International News and Christian Prayer Update ~ 05-29-2010

Subject: 75,000+ clergy - Together for the FEMA gospel?

Hello fellow prayer partners and pastors, and friends,

Thank you for being a fellow prayer partner and preacher of righteousness! God bless you, as you keep growing closer to Him! We are sure that you have noticed that our country has two types of ministers - some of them love and worship Jesus Christ, but some just love the things of this world. We need to bless our nation's faithful pastors and Bible teachers, and we all need to keep asking God to raise up more of them. Thank you again for your part in that.

This report will be mostly about the fake Pastors and how the New World Order leaders have been finding them and recruiting them to become a branch of the NWO while FEMA is training them. The titles and initial concepts of the training classes sound okay, but the material is "**doctrines of demons**" (1st Timothy 4:1-2). God will reward His faithful Pastors, but God will punish those who turn away from His real truth. This report has many links that you can click on and do your own research, so you can keep yourself informed about who they are and what they are doing. This report should be another favorite for those who love this country that God gave us. Before we get to that, we want to talk about the honorable settlers in Israel.

Israel, Oil Pipelines and How We Can Help:

For more than a century, God has been migrating Jews back to their Homeland. If you analyze the world politics' side of this subject, it sounds about as bazaar as when Herod rebuilt the last Temple about 2,000 years ago. But God's hand is drawing the Jews back and they go by faith, they move their wife and kids to the land God promised to them with an everlasting covenant. Do you have a title deed to a property, or maybe the house you live in or maybe the car that you drive? The Jewish people have a far-superior title deed to Judea, Samaria, and Jerusalem, with millions of printed copies in existence today. Every Bible has a copy of their Title Deed to their land. The Title Deed is in God's Word. Here are just a few of the verses in which God explains His covenant everlasting covenant with Abraham's descendants -

"I will make you a great nation; I will bless you and make your name great; and you shall be a blessing. I will bless those who bless you, and I will curse him who curses you; and in you all the families of the earth shall be blessed." (Genesis 12:1-3)

God said to Abraham: **“And I will establish my covenant between Me and you and your offspring after you, throughout their generations for an everlasting covenant, to be God to you and to your offspring after you.”** (Genesis 17:7)

“For behold, in those days and at that time, when I restore the fortunes of Judah and Jerusalem, I will gather all the nations and bring them down to the Valley of Jehoshaphat. And I will enter into judgment with them there, on behalf of My people and My heritage Israel, because they have scattered them among the nations and have divided up My land...” (Joel 3:1, 2)

“Therefore, behold, the days are coming, declares the Lord, when it shall no longer be said, ‘As the Lord lives who brought up the people of Israel out of the land of Egypt,’ but ‘As the Lord lives who brought up the people of Israel out of the north country and out of all the countries where He had driven them.’ For I will bring them back to their own land, that I gave to their fathers.”
(Jeremiah 16:14, 15,)

“And I will bring again the captivity of my people of Israel, and they shall build the waste cities, and inhabit them... And I will plant Israel in their own land, never again to be uprooted from the land I have given them.” (Amos 9:15)

Would you like to have more of God's blessings on you? That is easy – find ways to bless Israel. God is raising up Israel to fulfill His promises. First – it is important to notice the difference between honorable Jewish people like those families living in dangerous Promised Land areas, as compared to some of the evil and corrupt Jewish international leaders that are willing to destroy anything if they can make some money off the deal. My family is not Jewish, but we are learning to identify and oppose those corrupt and apostate Jews. If you think about it, there are corrupt leaders using many different sheep costumes. Some are Jewish, some call themselves Christians, while others use the guise of charities and helping the world. God doesn't give anyone permission to be a criminal, and if no one cares enough to stop the criminals, then we all take the losses until honorable citizens care enough to stand up for what is right.

One question we have to really ask ourselves is: What kind of person would be brazen enough to do anything against those Israelites? There are several groups of money-lovers and God-haters that are hurting those settlers. One group is the oil industry – especially Standard Oil, BP, and Bechtel, they are huge international military/gov't contractor companies. All three of them want to restore the oil pipeline from Iraq to the European Union (by way of the Mediterranean Sea)*, across the Golan Heights in Israel (one of Israel's most strategic geographical regions). You probably know that last week, George Mitchell was in Israel pressing Israel to give up more of their land. There are many more names of people that we can always assume are doing more evil to Israel for oil money. The names of those included in these schemes include: Jimmy Carter, Bill and Hillary Clinton, Henry Kissinger, Condi Rice, Susan Rice, Karen Hughes, James Jones, William Frasier, George Schultz, James Baker, the Rockefeller's the Bechtel family, and the Bush family and many more. The Iraq war was about oil pipelines and oil deals. After the invasion of Iraq, George W. Bush built 3 military bases along the Kirkuk-Haifa pipeline. The whole Iraq war was for the oil companies and military contractors, and that is probably illegal !!! You need to know that these people have global level partners for those pipelines who are working together from Britain, Germany, France, Spain, Italy and Saudi Arabia. Yes, our friends: it's that bad.

* (<http://www.rense.com/politics6/golans.htm>)

So, what does that problem have to do with the average American? Simple – those of us who voted for any of the following: Jimmy Carter, G.H. Bush, Clinton, G.W. Bush, or Obama, carry some

responsibility. Many of us have fallen for their lies and gone with their version of 'foreign policy', but all of that is LIES! The truth is, they are after one thing - oil money.

So, what can we do? First, we need to become educated ourselves on what is really going on behind the scenes in Israel. Secondly, we need to decide to care for the honorable Jewish people that the international banksters are trying to destroy. Thirdly, we need to bless Israel, and make it a priority in our lives - because dividing the land of Israel is equal to cursing them, and that brings a curse from God on those who support the evil. And, fourthly, we all need to seek out and support ministries that are helping the honorable people in Israel and not working with the greedy businessmen in Israel's government. The honorable people in Israel cannot wait any longer - they need our help. Will you join us in praying for them and defending them? I hope and pray you will. We all need to watch out for nice-sounding, smooth-talking enemies like: Hagee, Robertson, Sekulow, Eckstein, Rosenberg, Richardson, Klein, Mitchell, Netanyahu, and more - they are not Israel's friends. The people listed above care more about money and don't sincerely care about Israel. But Israel needs our help, for this is the time of the Gentiles, so they are at our mercy. We need to work to stop the greedy-banksters from succeeding in slandering, trampling, and destroying the honorable in Israel!

Another important note: there is no value in going to war with Iran, or Korea, or Russia, or Mexico, or Yemen etc. But the military contractors and big corporations plan to make a lot of money if we go to war. 'We, the People', must say 'No' to their war 'ideas'. Iran is a puppet - they only have the weapons that the bankers give them. Iran is not a serious threat to Israel or anyone else for that matter - only a propaganda and psychological tool. War is a tool of chaos and a door for martial law and military dominance in the US and that country. The big money types hire and train people they use as terrorists or extremists- please research the subject of CIA training. There are many reports proving that the so called 'terrorists' are government plants and trainees. (If that is new info to you, search out the documents - the evidence is truly eye-opening.) The so-called 'extremists' are not the problem. The global banksters like the Rockefellers, the Rothschilds, the Bush family, the Saudi royals are the problem, because they are some of the main drivers behind the scenes. Also, we need to remember that in James 4, God described the motive for war: **"Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet you do not have because you do not ask. You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God."** ~ James 4:1-4.~ There are many lies from the 'mainstream press', including Fox 'news'.

Please note, standing with the honorable in Israel and against the criminals behind the scenes in Israel and in the US is not popular and will come with extra frustrations. I ask you to think about just one question - What will you say when you stand before God one day and He asks you why you didn't honor His Word in Genesis 12:2-3 "For thus says the LORD of hosts: **"He sent Me after glory, to the nations which plunder you [Israel]; for he who touches you touches the apple of His eye... 'Sing and rejoice, O daughter of Zion! For behold, I am coming and I will dwell in your midst,' says the LORD... And the LORD will take possession of Judah as His inheritance in the Holy Land, and will again choose Jerusalem."** Dividing the land of Israel is cursing them and making war with God, for the land was part of his everlasting covenant. We must stand up to those who are dividing the land of Israel.

If any of this is new info to you, please don't dismiss it. It's always easier to dismiss things that make us uncomfortable. Instead, please ask God to show you the truth and search for honest reports. Also, if you have any questions - you can always message me. We've been actively studying this since before 2000 and have been reporting on these types of things since 2005. There is a lot going on, but when righteous men and women stand up, speak up, exposing evil and bringing rightful justice on it, God will turn the tide for our country. This is the time to stand up and speak up - proclaiming His Word,

exposing evil and letting go of fiction/fantasy, and calling all men and women to repentance. ~ That is what is needed for true revival in our country. So, I leave you with a request, please find ways to bless any honorable Jews that you know. Our family sends money to 'Bridges for Peace' because we like what they do.

False Teacher Update

It is important from time to time to remember and clearly identify the difference between those who are diligent students/teachers of God's Word, and those who are not -- those who are faithful under-shepherds under Jesus, as compared to those who are ravenous wolves in

sheep's clothing, destroying the flock and feeding themselves. Part of the reason we need to review this is because there are 75,000 so called 'clergy' in churches across the US who are parading around as Bible teachers and 'pastors', but who are really working with Satan's up-and-coming New World Order and One-World-Religion, including FEMA's 'Clergy Response Team'. We haven't yet seen a list of them, but we keep looking. Below are several videos to help us all identify them, and expose them. You will probably recognize some of these names because some of them are big names, and your first reaction might be 'No, it can't be true.' But we all need to know what those people have been doing in secret and quit endorsing them. The subject of Romans 13 comes out in several of those videos because the FEMA people are trying to quote the Bible to advance their agenda. You need to decide if Romans 13 teaches you to obey the 'Constitution' that God gave our fathers or if Romans 13 is telling you to support the NWO. We are sure that God gave our fathers the 'Constitution as His answer to many prater times.

[The Lausanne Covenant](#) – (The history and false doctrine exposed)

Billy Graham became widely known when he conducted a revival in downtown Los Angeles in 1949. *"One of the best-known Christian evangelists of the 20th century, Billy Graham gained world attention in 1949 with a tent revival in downtown Los Angeles that was scheduled for three weeks and lasted six... Graham consulted and prayed with every U.S. president from Harry Truman to Barack Obama..."*

<http://www.answers.com/topic/billy-graham>

Billy also founded the un-Biblical and ecumenical council called the 'Lausanne Council' in 1974.

The third Lausanne Council is to be held in Cape Town, South Africa, 16-25 October 2010.

"Dr. Billy Graham, serving as the honorary chairman of the congress, urged everyone in the audience to go from Lausanne and "do the work of an evangelist." He called for rededication and total commitment to the task ahead. In 1975, the U.S. Lausanne Committee formed as a part of the International Lausanne Movement..." ~ <http://www.seekgod.ca/lcje.htm>

FEMA Training for 75,000 clergy:

Editor's analysis: The following links are about the training our government is giving clergy in the US. This is a MAJOR subject that 'We the People' need to be concerned about, because back just a few years ago, roughly 75,000 'clergy' were trained to betray the US Constitution and manipulate the US public. Now, several years later, this number has likely grown. Please look at the info below and share it with your friends. Thank you! ~

Below is a link to the website of the International Critical Incident Stress Foundation, which is training various people including religious leaders to be government representatives to keep peace and enforce government rules in time of crisis.

www.icisf.org

It's no great surprise to see false teachers and religious leaders training for leadership in psychology and counseling for crisis events, since they already do that on a regular basis in their churches. However, it's yet another step toward assisting the government in population control through supposed figures of authority. It seems religion and government are working together quite well when working against the population by setting up a one-world government and one-world religion.

This information is very disappointing to those of us who used to think that Billy Graham was a good preacher. Editor's comments: So, with that brief review on how to identify the trained deceivers among the US 'clergy', let's look at some clear false teachers, who are likely on that list or are playing into the hand of the global Elitists. We hope this may help you identify any near you, and we are hoping that if anyone finds the list of the FEMA-trained pastors, that they will share it with us so we can share it with those who care about our country. Thanks for prayers on this and for joining us in working to expose the wolves among the under-shepherds of Jesus Christ! --

Uth came as Henry's co-pastor in May 2005, and Henry retired in March 2006...'

- ***More on David Uth:*** Also, David Uth has worked with John Ashcroft, including hosting a luncheon for Ashcroft to speak to Orlando Christian businessmen. What would Ashcroft be saying to a group of businessmen? I don't know, but it is a fair question that needs an answer, and hopefully that tape will come out for public examination someday... Back to David Uth - If he really believes the Bible, why would he invite Ashcroft? Ashcroft is the one who promoted - no, *hammered* forward the un-Constitutional 'Patriot Act' that tries to get rid of 'Posse Comitatus' (which protects US citizens from those in government positions using US soldiers against them) and the 'Patriot Act' allows US citizens to be wrongfully labeled as 'terrorists' and lose all Constitutional freedoms. And all the while, he sold it to 'We the People' as patriotic, saving us from the extremists, and a variety of other war on "terror" lies - It was ALL LIES! ~ So, again, back to the question(s), why does David Uth work with this man? John Piper

- John Piper - has joined the one-world church movement. Why is he working with false-teacher, CIA/CFR-trained Rick Warren and saying his theology is “*sound*”? This new stunt from John Piper has shown how false he is, not how truthful Warren is. Please, let’s all learn from this - it’s not who man commends, but whom God commends. Piper has a long history of diluting down key passages in God’s Word, overlooking the idolatry and love of worldly entertainment in individual lives. Yes - Piper knows some religious words, but he is a false teacher. And we find it quite interesting that he is taking a ‘sabbatical’. Why? What scandals is he running from? What training is he getting during his sabbatical? Why does he imply that he is stopping all of his planned events, when he still has at least 7 speaking engagements, at least 3 of them outside the US? How many other ‘engagements’ is he hiding? And I guess we should also ask: what else is he hiding? --

Liberty University

- Liberty University is clearly caught working with TBN, proving how far they have slipped. As many diligent Bible students noted, Jerry Falwell was moving further from clear teaching of God’s Word in his last years, and so was the university he founded. It was especially evident when we saw Falwell lead the Christians in America to vote for GW Bush in 2004, despite the fact that Bush was actively working to destroy Israel and take their land and give it to Muslims, and the Bush family was celebrating Ramadan - the Muslim unholy day, each year (all 8 years in office). And it was also clear that Falwell didn’t do much of anything to pressure Bush to keep his campaign ‘promise’ to move the US embassy in Tel Aviv, Israel to Jerusalem - Israel’s capital (which Bush delayed every 6 months for all 8 years he was in office.) Also, we have noted Falwell’s love of this world, the culture’s idolatry, and the evil entertainment that God tells us to come out from and leave behind - but Falwell didn’t. So now, for those of us who have kept up with those events and patterns, it’s not really much of a surprise at all to see the university he founded, now run by his son(s), going downhill even more - working with the show-time religious, false teachers at TBN (Trinity Broadcasting Network).

In addition to this now, Liberty invited Glenn Beck to speak there. One person said he’s a Mormon. I don’t know if he is or not, but it wouldn’t surprise me. As for Glenn, we already reported that he sold his talents to the CIA ‘Operation Mockingbird’ in 2007, for \$50 Million. The Falwell’s have been working to find ‘harmony’ with Muslims, and now have brought on one of the Operation Mockingbird’s finest for graduation

'inspiration'. Sad days for our nation... But, I'm praying that God will use this to also wake up many to how far Liberty has drifted from teaching the whole counsel of Word of God and the fear of the Lord.

As with all information, double-check it – outside the 'mainstream news', and, of course, you can always use the 'mainstream news' to backhandedly confirm whose among the 'elite news' and who isn't – if they associate with it, it's probably bad; if they don't associate with it, then there's a fair chance it's helpful.

Regent University

- For years, Regent University has been known for training effective law students who will uphold the Constitution and present proper legal cases against the erosion of the liberties established for the 'We the People' in the US Constitution. Sadly, Regent University is no longer training men and women to be Constitution-loving citizens, and honorable lawyers. Why do I say this? Look who's one of their law professors: John Ashcroft.

[Some Dare Call It Treason: Wake Up America!](#) – written by a retired US Air Force officer

[CJ Mahaney - Leader of the 'Sovereign Grace Movement'](#)

- CJ Mahaney is being caught and exposed for his hypocrisy and corruption. One example: a leader of a 'church' here in central Florida has been the leader of a growing group for many years. In the last several years, his son who was the youth 'pastor' at the time was inappropriately involved with 4 young women (while married). Errors to note: 1) The local leadership should have removed the senior pastor and his family immediately from all leadership positions. 2) If the local leadership did not do this, then the 'Sovereign Grace' leadership should have put pressure on the removal of this 'leader' and his son, since the local leadership did not remove him, because he's too well-liked as a person. Surprisingly neither of these steps happened. Instead, it got worse. 3) The 'church' was also becoming more like the demonic liar and charismatic leader, Todd Bentley, without 'going too far'. They were also speaking first-person for God - which is blasphemy, except when quoting Scripture directly. 4) This 'church' encourages the large 'congregation' to enjoy the worldly and sensual lusts of this life, just keep them in check. Yes, you read that right - it's very evil. So, did CJ or the other 'Sovereign Grace' leadership correct these errors either? No. And, it got worse still. After the large 'congregation' became basically okay with the fact that nothing was done to correct the immoral leader (son) or his dad (leader of the 'church'), CJ and his team in the 'Sovereign Grace leadership' decided to promote this local leader to 'apostle' status. No Biblical correction. No rebuke. Just a mild counseling session to all involved, and then a promotion to 'apostle' status. Unless CJ's group repents, they are looking much like the hypocritical leaders of Jesus' day and the Vatican's system of today. Beware of their false teaching... ~

<http://sgmrefuge.com>

A key quote from a 'Sovereign Grace Movement' (SGM) favorite author that contradicts God's Word, but this quote also captures the essence of how the 'leaders' in the 'SGM' view themselves. -

Jl Packer quoting Charles Simeon, says this: *"Ministers are ambassadors for God and speak in Christ's stead," wrote Charles Simeon. "If they preach what is founded on the Scriptures, their word, as far as it is agreeable to the mind of God, is to be considered as God's. This is asserted by our Lord and His apostles. We ought to therefore receive the preacher's word as the word of God himself" [Pollard, 1959, pp. 188-189]. There is no nobler calling than to serve God as a preacher of the divine word (Logan, Jr., 1986, pp. 24-25).'* ([Source](#))

(back to my notes) Does that shock anyone else who just read that? Their interpretation of Scripture is on par with God's Holy Word? Really? I don't think so! But, isn't that just like what the Catholics say about the pope? Is this not one of the heresies that God used Martin Luther to expose in the pagan Catholic system?

Quote from a Catholic site:

"Ex Cathedra (Latin: from the chair), the Chair of Peter. When a Pope speaks from the chair (***cathedra***) of authority as the visible head of all Christians, his teaching is infallibly Christ's true teaching." ([Source](#))

This is clear false teaching from both the Catholics (which has been widely known for years) and among the 'Sovereign Grace Movement'. And it's a serious false teaching that must be: 1) exposed, 2) addressed, and 3) dealt with or the Christians need to leave the SGM, and start groups whose focus is to "rightly divide the Word of Truth" and go back to taking the Scripture literally and obeying it, rather than explaining it away by adding to, taking away from, or lessening God's Word.

>> Verses that speak on this subject:

"Every word of God is pure; He is a shield to those who put their trust in Him. Do not add to His words, lest He rebuke you, and you be found a liar." ~ Proverbs 30:6

"Whoever therefore breaks one of the least of these commandments, and teaches men so, shall be called least in the Kingdom of Heaven; but whoever does and teaches them, he shall be called great in the Kingdom of Heaven." ~ Matthew 5:19

All who teach on prophecy or end time events, including as described in the book of Revelation need to always keep this passage in mind: **"For I testify to everyone who hears the words of the prophecy of this book: If anyone adds to these things, God will add to him the plagues that are written in this book; and if anyone takes away from the words of the book of this prophecy, God shall take away his part from the Book of Life, from the holy city, and from the things which are written in this book."** ~ Revelation 22:19

"If anyone speaks, let him speak as the oracles of God." ~ 1st Peter 4:11

"He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him." ~ 1st John 2:4

Jay Sekulow ~ American Center for Law and Justice

- We used to be tricked by the smooth-talking, legal-sounding Jay Sekulow. But, in the last few years, we have seen him betray our country and Israel. Finally, Jay Sekulow is being caught in lies - why is he supporting the deceitful war on 'terror'? It is, in fact, the cover for international corporation murders so that these international bankers and businessmen can have 1) more control over the world, 2) more control on the world's finances, and 3) open more doors for themselves to sell their business in countries around the world. So, why is Jay such good friends with war-criminal Ashcroft? Why is he pushing for the murder of Iranians (needlessly) - in the so-called war with Iran? The only people who want a war with Iran are the US energy and military corporations, and the people deceived by them. We cannot make a clear conclusion if Jay is evil yet, only that in quite a few ways, an anonymous 'someone' has bought him off and paid him to be quiet. 'We the People' need to abandon him for more helpful, honest, and reliable legal services. ~

John Hagee ~ CUFI - 'Christians United for Israel'

- Please don't fall for his hype - Hagee is not what he looks like - he's a sham. No, don't worry that's not a false accusation. There are facts to back it up. This Texan so-called 'preacher' has "*an 8,000-acre luxury ranch loaded with mansions, hotels, barns and a private landing strip*" and is known as "*corpulent con man*".

Rob Bell ~ Luke-warm, 'contemporary' and worse?

Rob Bell is known as the 'leader' of the "fastest growing church in America". But, it doesn't matter how many men and women give their approval to a leader, if they don't have the approval of God and honestly hold to His Word. A large group of men and women giving approval to any false teacher or any false teaching doesn't make it right, it just brings God's trouble on those who approve it in two ways - 1) sharing in the evil deeds of a false teacher, whom we're commanded to not even greet (2nd John 1:9-11), and 2) also take part in the consequences for supporting a false teacher. Time will show exactly how much false teaching

Rob Bell is communicating, but I know firsthand that he has many unbiblical views. I pray that God will expose more someday soon!

>> **Verses on this subject:**

“Whoever transgresses and does not abide in the doctrine of Christ does not have God. He who abides in the doctrine of Christ has both the Father and the Son. If anyone comes to you and does not bring this doctrine, do not receive him into your house nor greet him, for he who greets him shares in his evil deeds.” ~ 2nd John 1:10

“Whoever therefore breaks one of the least of these commandments, and teaches men so, shall be called least in the Kingdom of Heaven; but whoever does and teaches them, he shall be called great in the kingdom of heaven.” ~ Matthew 5:19

“Whoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone were hung around his neck, and he were drowned in the depth of the sea. Woe to the world because of offenses! For offenses must come, but woe to that man by whom the offense comes! If your hand or foot causes you to sin, cut it off and cast it from you. It is better for you to enter into life lame or maimed, rather than having two hands or two feet, to be cast into the everlasting fire. And if your eye causes you to sin, pluck it out and cast it from you. It is better for you to enter into life with one eye, rather than having two eyes, to be cast into hell fire. Take heed that you do not despise one of these little ones, for I say to you that in heaven their angels always see the face of My Father who is in Heaven. For the Son of Man has come to save that which was lost.” ~ Matthew 18:6-11

“If anyone sees his brother sinning a sin which does not lead to death, he will ask, and He will give him life for those who commit sin not leading to death. There is sin leading to death. I do not say that he should pray about that. All unrighteousness is sin, and there is sin not leading to death... Little children, keep yourselves from idols. Amen.” ~ 1st John 5:16-17, 21

“And have no fellowship with the unfruitful works of darkness, but rather expose them.” ~ Ephesian 5:11
