Hello brothers and sisters in Christ, this is an INCPU News exclusive - sadly we aren't seeing any other news outlet (even alternative) posting this info. But Trump has enough Jesuit markings to be caught now. Though it isn't final proof that he's a Jesuit (which only he and a few would know anyway), it is proof of both Jesuit-training and Jesuit-cooperation.

The question keeps being asked - is #Trump a #Jesuit. Or is it just "heresy" because he went to #Georgetown? (Donald didn't go to Georgetown..., so why is the press pushing that?)... nope, the issue isn't just a college education with Jesuit training - the issue is far more evident and far worse than the deceptive Vatican-run press pretends as they try to gloss it over.

## **Here's what we do know:**

Trump a Jesuit - here's the evidence we know so far

Now realize that 95% of the Jesuit leaders who hide around us in government and advisory and religious positions will never admit they are Jesuits because they are sworn to secrecy by a very vile and graphic blood oath to the devil. So, they won't admit it - you have to catch them at it. So, none of us have "proof", only he does. But we can show you what we're looking at and why we're concerned and convinced.

## **> (all Jesuit education)**

\* Donald Trump Sr - Fordham 2 years, then Wharton School (Notice that Donald Trump Sr. didn't seem to go to Georgetown... or if he did, he's hiding it well, but he does have quite a few Georgetown grads among his cabinet)

\* Donald Trump Jr - Wharton School

\* Ivanka Trump/Kushner - Georgetown 2 years, then Wharton School of Finance

\* Eric Trump - Georgetown University

\* Tiffany Trump - Georgetown

> Trump was literally picked at a Jesuit gathering which included his good friends the Clintons, and was picked by the Jesuit high "priest" there during a "prayer". This was a hat-tip that told everyone who was paying attention that they Jesuit network had picked Donald Trump and was pretending God did it.

Those are the facts we do know. From here, we'll need to keep working together to catch him serving the Vatican and doing the evil that a Jesuit would teach and do, which he is - including his cover-ups of sexual scandals, and trying to for all "Christians" and all religions to unite with Rome... things like that.
