is executive director of James Dobson Family Institute, Clinton is on the leadership committee for the satanic "Fellowship" President's National Prayer Breakfast, Clinton is president of the American Association of Christian Counselors which is not Biblical, and until sometime within the last year Clinton was Professor of Counseling at Liberty University and was Executive Director for the now two-year old James C. Dobson Center at Liberty University where he spent thirty years in various roles, Clinton is founder of Light University for global "mental health" education – doing the same thing that Dobson has done – promoting the psychology that is the atheists religion promoting a twisted structure of excuses against what is right and in sympathy to what is wrong – in hostility to God's Word)

-Tony Suarez, author, speaker, and pastor; executive vice president of the National Hispanic Christian Leadership Conference (NHCLC) (editor's additional comments: the NHCLC's goal is to merge Billy Graham's gospel preaching with Martin Luther King's Jr.'s compassion for disadvantaged minorities; the president of the NHCLC is Samuel Rodriguez who was a member of Barack Obama's various Faith-based Partnerships and on the board of the National Association of Evangelicals; Suarez is a long-time admirer of Rod Parsley; Suarez regularly counsels with members of the White House staff and Congress in Washington; he has also spoken frequently with various media and magazines)

Here's another list with descriptions from the same day

Here is a World News Group article listing who says they will vote for Trump alongside various “evangelicals” who rightly criticized Trump for various reasons (excerpt from the article along with editor’s editorial comments)

Some prominent evangelicals who say they plan to vote for Trump:

-James Dobson, founder of Focus on the Family (editor’s additional comments: see Dobson’s profile in the first list above)

-Jerry Falwell Jr., president of Liberty University (editor’s additional comments: see Falwell’s profile in the first list above)

-Jim Garlow, pastor of Skyline Church in San Diego (editor’s additional comments: Garlow is former chairman of Renewing American Leadership and was appointed by Newt Gingrich; Garlow is a graduate of Princeton and Asbury Theological Seminaries, Southern Nazarene University, and Oklahoma Wesleyan University where Garlow also served as professor for two years; Garlow is a director for John Hagee’s Christians United for Israel (CUFI); Garlow’s newest associate pastors of interest at Skyline Church are Michele Bachmann and Dan Cummings – Cummings is Convening Pastor of “The Jefferson Gathering” in Washington D.C., doing a weekly service exclusively for members and staff of Congress, Cummings is a graduate of Baylor University and Criswell College – then in Aug 2017, Garlow announced Bachmann as their new outreach pastor to the United Nations plaza – Bachmann is on Trump’s religious advisory council; Garlow’s late wife Rosemary Schindler Garlow was grand-niece of Oskar Schindler and together Jim and Rosemary founded the Schindler’s Society; Rosemary also served on the board of the National Association of Evangelicals and had highly influential friends throughout Israeli government, Knesset, and IDF, which also allowed her to attend, for example, the Israeli Leadership Summit as the only non-Jew (because being “Christian”, you are not accepted as Jewish also); these connections also allowed Jim Garlow and Michele Bachmann to represent CUFI in an Interfaith Bible study organized by Orthodox Rabbi Yehudah Glick the day before the new U.S. Embassy opened in Jerusalem; Michele Bachmann used the occasion to “apologize” on behalf of Christian culpability for Hitler as well as apologizing for having recently suggesting that the difficult events in the world are from God to pressure Christians to convert people, even Jewish people; Jim Garlow also used the occasion to “apologize” on behalf of Christians; Jim Garlow is also founder of California’s Pastors Rapid Response Team on behalf of the Billy Graham Evangelical Association; Jim Garlow also attended the “evangelical leadership” celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Paula White, James Dobson, Franklin Graham, Tony Perkins, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James)

-Wayne Grudem, theologian, professor at Phoenix Seminary, co-founder of The Council on Biblical Manhood and Womanhood (editor’s additional comments: though Grudem is quoted by "Reformed" theologians, Mr. Grudem also promotes charismatic doctrines, and has a bit to say about it - proving that his "systematic theology" is not as Biblical as he says his point of view about "constant re-fillings of the Holy Spirit", the need to "pray to the Holy Spirit" (without reference to Jesus Christ), and that he prays sometimes in a "private prayer language", and that we should expect “modern day prophecies”; he deceptively defends John Wimber of the Vineyard Association of Churches and was an intern pastor for five years in a Vineyard Church while he attended Westminster Seminary; Grudem does criticize their hiring of women pastors; in 2016, Grudem served alongside Rick Warren of Saddleback “Church” as religious advisors to Roman Catholic Marco Rubio who affirms that he is “fully and doctrinally aligned with the Roman Catholic Church” – and Rick Warren is the leader who is working with James Robison to

reverse the Reformation movement against the Catholic “Church” corruption and threats; Grudem agrees with old-earth theories against God’s telling of Creation, old-earth theories always include some unscientific and unbiblical forms of evolution and death and evil before Adam and Eve in which case God could not have called His creation “good” at that time, which again attempts to make God’s account sound false)

-Harry Jackson, pastor, founder of High Impact Leadership Coalition (editor’s additional comments: see Jackson’s profile in the first list above)

-Robert Jeffress, pastor of First Baptist Church in Dallas (editor’s additional comments: see Jeffress’ profile in the first list above)

-John MacArthur, pastor of Grace Community Church in Sun Valley, Calif.; president of the Master’s University and Seminary (editor’s additional comments: we have written many articles on MacArthur’s masonic history and secret false teachings as well as who his friends really are – and so have many other writers and Christians; here are some of our articles, so you can go search what MacArthur is doing: www.incpu.org/MacArthur-adding-to-Jesus-Parable-Prodigal.htm

-Eric Metaxas, author, radio host, (editor’s additional comments: Metaxas is a graduate of Yale University during which time he was also editor of Yale Record – college humor magazine; Metaxas in his I Am Second video explains his gospel conversion based on a vision of him wanting to touch the eternal collective consciousness and instead touches a fish which to him symbolized Jesus Christ the Son of God our Savior and he accepted Jesus not based on repentance of sins but based on philosophy and human pride but he also expresses it as God just wanting to make a hope and a future as if salvation is universal and a person just needs to understand it for himself; Metaxas identifies closely with Dietrich Bonhoeffer throughout his life and wrote Bonhoeffer: Pastor, Martyr, Prophet, Spy; Bonhoeffer of course, is the German “pastor” who helped Billy Graham’s friend Reinhold Neibuhr to build the World Alliance for Promoting International Friendship which started the structure for the World Council of Churches, Lausanne Committee for World Evangelization, and some parts of the United Nations Non-Government Organizations participation in one-world government; Metaxas saw the primary obstacle in the Obama vs. Romney campaign as bullying against wealthy businesses like Bain Capital - Carlyle Group - Kohlberg, Kravis, Roberts and Co – Clear Channel - and clearly by that, supports John Birch Society, American Enterprise Institute, and Bilderberg Group interests; these groups are of course the moral support for the giant international corporations who are building the structure of one-world government; Metaxas also wrote The Man Who Rediscovered God and Changed the World which Metaxas announces to his Catholic friends as being decidedly pro-Catholic as verified by his friend Peter Kreeft Professor of philosophy at openly Jesuit Catholic Boston College as well as at formerly Campus Crusade operated The King’s College in New York City; in 2012, Metaxas was the keynote speaker for the satanic “Fellowship” President’s National Prayer Breakfast; Metaxas wrote Breakpoint commentaries for late “Fellowship” member Chuck Colson and after his passing joined John Stonestreet in carrying on the show; Metaxas has honorary degrees from Liberty University, and Colorado Christian University – the host of the Western Conservative Summit that John MacArthur and Metaxas both spoke at alongside Donald Trump, Sarah Palin, and Phil Robertson; Metaxas is founder and host of Socrates in the City:

Conversations on the Examined Life; Metaxas is a friend of Kirk Cameron and was scheduled to speak for Cameron's Revive Us 2 and to talk about Independence Hall – both were removed for some reason; Metaxas is also on the Advisory Board for Geneva School in Florida whose other members include Joel C. Hunter – former “pastor” of Northland Church who was “spiritual advisor” to Obama and involved in Doha, Qatar's partnership between Islam and “Christianity” called Chrislam – on which Trump is building with his recent agreements made with King Salman of Saudi Arabia in Doha, Qatar along with the kings and caliphates of more than 50 “Muslim” countries – this also went along with a \$110 Billion deal with Saudi Arabia to start to banish “radicals” from both countries, starting at the city and regional levels; in his book 7 Men and Their Secret to Greatness, Metaxas includes Pope John Paul II as one of the seven; Metaxas shamefully using children to reenact Paul Revere's Midnight Ride – a challenge Metaxas created – raising the level of rhetoric at a time when the conversation in the nation is already tense; another of Metaxas' latest venues is Jesus the Game Changer whose other contributors include John Ortberg – former board of Bill Hybels' Willow Creek, Miroslav Volf – founder and director of Center for Faith and Culture and distinguished professor of theology at Yale University; Mary Jo Sharp – director of Confidant Christianity Inc., Vishal Mangalwadi – author of The World of Gurus and assistant to the founder of the political Bahujan Samaj Party in India)

-Tony Perkins, president of Family Research Council (editor's additional comments: Perkins has been President of James Dobson co-founded FRC – which is a United Nations Non-Governmental Organization – for fifteen years, the longest of any of its presidents; Perkins has a Bachelor of Science and honorary Doctorate from Liberty University; Perkins served as general manager of the State Department's Antiterrorism Assistance Program while a Baton Rouge police officer; in 2012, Perkins hired Grand Chancellor of Knights of Malta – Catholic Jesuit - retired general Jerry Boykin who has a really high-level list of involvement with CIA and military; in 1996, Perkins made a \$82,600 purchase for mailings from David Duke of the KKK and lied to the Federal Election Commission to hide it and had to pay a fine afterward – this was when he was working for Woody Jenkins; Perkins later met with the openly racist Council of Conservative Citizens in 2001 which he also tried to hide; Perkins is also President of the Council for National Policy – other members or executive staff include(d) Tim Wildmon, Don Wildmon, Kellyanne Conway, Pat Robertson, Bob Reccord – executive director, Joseph Coors, Charmaine Yoest – Americans United for Life, Mat Staver – Liberty Counsel, Rich DeVos – Amway, Troy Newman – Operation Rescue, Rick Santorum, Jim DeMint – former president of Heritage Foundation, Josh Duggar, Jerry Falwell, Steve Forbes, and many others who partner with “conservative” secret societies with hidden agendas for war and power and greedy corporate gain toward “Christian” domionism/New World Order; Heritage Foundation and Council for National Policy were both founded by Paul Weyrich, Coors family, and friends; Don Wildmon; Perkins of course attended the “evangelical leadership” celebration with Donald Trump four days ago Aug 29, 2018 – preparing to capture the mid-term elections – the guest list included First Lady Melania, Darrell Scott, Paula White, Jerry Falwell Jr., James Dobson, Franklin Graham, Sam Brownback, Alveda King, Ralph Reed, Mike Pence, Ben Carson, Alex Azar – current Secretary of Heritage Foundation under Kay Coles James)

-Ralph Reed, chairman of Faith and Freedom Coalition (editor's additional comments: see Reed's profile in the first list above)

-Joel C. Rosenberg, author, founder of the Joshua Fund (editor's additional comments: after Rosenberg graduated from Syracuse University, he worked for Rush Limbaugh as director of research for The Limbaugh Letter around 1995; Limbaugh endorses his books and also calls him “our old buddy” even with the release of The Kremlin Conspiracy; in a 2015 interview with Ma'ariv – owned by Netanyahu semi-friend Sheldon Adelson since 2014 - Rosenberg says he served as an aid to Israeli Prime Minister

Benjamin Netanyahu, then for Steve Forbes – now chief editor of Forbes Magazine, for Burton Yale Pines – then senior vice-president of Heritage Foundation, and for Natan Sharansky and others through a political consulting business he ran until 2000, then he decided to write novels based on the stories and “history” and politics he learned from them; to us he seems to be a CIA/Mossad operative and Operation Mockingbird agent – he did work for Rush Limbaugh after all – to be able to have foreknowledge about 9/11 and Iraq War and who uses that insider information to make inflammatory prophecies about an imminent need for World War 3 to set up “Christian dominionism”/ the anti-christ’s New World Order – which is one-world government controlled by wealthy political and global corporate bosses in conjunction with one-world religion power of deception under the Pope; Rosenberg’s parents Len and Mary Rosenberg own Ministry Architecture Inc. which does construction for “evangelistic” ministry around the world – current projects – Youth With a Mission Ketchikan Conference Center and Apartments in Alaska, Degeance School and Church in Haiti, bathrooms and waste management for people in Kenya under supervision of Suba Environmental Education of Kenya, redesign and remodel a former Communist Youth Camp in Kamchatka, Russia for Youth With a Mission, and finally a Military Christian Chaplains Training Center for the “Christian” military in Uganda, as well as a Military Children’s Fellowship Center; one recent event where Rosenberg was raising funds for his parents “ministry was at Calvary Chapel South Denver in Littleton, CO, where Joel has been a guest speaker since at least 2006 and Joel’s parents and Joel are very close to the pastor Gino Geraci – whose life includes being a member of Chuck Smith’s Costa Mesa Calvary Chapel during the Jesus Movement in 1973, leading Skip Heitzig toward “Christ” which led to him becoming a “pastor”, chaplain for the FBI and Chino and Denver Police Departments and now chaplain for Arapaho County Sheriff’s Department – which had a role in both Columbine and Aurora shootings; in fact, Geraci’s “church” is about three blocks south of Columbine High School, and according to a 2003 article by Mike Matthews of Answers in Genesis detailing some of the interview between Ken Ham and Gino Geraci, he was among the first responders on April 20, 1999 from the Denver Police Department; then Geraci was among those invited by Franklin Graham after requesting permission from George W. Bush to bring a team of “pastors” to Ground Zero; and yet again at the Aurora shooting in the theater involving James Holmes, Geraci was awakened from sleep being asked to join and assist the FBI special agent in charge of the Evidence Recovery Team with the Aurora Police chief and Justice Department’s Mobile Command Center; Geraci has also conducted leadership and pastor’s conferences for the Billy Graham Evangelistic Association, the Samaritan’s Purse, and Gospel For Asia; in case it isn’t clear, you can’t have that level of connections that both Rosenberg and his friend Gino have unless you agree almost fully with everything that they are planning and doing – now here comes the crazy part that has a few too many twists to follow quite just yet, but our best understanding is as follows: Rosenberg is part of the secret Kabbalistic [not Jewish] and occult [not Christian] network with the satanic “Fellowship” of free-masons and Jesuits as evidenced by his many friendships in those networks, but his intent as best as we can tell, is to get both Christians and Jewish folks to discredit themselves by agreeing with his conclusions which would seemingly be a de facto verifying how he got to those conclusions seemingly making the Bible – both Old Testament and New Testament – look like a map for destruction of peoples used by war lords and imperial-minded dictators, then as the world keeps turning toward world peace and the suggestion is made and sort-of widely known throughout the world that these are the men who have run the bully machine for world power – by the plan of the Vatican powers under the Black Pope/ Jesuit secretary general – by made to look as though it were designed under a Jewish cabal – Rothschilds/Lenin/Marx/Soros/Kissinger/Breszinski/Peres/Netanyahu - for a New World Order are suggested to have done it with the assistance of the “pro-Israel” “Christians” Rockefeller/Grahams/Bush/Ford/Trump who also supposedly seek a world kingdom under the “messiah”, who is really the anti-christ – in case you are unclear about that – then the world will be told/taught to hate religion and especially “Christians” seeking world government and “Jews” seeking

world government or a headquarters in Jerusalem which would be the “throne” for said “kingdom”; in other words, Rosenberg is literally at this moment in the middle of his assigned task by the occultists and kabbalists and free-masons and Jesuits who run this machine under order to make us look evil under the future understanding when the tides turn even stronger in the world due to larger psy-ops and false flag operations and even wider hoaxes/rumors; if you support his program for Israel and America and the world, make no mistake about who you are supporting; in our opinion, there is no other way he could have written about a hijacked plane of Islamic terrorists crashing into an American city causing a war on Iraq over terrorism and weapons of mass-destruction – by Rosenberg’s own admission written almost entirely NINE MONTHS before it happened without a whole lot of inside information and that information certainly did not come from any text in the Scriptures – there are no such Scripture prophecies to sequence those thoughts without a whole lot of contorting and imagining cryptic meanings that contradict each other in other prophecies)

-Tim Wildmon, president of American Family Association (editor’s additional comments: son of Don Wildmon founder of AFA and also the Coalition for Better Television with Jerry Falwell Sr.; Wildmon and Bryan Fischer are known for searching for and listing organizations and people and books and shows that they want Christians to boycott; Tim Wildmon is a member of the Council for National Policy – other members or executive staff include(d) Don Wildmon, Kellyanne Conway, Pat Robertson, Bob Reccord – executive director, Joseph Coors, Charmaine Yoest – Americans United for Life, Mat Staver – Liberty Counsel, Tony Perkins – Family Research Council, Rich DeVos – Amway, Troy Newman – Operation Rescue, Rick Santorum, Jim DeMint – former president of Heritage Foundation, Josh Duggar, Jerry Falwell, Steve Forbes, and many others who partner with “conservative” secret societies with hidden agendas for war and power and greedy corporate gain toward “Christian” domionism/New World Order; Heritage Foundation and Council for National Policy were both founded by Paul Weyrich, Coors family, and friends; Don Wildmon)

-Charmaine Yoest, former president of Americans United for Life (editor’s additional comments: Yoest serves under the Trump Administration in the U.S. Department of Health and Human Services; her father was a speech writer for George Bush Sr. as well as analyst for Concerned Women for America; Yoest is a graduate of Wheaton College after which she served as Confidential Assistant in the Office of Presidential Personnel for President Reagan; Yoest has a Ph.D. in politics from University of Virginia; Yoest is a member of the Council for National Policy – other members or executive staff include(d) Don Wildmon, Kellyanne Conway, Pat Robertson, Bob Reccord – executive director, Joseph Coors, Charmaine Yoest – Americans United for Life, Mat Staver – Liberty Counsel, Tony Perkins – Family Research Council, Rich DeVos – Amway, Troy Newman – Operation Rescue, Rick Santorum, Jim DeMint – former president of Heritage Foundation, Josh Duggar, Jerry Falwell, Steve Forbes, and many others who partner with “conservative” secret societies with hidden agendas for war and power and greedy corporate gain toward “Christian” domionism/New World Order; Heritage Foundation and Council for National Policy were both founded by Paul Weyrich, Coors family, and friends

-Kirk Cameron; actor know best for his role in "Growing Pains" and Tim Lahaye's Left Behind and for the Way of the Master series with New Zealand evangelist Ray Comfort of Living Waters, and for movies Cameron produced such as Fireproof and Saving Christmas; there are several things that Kirk never repented of regarding his past in movies and TV, and in fact, seems proud of – such as "Growing Pains", and then there are newer lies and sin such as pretending that Santa should be our friend in celebrating pagan mythology; Cameron is named after Captain Kirk from Star Trek series; his mother Barbara Cameron was influential in the fake Hollywood "Christian" social network that was promoting and filming sinful "family-friendly" sit-coms; Kirk was involved in Growing Pains and his sister Candace was involved in Full House; Jack MacArthur and Henrietta Mears started that twisted social network that led to these psychological projects and Kirk Cameron was sent to build on that network that Billy Graham helped bring to prominence after they had commissioned him to preach on their behalf – specifically at Henrietta Mears' Forest Home; Barbara was also the talent specialist and friend of Adria Later who connected her with the pilot of "Full House" which was being produced by Lorimar Productions Inc.; Kirk Cameron's mentor and friend in the industry was the late Alan Thicke who among other roles was Dr. Seaver in Growing Pains and also hosted the Walt Disney World Very Merry Christmas Parade from 1983-1990, Mrs. Seaver was played by Joanne Kerns whose aunt Miriam Cooper played a prominent role in The Birth of a Nation which demeans black men and promotes the Ku Klux Klan as heroes; Cameron's introduction into movies came from Barbara Cameron's friend Fran Rich whose son Adam was in Eight is Enough also produced by Lorimar Productions; Irwin Molasky – cofounder of Lorimar also the IRS headquarters in Las Vegas, Paradise Palms, Social Security Administration in Las Vegas, the Las Vegas Country Club and a whole lot of other places in Las Vegas; Kirk Cameron graduated from Chatsworth High School after going through school on the set in Hollywood; Cameron is a poster-boy and spokesperson for "Christian" dominionism/New World Order as evidenced by his relationships across the spectrum of "Christian" celebrities; Hollywood "Christian" elite family; the Cameron family was already so powerful in the "Christian" part of the Hollywood community that they knew seventeen year

old Cameron would be a protégé of Billy Graham and his friends since Kirk was a boy – as evidenced by young Cameron being present with and in photos with Billy Graham when he received his Hollywood star in 1989; that same year 1989, Cameron at the heights of popularity, starred in a gross movie called Listen To Me about a debate group – filmed at Pepperdine University – at a fictional college who somehow go on to debate Roe v. Wade at the Supreme Court; Billy Graham has many connections in Hollywood through Jack MacArthur and Henrietta Mears who founded the free-mason evil network called the Hollywood Christian Group and through First Presbyterian Church of Hollywood and First Baptist Church of Hollywood whose pastor was director of the Hollywood Serviceman’s Center and early leader of Youth For Christ who also supported Billy Graham’s 1949 Christ For Greater Los Angeles campaign; George Beverly Shea was staff at Moody Bible Institute and met Billy Graham in 1940 through Youth For Christ when he was Pastor of Village Church in Western Springs Illinois – while Jack MacArthur was a travelling field evangelist for Moody Bible Institute for some amount of time between 1937-1943; also life-long friends and partners George M. You just read a long list of evil deeds. Those people don't believe God's Word, and didn't want to understand God's Word. Jesus explained this loss of truth in Matthew 13:19 "When anyone hears the word of the kingdom, and does not seek to understand it, then the wicked one comes and snatches away what was sown in his heart. This is he who received seed by the wayside [path]." Their evil partnerships with the devil is proof that they don't believe in Heaven and Hell; they don't honor and worship Jesus. That is the big leaders of all denominations and many leaders of big churches. When a pastor or politician tells you of their secret deeds, it is time we believe their answers – that they hate the truth and reject Jesus. They deny God's right to rule in their life; by their works they deny Him. Titus 1:16 Do you think you can rescue Judas Iscariot and get God to save him? No! Those religious leaders are like Judas; they have rejected Jesus so harshly that there is no remedy for them except God's power reserves the ungodly for the Day of Judgment. Hebrews 10:27 2 Peter 2:3-9 2 Timothy 3:1-9

It is time for Christians to walk away from those apostates. As Matthew 18 describes, we should treat them as an unbeliever. You can start a home Bible study or home church. Sing a few hymns and read the Bible. Don't sign any 501(C)3 papers with the devil. The bankers have no right to tell you what you can't teach from God's Word.
