A visual map that attempts to show who funds and controls the Christian industries (an explanation of the first graph)

This is Graphic 2 of 2. See graphic 1 for pictures and inter-connectivity map

Rothschild + Rockefellers have been ruthless in secretly controlling money & industries for over 150 yrs

Bush family has been partners w/ evil for almost 100 years, married into Rothschild/Rockefeller family, headed up the US side of funding Hitler's war

Walt Disney was agent (OSS) & CIA (run by Bush family) built disneyland using military contractors to create MKUltra tool & hub along w/ underground bunkers/tunnels

Ultra-secret society - Yale - runs & controls from the shadows

Jesuits are the Vatican's secret army with pledge to do much evil - see oath

The Vatican has been doing evil and blaming it on Christians for centuries

The Freemasons are devil-worshippers - secret society that has been around for centuries, & controls many things quietly

This Vatican control group works to connect religions and factions within 'Christianity' while pressing members to 'unite' on lesser and unbiblical definitions. The Vatican likes to use tools like this with a positive image - secret, yet destructive
