Hello to our brethren and friends! ~ January 2, 2011

New Year's Greetings from the INCPU news team! We wanted to give you a short update of news things that are currently going on, with prayer points on what to pray about, and we wanted to include a song from Christmas.

\*\*\*

### [A popular holiday song we did for the Christmas season](#)

So, to start off the Christmas season, we wanted to sing a classic ~ :) So, a redo of this popular holiday song seemed to fit naturally ~ :)

#### ***"It's the Most Wonderful Time of the Year (remix)"***

##### ***Adjusted lyrics:***

It's the most covetous time of the year  
We've got kid's jingle-yelling  
And everyone telling what you want to hear  
It's the most covetous time of the year

There's not much God in the season at all  
With those holiday greetings  
And great happy meetings  
When friends come to call  
There's not much God in the season at all

There'll be parties for hosting  
Much food for the roasting

And getting drunk out in the snow  
There'll be people half-sharing  
And retailers selling  
And profits are making the show

It's the most wonderful time of the year  
There'll be much mistletoe-ing  
And hearts will be glowing  
When traditions we hear  
And it's a fake faith and love time of the year

There'll be parties for hosting  
Marshmallows for toasting  
And getting drunk out in the snow  
There'll be scary ghost stories  
Tall tales of our glories  
And Santa from long, long ago

It's the most covetous time of the year  
We want much recognition  
And God will be missing  
We'll pretend that He's near  
It's a fake faith and love time  
It's a great retailing time  
It's the most covetous time... of the Year!!!

“Ho ho ho! Happy Santa-mas!”

From now on, may we choose to remember and celebrate Christ and His birth, and not join the world in the celebrating of myths and fairy tales. And to those who joined us in celebrating Christ these last several weeks, we pray for and wish you a blessed Christmas celebration ~ servants of Christ, the David Henry Family

An Inspiring Christmas Flyer

**Link:**

<http://s786.photobucket.com/albums/yy150/aservant/?action=view&current=ChristmasFlyer.png>

**More thoughts on Christmas (and some history):**

There are many in America who have been remembering how off-track our whole culture is about Christmas. Some are asking good questions on when Jesus was born and should we even be celebrating it. We think that those questions are very helpful

for they come from a perspective of seeing the emptiness in the worldliness in the holidays, and looking for the real reason and how to find His presence during December, each year - which is a good thing :)

We think it's obvious to everyone that the way Americans celebrate Christmas (which is now pretty typical around the world as well) is very backwards and does displease Christ, and certainly He will express that when they see Him Face to face.

And, to help that brief analysis make more sense - and answer your questions more clearly, we think it's probably a good idea to do a brief history to fill in some gaps. Several thousand years ago, the academic teachers of that day (Greek, Roman, Egyptian - something there) discovered that they could figure out and predict the shortest day of the year. Somehow, they then combined that date with folklore and mythology prior to that discovery and turned that date into a pagan 'religious' holiday - something with the sun god (false god). Those celebrations included propping up a tree, decorating it with gold and silver and throwing a perverse party - in 'praise' to an idol. In Jeremiah 10:2-5, God rebukes the pagan practice, and that was written around 629 BC. **“Thus says the LORD: ‘Do not learn the way of the Gentiles; do not be dismayed at the signs of heaven, for the Gentiles are dismayed at them. For the customs of the peoples are futile; for one cuts a tree from the forest, the work of the hands of the workman, with the ax. They decorate it with silver and gold; they fasten it with nails and hammers So that it will not topple. They are upright, like a palm tree, and they cannot speak; they must be carried, because they cannot go by themselves. Do not be afraid of them, for they cannot do evil, nor can they do any good.’”**

Many of the 1<sup>st</sup> and 2<sup>nd</sup> century churches were powerful at overcoming evil and exposing and tearing down lies and false teachings. And, obviously, the devil had to try a different strategy - a different attack. So, he instead inspired the leaders to tell everyone that they are a 'Christian', just because they said so. In AD 313, Constantine called a gathering where he forced pagans and Christians to work out an 'agreement' of 'common ground' and what 'holidays' they could agree on. Today's version of that is what is known as the 'Christmas tree', and that history goes back to AD 313, with Constantine and that council where they merged the 'agreed-upon' version of Christianity with paganism. The more serious Christians flatly rejected such agreements, pointing out that we ought to just focus on what Scripture focuses, making Scripture our only foundation for life.

A brief study of early church history shows that they didn't even celebrate the birth of Christ because they didn't know the date - it wasn't important. However, not too much later, someone did try to figure out the date and then started to celebrate it, and sadly, it quickly became a worldly-minded celebration, rather than a Christ-honoring event. And considering the conclusion from the council with Constantine to be inaccurate, the date of December 25<sup>th</sup> is likely also not the right date, the date is probably around late September/ early October, around the Jewish holiday called **Sukkot**, literally meaning: 'Feast of Tabernacles'. John 1:14 enhances this point,

**“And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.”** The word for “dwelt” in the Greek is literally “tabernacle”, God came down and walked among. It certainly is an amazing thought and it ought to be the focal point of all of our celebrations of His coming. Also, in Matthew 1:23, God again states this clearly: **“Behold, the virgin shall be with child, and bear a Son, and they shall call His name Immanuel, which is translated, ‘God with us.’”** That is what we ought to be celebrating, and we ought to seriously exclude anything and everything that conflicts with or distracts from that as our primary focus and source of joy (during this season and all year long)!

However with all of that being said, it’s never wrong to celebrate Christ, it’s just wrong to pretend to celebrate Christ. And American celebrations are especially out-of-balance and not Christ-honoring, when the gatherings have activities and traditions that encourage our selfishness and covetousness, which is idolatry (Colossians 3:5). So, in many ways, it’s not what we are celebrating, but how we do it (and the honest heart-attitudes behind it).

In Luke 2:1-12, we see the wise men travel a long way to see Jesus, and they worship Him when they find Him, and give *Him* gifts. It should be noted they didn’t give gifts to each other, they didn’t give their gifts to all of the people in that city - they gave them to Him. (Of course, Mary and Joseph had the financial responsibility of taking care of the young Jesus.) we think we in America really miss that perspective - giving to Jesus, to please Jesus - not giving to others to please others. Retailers and selfishness in this country has inspired the idea of giving gifts to each other, and that is something Jesus’ taught us not to do: **“Then He also said to him who invited Him, “When you give a dinner or a supper, do not ask your friends, your brothers, your relatives, nor rich neighbors, lest they also invite you back, and you be repaid. But when you give a feast, invite the poor, the maimed, the lame, the blind. And you will be blessed, because they cannot repay you; for you shall be repaid at the resurrection of the just.”** (Luke 14:12-14)

Some say that somehow Mary ought to also be honored here for her role in raising Jesus, but that doesn’t line up with the Bible. Yes, we are amazed at how God used Mary, but she was just a servant, sometimes a faithful one, sometimes not. On that interesting note, later on in Jesus’ life, in Luke 11:27-28, a lady in a crowd commended His mother and Jesus’ reply was interesting: **“But He said, ‘More than that, blessed are those who hear the word of God and keep it!’”** we think it’s worth noting that Jesus’ focus was on our obedience to God.

And another example, later on, Jesus’ mother and brothers tried to stop Jesus from preaching and teaching about the Kingdom of God and righteousness and repentance and obedience. That event and Jesus’ response is found in Matthew 12:46-50 **“While He was still talking to the multitudes, behold, His mother and brothers stood outside, seeking to speak with Him. Then one said to Him, ‘Look, Your mother and Your brothers are standing outside, seeking to speak with You.’ And He stretched**

out His hand toward His disciples and said, 'Here are My mother and My brothers! For whoever does the will of My Father in Heaven is My brother and sister and mother.'” Again, what is Jesus’ focus and teaching us? Pleasing, honoring, and serving Him is the focus. In conclusion, we should not let anything distract from that real focus here and in all of life. :) It’s something we need to always be growing in.

I hope that brief review makes sense and inspires you and your family! we would love to hear any thoughts you had on that!

Also, a great thing to do, this or any time of year, is to go back and read the story of Jesus’ coming to earth as a baby. We did that, and encourage you and all my friends to do that too! If you didn’t do that this year, we encourage and challenge you to make a serious effort to make that the focus next year.

Of course, the starting passages are Matthew 1:17 - 2:23, and Luke 1:1 - 2:21. And, of course, more in-depth study would include passages like Isaiah 7:14-16 and Isaiah 9:6-7, just to name a couple.

Praying that you and your family as you grow in seeking Him!

friends of the honorable Jewish people,  
servants of Christ,

#### ➤ *Afghanistan (lithium)*

- *"The War is Worth Waging": Afghanistan's Vast Reserves of Minerals and Natural Gas ~ "The 2001 bombing and invasion of Afghanistan has been presented to World public opinion as a 'Just War', a war directed against the Taliban and Al Qaeda, a war to eliminate "Islamic terrorism" and instate Western style democracy. The economic dimensions of the "Global War on Terrorism" (GWOT) are rarely mentioned. The post 9/11 "counter-terrorism campaign" has served to obfuscate the real objectives of the US-NATO war. The war on Afghanistan is part of a profit driven agenda: a war of economic conquest and plunder, 'a resource war'..." -*  
<http://globalresearch.ca/index.php?context=va&aid=19769>

**Editor's Notes:** As we hope you can see in those short details, the 'War on Terror' is a smoke screen, acquiring resources and contracts for the military complex are the real issue, and war is still a racket. But, isn't that what God said in the book of James, chapter 4: **"Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet you do not have because you do not ask. You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God. Or do you think that the Scripture says in vain, 'The Spirit who dwells in us yearns jealously'?"** (James 4:1-5)

\*\*\* \* \*\*\*

### **Common question: aren't US wars for defense:**

**We're sure you've heard this question before too:** 'But defense-type wars aren't wrong.' We agree on that. But all wars lately are for anything but defense - as proved by their never-ending status and that war is big business. Please allow us to explain.

Curious, were you aware that it's very clear public record that GW Bush's grandfather, Prescott Bush, worked with Hitler to find the money in the accounts of the families that Hitler slaughtered, and then split it with Hitler. That was exposed by a Nazi war-crimes prosecutor named John Loftus.

The Bush family has been working with the Rockefeller family for at least 3 generations. (It is my own personal assessment that the Bush family also started working with the Rothschild British bankers just as long ago).

The Bush family connection to the Nazi machine through the Rockefellers is briefly exposed in this article by John Loftus, a bit of history that we encourage you to take a look at. Please also note that John Loftus has never been disbarred, meaning that Mr.

Loftus has not lied, but is telling the truth. I've also heard this confirmed from other government sources.

**"How a famous American family made its fortune from the Nazis"**  
[http://www.tetrahedron.org/articles/new\\_world\\_order/bush\\_nazis.html](http://www.tetrahedron.org/articles/new_world_order/bush_nazis.html)

\*\*\*

So, why do we show you that, well we think it makes a point to all of us - the same Bush, Rockefeller, and Rothschild families, and their co-conspirators, that brought us the holocaust in Europe are working to do that here - in the US. But, we want to tell you something else before we fill in more of what we think it shows us.

Someone once made the point to me that if you want to know what the war was about - read the treaty, because the treaty is the agreed-upon solution to the real (though often unstated) goal or problem.

Take the US Civil War for instance. It was publicly announced that it was a war to end slavery, yet many still today point out that the North had more slaves before and after the civil war, and that they treated them more poorly than those in the South did. But, the real note is what is in the treaty and the conclusion of the war. With the US Civil War - there was no treaty. The South was forced to let go of their individual rights, and the centralized federal government (backed by the bankers, including the Rothschilds) won - and 'We the People' lost - *big time*.

Other easy examples of this are WWI and WWII. Publicly, we were fighting an evil dictator who wanted to rule the world. What do the treaties show us? The treaties and result show that a one world government was really the point of the war. In WWI, the result was something called the 'League of Nations', but the people worldwide downright rejected it. So, WWII came. And what does the treaty show as the result? A one-world government body called the "United Nations". And do you remember who funded the building of the United Nations and donated the land? The Rockefeller family, the US arm of the British bankers - the Rothschilds. So, was the war about defense? Or was it about one-world control? When we follow the money, we see it was one-world control. And John Loftus' report was just one of many that prove this point.

So, yes, defense-wars are usually ok, as long as it is honestly defense and not stealing, murdering, and empire-building. Double-checking the treaties and results shows what really happened.

Our country is in serious need of prayer for protection from the greedy Elites and their murderous plan. So, please, if you have found yourself supporting wars in the past, please seriously reconsider your choices and ask God to expose the liars as liars, thieves as thieves, plunderers as plunderers, and murders as murders. Thank you for joining us. ~

Also, we ought to note that Obama is just continuing what GW Bush started - nothing's changed - nothing's new. Neither of them were honorable, though both know some religious words and have demonically-inspired and crafty PR reps. No one who claims to be a follower of Christ should support either of them as though they are honorable followers of Christ, for both of them clearly show that they are just front-people for the big-oil monopolies, military contractors, and one-world government leadership.

\*\*\* \* \*\*\*

## *Wars, their rumors, and why:*

Let's look list the other wars that these elites and the media companies they own are trying to push.

- Iran
- Yemen
- Korea
- China
- Russia
- EU (over currency)
- Aliens (a huge hoax, see info below)

Speaking of aliens, all of the mainstream news is trying to make a big deal out of various distractions (including the false charges on Wikileaks's Assange), but has anyone mentioned to you about what is going on in the Gulf of Aden? If not, then allow us to give you a quick update.

The Gulf of Aden is located right next to the Arabian peninsula, off the coast of Yemen. There are navy soldiers from 27 different countries in that gulf, and they say it's because there's supposedly a vortex there - a portal to other universes through which we and 'aliens' can supposedly come-and-go. We don't buy the science, because it looks fabricated. But, here's a little of what we think is going on.

### *Alien hoax*

*"... As immense as that game is, there is a bigger one: Control through fear. As Werner Von Braun related to Dr. Carol Rosin, his spokesperson for the last 4 years of his life, a maniacal machine - the military, industrial, intelligence, laboratory complex - would go from Cold War, to Rogue Nations, to Global Terrorism (the stage we find ourselves at today) to the ultimate trump card: A hoaxed threat*

*from space. To justify eventually spending trillions of dollars on space weapons, the world would be deceived about a threat from outer space, thus uniting the world in fear, in militarism and in war...”*

## *Israel invaded to ‘put out a fire’ – why?:*

### Editor’s notes:

We are becoming quite certain that Israel has been invaded (by 6-8 countries) to push/convince the Israeli public back into the evil, destructive, Satan-inspired, ‘peace’ and land-give-away process. ~

### ***Second Fire in 10 Days Hits Golan Cattle Farmers***

*“Ten days after a large scale fire destroyed 2,500 acres of brush, stream-side vegetation and pasture in Nahal Semek, another large scale fire depleted a similar-sized area Monday in Nahal El Al, also in the Golan Heights. The fires are a blow to Golan cattle farmers...”*

### ***Israel Thanks, Bids Farewell to Foreign Fire-Fighting Teams***

*“Real friends are those who are friends in need. Israel was met by a disaster, but you were there to prove your true friendship. We felt this throughout the days that we fought the blaze. I, the IAF and the State of Israel wish to thank you and honor you.”*

<http://www.israelnationalnews.com/News/News.aspx/141014>

**Editor’s notes:** Any now what are those ‘friends’ pushing? Peace talks! Is something wrong with this picture? And what was the reason for the fire? Well it obviously was not an accident. All the news we saw was saying that it was arson, just no one bothered to tell us who really started it. What we’d like to come out clearly is why the real reason for this arson/murder, but we think this is a good start. ~

### **Peace Process: Back to Indirect Talks?**

*“The United States is continuing its efforts to bring Israel and the Palestinian Authority together for talks which would lead to a peace agreement...”*

**Editor’s notes:** Obama just continues what GW Bush really got started.

**Americans still overwhelmingly support Israel, oppose the collection of Arabs called 'Palestinians' ~**

“... The poll showed that US support of Israel is at a near all-time high; 67 percent of Americans held a favorable opinion of Israel, more than for nearly any other country. Support for the PA was at 20 percent, among the lowest.

Sixty three percent favored Israel in the Middle East conflict, while only 15 percent favored the Palestinian Authority. According to the poll, the level of support in the United States for Israel was the highest since 1991's Gulf War, after dozens of Scud missiles fired by Iraq landed on Israeli cities...”

**Editor's comments:** There is a constant stream of deceptive and collective lies from the Vatican concerning Israel. It's common knowledge that Israel is the owner of that land from long ago, and that the collection of Arabs they try to call 'Palestinians' was made up, for there never was a people named, though the Romans did try to do a cruel trick to Israel. It seems very fitting to point out that the Roman Catholic leadership is still trying to push this lie on the honorable Jewish people who are living in the land God gave them. Let's keep praying that God keeps exposing their lies and tearing down the corruption and murderous push for Israel to give up their land - from the Vatican! ~

**ABOVE THE MURAL OF ANNUNCIATION**

by Barry Chamish ~ May 27, 2009

<http://thebarrychamishwebsite.com/newsletters/mural.html>

**Editor's notes:** Barry Chamish is a dear friend of ours - an honorable, straight-forward Jewish journalist and reporter on things happening in Israel and the history and the people behind those events. Mr. Chamish has been reporting on the crimes and corruption that have been hurting the honorable Jewish people for over 15 years, including how the Vatican consistently harasses them - trying to force/convince the Jewish people that it is somehow 'okay' to give up more land God gave them. It's not - God gave it to them, and has allowed them to be established back in their land. And the honorable Jewish people desperately need the prayers of those who claim to follow Christ - they need our prayers of protection, and that the criminals would continue to be exposed and brought to justice. Thanks for joining us! ~

We're seriously asking as many of you who can to drive rather than go through the invasiveness of the perverts to fly somewhere. Men, please, seriously consider what your wife and daughters are being subjected to, and refuse to allow them to be hurt this way - a kind of pain that doesn't go away for a long time. ~ our prayerful request ~

***“new species discovered” – just a hoax:***

Evolution is a hoax. There are no new species, except for what they are creating in a lab. When they say new species, find who's gamma-knife created it and charge them with a crime of intentional deception. If you believe in evolution, you've already fallen for dozens of hoaxes, and ready to fall for more - unless you quickly discard that lie and popular fairy-tale. There are likely new animals that they are discovering, but they aren't new species, unless they come from one of the well-known military labs, and the those (as well as GMO foods) are intentionally created.

#### *S510 bill*

***S 510 Fake Food Safety bill passed by Senate in late-night sneak attack on small farmers and food freedom***

***"The infamous S.510 "food food safety bill" was passed by the US Senate last night in a sneaky, last minute voice vote. All Senators voted for it, Republicans and Democrats alike. Not a single U.S. Senator -- not even Coburn -- objected to its passage. With this vote, the US Senate now sends the bill back to the House of Representatives where it is due for a final vote as HR 2751 that would then send the bill to the White House for a presidential signature. This House vote could take place as early as tomorrow (Tuesday)..."***
