

Joel Hunter: Uniting the world's churches with a false gospel Part 3

First note: Isaac hunter is said to have died of 'apparent suicide' and 'according to Northland'... but where is the funeral info? Where is the obituary? Where is his death certificate? Was his death faked with good media coverup?

Key questions still unanswered:

- Did Isaac really commit suicide?
- Or was he maybe murdered, and 'suicide' covered that up?
- Or did he disappear and fake his death (with help from his Dad)?
- See the next quotes to see why we're asking the question.

Isaac is noted as dead by several newspapers, several of which quote Northland or an email - no one references a death certificate or a funeral or obituary. Isaac was also honored at a 'memorial' held at Northland, but why can't we find any articles on the obituary or funeral or death certificate? Is Isaac dead or not? If not, where is he?

Isaac Hunter, 36 and father of three, had resigned from his own megachurch after he admitted that he had engaged in an affair with a staff member. His wife of 13 years had filed a domestic-violence petition against Hunter, describing him as unstable,

erratic and suicidal, according to the Orlando Sentinel..."

- *"Thousands of the faithful gathered to sing, cry and laugh – but most of all to remember a man not for how his life ended, but his impact on others while he lived. Saturday, thousands of supporters gathered for a special service to remember megachurch founder Isaac Hunter, 36, for his magnetic way of connecting with people and gift of delivering powerful spiritual messages."*

Joel Hunter is known to lie on many things, so if he lied to keep his false gospel movement going, it would just be another lie. Many here in Orlando are aware of his many lies and coverups.

Joel Hunter teaches that Jewish people can get to Heaven outside of Jesus (and implying that many of other false religions can too), because Jesus died, so that supposedly saves them, so long as they seek God. Here's his words: "" - Joel's a slick liar and false teacher

Joel Hunter believes that people can stay in the homosexual lifestyle and go to Heaven

Joel Hunter believes that people can wander from their false 'gods' to slide into following the right God - study the Word and you see that he's contradicting Jesus' own words in Matthew 7:13-14, 21-23 - false gospel, as usual with Joel

Joel Hunter says you can be apart of yoga, so long as you don't listen or take in the philosophy. He contradicts himself though, because he describes a jealous God, but says that people can't be part of eastern religion, while at the same time saying in another video that all paths lead to the real God. Which is it Joel? -

Joel Hunter says that it doesn't matter if people are cremated when they die - but, God's Word notes that He intentionally burned the most evil of people... it matters to God, but not to Joel
