Large groups of suicide terrorists, newly and specially trained by AlQaeda and the Taliban, have been sent to the US and England for terror attacks in the near future according to the report [ABC News Exclusive: Suicide Bomb Teams Sent to US](#). ABC News has further reported that the National Intelligence Estimate and Homeland Security Department (DHS) documents reveal AlQaeda is preparing a “spectacular terror attack” in the US this summer. See [Secret Document: U.S. Fears Terror 'Spectacular' Planned](#).

Robert Mueller

It is clear that US authorities have publicly stated and believe that [Al-Qaeda is renewing efforts to sneak terror plotters into US](#):

“Al Qaeda is stepping up its efforts to sneak terror operatives into the United States and has acquired most of the capabilities it needs to strike here, according to a new U.S. intelligence assessment, the Associated Press has learned.”

FBI and US intelligence officials have told the national news media that AlQaeda is bringing Iraqi insurgents to attack inside the US. The FBI also has now said it is investigating Iraqis being smuggled into the US from Mexico for over a year. See [Al-Qaida likely to \[Use Iraqi Contacts\] to attack \[in the\] US, intel says](#) and [FBI: Iraqis Being Smuggled Across the Rio Grande](#).

Given the latest intelligence reports of Iraqi insurgents being smuggled in for AlQaeda attacks in the US, there is a significant possibility that the spectacular attacks planned for this summer or within 90 days could be done not only by AlQaeda and Taliban terrorists but also by or with the assistance of Iraqi insurgents coming across US borders and by or with the assistance of Iraqi terrorists already in the US. The FBI has said there are Iraqi terrorists sleepers already here who came to the US after the first Gulf War.

So why aren't Bush and Chertoff enforcing the borders against illegal aliens that include AlQaeda and Taliban suicide terrorists and Iraqi insurgents that AlQaeda says they want to use to attack the US?

So why is Bush persecuting US Border patrol agents who do their job to protect our borders?

So why is Bush trying to lure US Border Patrol agents to Iraq by offering them more money to go to Iraq rather than police US borders against Iraqis, AlQaeda and Taliban being smuggled in to the US?

So why has Bush already halving and then eliminating by 2008 the numbers of National Guard troops sent to protect the US border with Mexico? See [Guard numbers on border to be halved \[end entirely by Sept. 2008\]](#)

Bush's and Chertoff's inaction and their diminishing US border protection capabilities against these most recent credible and known threats from AlQaeda and Taliban terrorists and Iraqis insurgents is further indication that Bush is intentionally not adequately protecting the US and instead is allowing the potential for terrorism to blackmail US citizens for more police state powers and to advance world government and the NAU. For more evidence of this and a more in depth discussion of the reasons why see [Using Terrorists To Establish World Government](#) and [Chertoff Created Terror Pretexts For U.S. Police State](#)

Amazingly, Bush and Chertoff and Robert Mueller have not moved against AlQaeda members in the US because they have publicly claimed there is no evidence of AlQaeda cells in the US. However, this is seriously brought into question by public statements of a US General and the former IG of DHS. See [US General: Al-Qaida Making New Cells in US](#) [Contradicts What White House, DHS, FBI Say].

Last year the IG of DHS, Clark Kent Irvine said that the Director of the FBI, Robert Mueller, refused to move against 1000 known AlQaeda agents in the U.S. on a list provided by the CIA because Mueller claimed they had not yet committed terrorist acts. Irvine was quoted in the article [London plot not Osama's encore; PREPARING BIGGER STRIKE IN U.S.](#) Mueller's reason for inaction rings hollow because he and the FBI know these AlQaeda sleepers could commit terror acts and can (and should be) legally be taken off the streets now because they are already committing crimes such as drug trafficking, tax evasion money laundering raising, money for terror organizations (in the Patriot Act) and using property and insurance scams.

The article [FBI: Iraqis Being Smuggled Across the Rio Grande](#) also reported: "This May, the Bush administration pledged to resettle 7,000 Iraqi refugees here by the end of the year."

What guarantee do we have that these Iraqis brought to the US by GW Bush will be adequately screened in case some are terrorists? The last large number (4000) of Iraqis brought to the US by HW Bush and Clinton after the 1991 Gulf War were not adequately screened by former CIA director James Woolsey and these Iraqis committed rapes, murders and robberies. As late as 2005 the FBI told the national media that Iraqi terror sleepers were already in the US and included Iraqis brought to Oklahoma City (OKC) and to the US after the first Gulf War in 1991.

Some of these Iraqis were part of a terror super cell still in OKC known to the FBI. **The OKC cell is a super cell because its members also include members of terror organizations Hamas, AlQaeda, AlFuqra, and AlFatah who, along with Iraqis, can still assist in future AlQaeda attacks.** The active terror super cell still in OKC was set up in the late 1980s by Iraq and Dr. Ihsan Barbouti and the Muslim Brotherhood with the knowledge of the FBI and CIA at a

time when Robert Gates and the CIA were involved in transferring US WMD technologies and materials to Iraq and Iran. One of these Iraqis, Al Hussain Hussaini, helped McVeigh in the OKC bombing. For more on the OKC super cell criminal enterprise and terror network in Oklahoma see chapters in the book **The Oklahoma City Bombing Case Revelations** ([PDF version](#) or [HTML Version](#)) and articles at the book website, OKC903.com.

The FBI under Robert Mueller and Bush have refused to move against this OKC super cell even when FBI agents have been presented solid evidence and documents by an attorney and others associated with the intelligence community.

Bush and FBI deliberate inaction against Iraqi, Hamas, AlQaeda and AlFuqra terrorists in the OKC super cell and Iraqis already in the US from the first Gulf War and currently being brought to the U.S. is another indication that Bush is intentionally not adequately protecting the US from the most recent credible and known threats of AlQaeda plans to use Iraqis for attacks in the US. Instead Bush is allowing the existence of the OKC super cell and Iraqis already in the US to blackmail US citizens for more police state powers and to advance world government and the NAU.

In the article [American Islamic Groups Named by US Prosecutors in Plot To Fund Hamas Terrorists](#) (also [found here](#)), Holy Land Foundation (HLF), the Council on Arab Islamic Relations (CAIR) and the North American Islamic Trust (NAIT) were identified as three unindicted co-conspirators in a current federal trial in Dallas involving illegal funding of Hamas terror activities. The Director of CAIR, Nihad Awad, is on trial with other HLF defendants and has been directly connected by FBI testimony as working for Hamas terrorists and Sami Al Arian while also meeting GW Bush when Bush was governor of Texas. See [Holy Land Foundation Trial: CAIR director attended Hamas Terror meeting](#).

CAIR officials have refused to condemn Hamas by name after Hamas carries out bombing attacks. Yet, according to this article, [Muslim sensitivity training for 45,000 airport workers](#):

“Washington-based CAIR also has regular meetings with the FBI and Justice Department. In fact, FBI case agents complain the bureau rarely can make a move in the Muslim community without first consulting with CAIR, which sits on its advisory board. CAIR in the past has cried racism and bigotry when the bureau has moved unilaterally with investigations and raids in the community..... CAIR has conducted ‘sensitivity’ and cultural training with federal agencies such as Immigration and Customs Enforcement (ICE under DHS) and with the military.”

Robert Mueller, Condi Rice, and Michael Chertoff are pro Saudi Wahhabism Islamophiles who protect and use CAIR for GW Bush activities to help promote and establish world government and to blackmail the American people with the potential of terrorism into accepting police state powers

NAIT is funded by Saudi Wahhabists and its Director Mujeeb Cheema lives in Tulsa Oklahoma. Members of the CIA and National Security council who were close associates and assistants of HW Bush set up Cheema in business in Tulsa. See [Pakistani Muslim Leader](#)

[Identified by OKC Bombing](#) Informant Has Backing of Investors Connected to NSC, CIA, Bush, Lenzner, Iran Contra, Mujahidin, BCCI, U.S. WMD Transfers to Iraq.

Bush family attorneys, Akin and Gump, ran the escrow account for HLF. Wealthy Saudi billionaire banker, Khalid Mahfouz, was a HLF board member and financed the Bushes in Arbusto and Harken energy. Even though MSNBC has reported that [Khalid Mahfouz Continues AlQaeda & Hamas Funding for Saudis](#), Mahfouz has aggressively used British lawsuits to sue US book authors Rachel Erhenfeld (Funding Evil) and Robert Collins and J. Millard Burr (Alms for Jihad) who have written about Mahfouz ties to Hamas and Muslim terror funding. Mahfouz protestations of innocence in England's liberal courts are seriously brought into question by a September 13, 2001 report by France's foreign intelligence agency, revealing that Bin Mahfouz was known to be one of the architects of a banking scheme constructed for the benefit of AlQaeda's Osama bin Laden. The report also claims that both U.S. and British intelligence services had knowledge of this. See [Legal Terror: Bush Backer MAHFOUZ Sues to Destroy Two Books Exposing Muslim Terror Funding](#).

Despite this information, Bush and the DOJ have protected Akin and Gump along with Khalid Mahfouz and kept them from being indicted and prosecuted in the HLF case. The connections of the Bushes to the involvement of Mahfouz, Nahwad, Cheema, AlArian, CAIR, and NAIT in the HLF terror funding case for AlQaeda and Hamas terrorists is another indication that GW Bush is allowing terrorism activities to blackmail US citizens for more police state powers and to advance world government and the NAU.

One of the members of HLF, an Oklahoma doctor, Ahmed Agha from Ponca City, is also named on the federal government's list of unindicted co-conspirators for the HLF case.

Dr. Agha's involvement with HLF is a potentially significant development given the recent connection of US Muslim doctors to the AlQaeda orchestrated London and Glasgow fire bombings. Some of these American doctors are believed to be helping AlQaeda plan and carry out attacks in the US. See [UK al Qaeda \[doctors\] bomb plot investigation extends to Toledo, Ohio](#). Also [AlQaeda is infiltrating America as medical patients](#). Since HLF supported Hamas and since Hamas has strong ties to AlQaeda, there is the possibility that Dr. Agha could help these Muslim US doctors and/or patients wanting to carry out an AlQaeda attack in the US.

Another former Oklahoman, Mufid Abdulqadir, is also on trial in Dallas for the HLF case as a top HLF and Hamas fundraiser. Abdulqadir worked at the Oklahoma Department of Transportation at the time and has been linked to members of the OKC terror super cell. NAIT, Mujeeb Cheema, Hamas and HLF members such as Dr. Agha are also believed to have ties to members of the OKC terror super cell. Last year, the FBI was notified in person and by memo by an attorney of concerns of Dr. Agha's and Abdulqadir's involvement in HLF and possibly with the OKC super cell. An FBI investigation was thwarted when FBI Director Robert Mueller reassigned FBI agents who had been looking into the matter with the attorney.

The protection of the OKC super cell and the intentional avoidance of an investigation Dr. Agha's ties to potential terrorist doctors/patients and to HLF terror funding is another indication

that GW Bush is allowing the potential for terrorism to blackmail US citizens for more police state powers and to advance world government and the NAU.

Patrick Briley is a Navy Viet Nam era veteran who served on a Polaris ballistic missile nuclear submarine patrol in the Pacific. His Polaris submarine patrol in far East Asia near China was historically significant and exceptionally dangerous.

His Naval service was from 1968 to 1976 during the Viet Nam era. He was a battalion commander of his Naval ROTC unit and a Midshipman on board the ballistic missile submarine, SSBN 624, the Woodrow Wilson. He was chosen to serve under Admiral Rickover as a project engineer at Naval Reactors near Washington DC. Patrick Briley started research and investigation into terrorist attacks after the Oklahoma City bombing.

He submitted his findings concerning the OKC bombing and the 9-11 attacks in briefings to high-level staff for the Senate Judiciary and Senate and House Intelligence committees, House Speaker Dennis Hastert, and the 9-11 Commission.
