The Billy Graham Deception

Is Billy Graham a 33° Degree Freemason?

The Illuminati have since time past conspired to establish a New World Order. To achieve this goal, 3 main areas are to be infiltrated and thoroughly subverted.

1. One World Government
2. One World Religion
3. One World Economy

It is by placing key 33rd degree Freemasons at the apex of political, religious and economic institutions that their satanic goals can succeed. Billy Graham has been selected and used by the Illuminati to work to bring about a One World Global Church based at the Vatican.

This exposure of Billy Graham's Masonic links will include

URGENT INFORMATION

The Cutting Edge Website has been deceived by the Billy Graham Evangelistic Association. They now say the Graham is not a Freemason when I have placed heaps of evidence that show he really is. Please come in here for the latest information.

Please pray for Billy Graham. God died on the cross for all mankind for 'all have sinned'. Pray that the Lord Jesus Christ will turn him away from the Masonic Lodge and into the everlasting life that only Jesus can give. Also pray for the Masonic/Satanic leaders of today that God's grace will reach out to them. Remember that 'where sin abounded, grace did much more abound' Romans 5:20 ...May God have mercy on him.

Billy Graham Endorses New Age Occultist

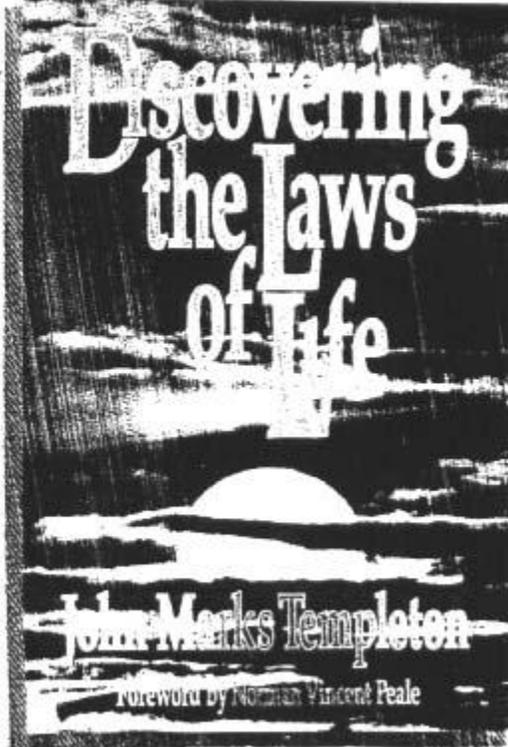

Sir John Marks Templeton

As you have seen so far, we have provided many of Graham's links to Freemasonry and awards that Freemasons have presented to him.

Many of you out there are still skeptical about the character of Billy Graham.

Presented in this article is irrefutable evidence that Graham has truly departed from the faith and now endorses a New Age Billionaire.

Here is the book authored by John Marks Templeton entitled "Discovering the Laws of Life." As you can see 33rd Degree Freemason [Norman Vincent Peale](#) wrote the foreword to the book. *Christianity Today* (4/24/94) placed an advertisement for this book including quotes from 33rd Degree Freemason [Robert Schuller](#) and also 33rd Degree Freemason [Billy Graham](#) endorsing this evil New Age book.

One extract from this book states the following.....

Calling the belief that Christ is the only way to heaven, dogmatism and pride, Templeton declares: "[T]he basic principles for leading a 'sublime life'... may be derived from any religious tradition, Jewish, Muslim, Hindu, Buddhist and others, as well as Christian" (pages 6-7).

Another New Age teaching we can attribute to John is the false doctrine that God is

within all people and that there is no sinful nature in mankind.

"Our innate goodness is an essential fact of our existence. When we perceive this truth we will experience Heaven on Earth - peace and the presence of God within us...be honest and true. Love all parts of yourself, the GODHEAD within you."

Templeton and his neopagan views were first introduced to the church and promoted to evangelicals in 1986 by Robert Schuller, who continues to endorse him. Schuller's *Possibilities* magazine put Templeton's picture on its front cover, and its major article in that issue was an interview with Templeton. In it he expressed his Unity/Religious Science/New Age beliefs: "Your spiritual principles attract prosperity to you... material success... comes... from being in tune with the infinite.... The Christ spirit dwells in every human being whether the person knows it or not... nothing exists except God." (*Possibilities*, Summer 1986, pp 8-12).

This is rank New Age heresy! Jesus said "I am the way, the truth, and the life: no man cometh unto the Father, but by me." There is NO OTHER WAY to God but thru JESUS CHRIST !!!!

The Word of God teaches that only those who have placed their faith in the blood of the Lord Jesus Christ to cleanse their sins and are truly born again have God dwell inside them.

Why would Billy Graham endorse such a book that contains such anti-biblical teachings?

The answer is simple! In 1982, Graham was awarded the Templeton Prize for progress in religion.

This award is currently the highest paid in the world, at an estimated 1 Million US dollars.

[For more information on John Marks Templeton click here](#)

Billy Graham receives the 'payoff' from Freemason Prince Philip.

This is what I define a Masonic award. These awards have Masonic connections. In this case Graham's award is presented to him by a Freemason. Also seen at my [Masonic Award and Praises for Billy Graham](#) page is Graham receiving his medal by two 33rd

Degree Freemasons.

Why are Freemasons involved in awarding Billy Graham?

Another Masonic connection : [John Marks Templeton is a Rhodes Scholar](#)
Rhodes scholarships were founded by Cecil Rhodes who was a Freemason according to the Masonic reference book called "Denslow's 10,000 Famous Freemasons". (Vol IV page 29-30)

Cecil Rhodes was a member of the Illuminati and a friend of the Masonic Rothchild family.

Many Masons that have been in a powerful position in society are also Rhodes scholars such as Bob Hawke the ex-PM Australia and Bill Clinton to name a few.

Denslow's 10,000 Famous Freemasons also lists Prince Philip, the Duke of Edinburgh as a Mason.

"Philip was initiated in Navy Lodge No.2612 of London on Dec 5, 1952. Present at the initiation were the Earl of Scarbrough, grand master, q.v., and Geoffrey Fisher, archbishop of Canterbury." (Vol 2 p6)

Other recipients of the Templeton award include [Charles Colson](#) and [Bill Bright](#).

Billy Graham has received 2 other Masonic awards that I am currently aware of. This information will be posted as soon as possible.

[Billy Graham On Famous Freemason List](#)

UPDATED SECTION (28-July-1997)

The Billy Graham Evangelistic Association has done it again! Billy has had his name removed from a Famous Freemason list done by a Masonic lodge once again. The good news is that Balaams Ass website copied a mirror of the Masonic site because Steve anticipated this move by the BGEA.

The Louisiana Masonic Webpage has moved and is now located at <http://www.la-mason.com/>

This Masonic web page has gone through a major change and the front page no longer resembles the mirror copy that is posted at Balaams Ass Web Site.

The BGEA has tried to silence the information on the Balaams Ass pages. Was the location change, new design and removal of Grahams name all planned to decieve any

new visitors to Balaams Ass? If so then newbies may think that the mirror copy is a lie. Steve, also waiting for a coverup requested people to email him with their personal details to compile a list of witnesses to the original Masonic list with Billy Graham listed.

If the claim is brought out that Steve edited the original page and created a lie then he can use this list of witnesses for evidence. I also request anyone out there to send me email if you saw the original page before the Masons changed it.

Old Section Below

This all started for me about 1 year ago when I first started using the Internet that I stumbled across a Masonic web page that included a list of Famous Masons. On this original list were the names of Rev. Billy Graham and his good friend Norman Vincent Peale. At first I refused to believe that such a man like Graham who preaches the gospel everywhere could be a Freemason but in time more and more evidence poured in that strongly showed his Masonic affiliations. Before I would post a link to a Masonic web site that listed Graham as a Mason I wanted to provide some other proof he was in the cult of Freemasonry. But time run out and the Billy Graham Evangelistic Association informed the Mason web site and Balaams-Ass that legal action would be taken if they did not remove Graham's name. Thus his name was removed. But still on the web are un-edited Famous Masons listings that name Billy Graham as a Freemason. **Please go there now before the evidence is removed.**

Billy Graham's 33rd Degree Masonic File

Robert Morey, while doing research on Freemasonry at the House Of The Temple, asked the librarian if they had Billy Graham's Masonic membership file. She replied that they did have such a file on hand. On page 23 of Morey's book entitled "The Truth About Masons" he refers to Billy Graham when he states " Or that one of the most well-known evangelists in the world is a Luciferian because he is a thirty-third degree Mason? "

Also of interest is Morey's mention of Jesse Helms being a 33 Degree Freemason as Helms was present at Billy's Masonic award in Washington, D.C.

Beware of Robert Morey also. Below when he states that it is absurd to label Masonry as a Luciferic organization he covers up for the Masonic Lodge. The Masons usually quote favourably from Morey's work to show people that Lucifer is not worshipped in the high degrees of Freemasonry. I would like Morey to read Do Freemasons Worship Lucifer/Satan which is a collection of the most esteemed and highest ranking Mason's praises for Satan. My best source believes he is a 'Closet Mason'. His book while it attacks some aspects of the Craft (Witchcraft) defends others and contains many lies.

Robert More

The Luciferian Conspiracy

Of all the attacks against the Craft, none is so vicious as the charge that Masons are a secret cult of devil worshipers or satanists and that at some point in the higher degrees they must pass through a Luciferian initiation. When most Masons hear of a "Luciferian conspiracy" in Freemasonry, they simple shrug it off in the belief that no one would seriously entertain such a scurrilous charge.

Since most Masons in the United States are members of Christian churches and many clergymen belong to the Fraternity, the idea that they are all involved in some kind of devil cult is absurd. Can anyone seriously think that such thirty-third degree Masons as Senator Jesse Helms, the Christian champion of conservative politics, is a worshiper of Lucifer? Or that one of the most well-known evangelists in the world is a Luciferian because he is a thirty-third degree Mason? It would be helpful to pause and consider the origin of the Luciferian charge.

One of the most interesting episodes in the history of Freemasonry is the anti-Masonry movement spawned in nineteenth-century France by one Leo Taxil.²¹ What is known about Taxil does not endear him to the bosom of anyone. He was thrown out of a Catholic seminary before he took holy orders. Although the exact cause for his expulsion is not known, the result is. As a reaction, he became a raving atheist, an anti-Catholic and anticleric. He spent his time printing scandalous stories of the sexual crimes of priests, monks, and nuns. He was quite adept at making up stories when needed.

He joined the Masonic Lodge as another way to thumb his nose at the clergy. He was welcomed at first because French Masonry has always been infected with skeptics, anticlerics, and revolutionaries. But not long after, Taxil's lies and fabrications caused him to be

Morey gives his thanks to the Librarian of the Masonic Headquarters. Strange that the Lodge helped a supposed 'Anti- Masonrey do his research at their own 'sacred' Temple. One of my informants got kicked out of a Masonic Temple when he tried to take a photo!

This page is not finished yet. I am going to add a letter from Robert Morey stating that he had a chance to examine Billy Graham's Masonic file soon.

Billy Grahams Endorsement Of Masonic Youth Group

Below is a scan of a Masonic book published in 1970 by a Freemason by the name of Rev. Forrest D. Haggard. Clearly shown is Graham's praise for the Masonic DeMolay group . The book itself states that the people who are quoted in the book are Masons themselves.

The Clergy and the Craft

Rev. Forrest D. Haggard, U.D.

Lewis C. Wes Cook

MISSOURI LODGE OF RESEARCH

This same viewpoint is extended in course, to the youth organizations that affiliate with the Masonic lodge in most communities. This author has served as advisor to the Order of DeMolay and can testify to that excellent group. His wife has served in Job's Daughters and many of the young ladies from his congregation have been in the Order of Rainbow. It is time that these groups are seen, not as competition, but as allied organizations, as Dr. Billy Graham said:

I find two kinds of young people today. First (and least important) are those given to rebellion and violence. We have always had those, even as far back as Cain and Abel. These vow to annihilate the "middle class" morality and ethic, and to toss away the time-honored traditions and ideals of yester year. But happily, this group is a tiny minority, with more noise than influence. Then, there are thoughtful, concerned young people—who seek to correct the errors in moral navigation that have been made by their elders, intelligently and responsibly. There are the young people upon which the hope of America's future rests and DeMolays are part of this group. . . . May God richly bless all DeMolays as they continue their good work.

The Reverend William Clyde Donald of Fenton, Michigan, wrote a very astute article on the relationship of Organized Religion to the youth organizations as sponsored by Masonry:

In relationship to youth the Masonic lodge has a great advantage in one respect over the church. The church is interested in youth, but as a rule its dealing with youth is confined rather largely to the youth in the families in relationship with that church. Masonry (through its youth program) can minister unto youth in the community regardless of their family church relationships. Masons meet as Masons, not as Methodist or Presbyterian, etc. Their sons and daughters and the friends of their children can come and receive training that will build them into stalwart citizens. The DeMolay, Order of Rainbow, and Job's Daughters give Masons and the Eastern Star a great opportunity to train youth to believe in and have great faith in the Creator and Sus-

DeMolays meet in Masonic Lodge room

Clearly shown above is a picture of Demolay's inside a Masonic Lodge room. Does Billy really think God will bless a group that is headed by 33rd Degree Freemasons? Does Billy really believe that it is a blessing to be involved in a Masonic youth group that usually leads the members to go on to become Freemasons when they reach the accepted age? Later on we will document the occult/satanic origins of this Masonic group.

B'NAI B'RITH

Jewish Masonic Lodge Awards Billy Graham

In their own words "B'nai B'rith, the only Jewish organization with a full-time presence at the United Nations, is the world's oldest and largest Jewish organization with members in 56 countries."

B'nai B'rith is an anti-Christian Jewish Masonic lodge. They have a high rank in the Illuminati structure and they operate under several fronts. Not all the work they do is bad. They hunt Nazis and usually fight against racism but being a form of Freemasonry,

it operates as a secret society within a secret society, a circle within a circle etc, so that only the elite of this organization knows the real agenda and the normal Jewish person working for them is doing the best they can. I will present as much documentation later on in this article to show the Masonic structure within this group, but first I will mention their link to Billy Graham.

According to the official Billy Graham Evangelistic Association webpage Billy Graham received the

"The Torch of Liberty Plaque by the Anti-Defamation League of B'nai B'rith, 1969" Remembering that the main definition of Masonry as being 'Freemasonry is a peculiar system of Morality, veiled in Allegory, and illustrated by Symbols', we will examine the occult significance of the term 'Torch of Liberty' and its possible meaning to the 'enlightened' of the Illuminati.

Research taken from the book called "Masonic and Occult Symbols Illustrated" states the following about the torch symbol:

Many of the gods and goddesses of mythology carried torches. Some of these are: Hecate (the "Queen of the Witches"), Comus, Eros, Hymenaeus (or Hymen), Apollo, Ilithyia, Eos (or Aurora), Iakchos & Phosphorus (who is also called Lucifer)

Listen to what occultist Edouard Schure says about Lucifer and his flaming torch: "Lucifer, having regained his star and his diadem, will assemble his legions for new works of creation. Attracted by his flaming torch, celestial spirits will descend...and he will send these messengers from unknown spheres to earth. Then the torch of Lucifer will signal 'From Heaven to Earth!' - and the...Christ will answer 'From Earth to Heaven!'"

Hardcore Luciferian, 33rd Degree Freemason, Core Illuminati figure Manly Palmer Hall states that "the torches represent the Occult arts and sciences, the doctrines and dogmas by the light of which Truth is made visible."

A book publisher that prints Masonic and Eastern Star books is called The Torch Press.

Ok so now we have examined the torch element of Graham's award but where does the liberty part fit in?

When the phrase 'Torch of Liberty' is mentioned it will usually bring people to think about the Statue of Liberty in whose hand is held a torch. This vile Illuminati structure was created by the Freemasons and is a New Age symbol of Lucifer's New World Order. According to Texe Marrs, "Towering above the shimmering but polluted waters, she holds in her outreached arm a torch of fire and light. A gift of the Masonic Order, the modern inheritors of the Illuminati heritage, the Statue of Liberty was sculptured by Frederic Bartholdi, a member of the Masonic Lodge of Alsace-Lorraine in Paris, France. The statue is significant to the secret societies plotting the New World Order."

With losing most if not all the data from 5 or 6 hard drives, I lost some really good evidence that B'nai B'rith is really a branch of Freemasonry. Luckily I had printed these documents out, it is now just a matter of finding them. The good news is that after doing a search on the Internet for more evidence I discovered a page that not only links B'nai B'rith to the highest degrees of Freemasonry, but the page also mentions Billy Graham! It is a biography of Rabbi Robert I. Kahn. Below are some extracts from this page.

Rabbi Kahn has preached and lectured all over the United States, in person and over radio and television. In a national "Back to God" telecast, he shared the camera with Billy Graham.

In his community, Rabbi Kahn has served on the boards of several social agencies such as Red Cross, Boy scouts, Travellers Aid, Mental Health, Muscular Dystrophy, Houston Metropolitan Ministries, United Fund, etc. He is a member of B'nai B'rith, of which he is a Past President, the Masons, Scottish Rite, Shrine. He was President of the Houston Rotary Club in 1967-1968, the largest Rotary Club in the world, and was District Governor for 1978-1979. He has been grand Chaplain of the grand Lodge of Texas and is now Chaplain of the Arabia Shrine Temple of Houston.

He has been honored by the Boy Scouts of America with the Silver Beaver and Ner Tamid Awards; by the Freedoms Foundation with a George Washington Medal; by the French Government for service to veterans; by the Masonic Order with the 33rd degree, by the ZOA District with the Robert I. Kahn Lodge; by the State of Israel with the Prime Minister's Medal for Israel Bonds. A forest has been planted in his honor in Israel.

From the sounds of things this guy must be either a key Illuminati figure or a totally deluded individual. It mentions that he was a former president of B'nai B'rith as well as a 33rd Degree Freemason, Shriner and Masonic Grand Chaplain. The other groups that he was involved in being the Boy Scouts, Red Cross and Rotary were ALL founded by Freemasons. Link this to the fact that he shared the spotlight with Illuminati 33rd Degree Freemason Billy Graham and you have a page that to the unknowledgeable seems fine but really nearly all references point back to the Cult of Freemasonry.

Time to see what the reference Masonic book called '10,000 Famous Freemason' says about B'nai B'rith

Frank Goldman , President of B'nai B'rith, 1947-53 and honorary president since that date. b. Dec. 4, 1890 in Lowell, Mass. Graduate of Boston U. summa cum laude in 1910 and admitted to Mass. bar in 1912, practicing in Lowell. A member of B'nai B'rith since 1920, he served as president of the Lowell lodge, district president, national vice president, 1941-47. He has been editor of The National Jewish Monthly since

1947. Active in civic and Jewish charity organizations. Mason and 32 degree AASR (NJ).

Here we now have two high ranking Freemason who were also presidents of B'nai B'rith and there will still be a lot more to come when I find my original documents and new information from the Internet and contacts.

I previously mentioned that B'nai B'rith is anti-christian. Time to document this fact. B'nai B'rith, wishing to keep the Jewish people away from the gospel of Jesus Christ, has fought against the Southern Baptist Convention (which is ironically controlled by the Freemasons as well!) to stop them from witnessing to Jews. When I state that the Southern Baptists are controlled by Freemasonry it does not mean that all members are evil. It is the opposite, and the same goes for Freemasonry in general. The Elite of these cults are the true evil. Read below the article taken from B'nai's webpages that attack Baptists who want to reach out to jews.

B'NAI B'RITH URGES SOUTHERN BAPTIST CONVENTION TO RECONSIDER FORMAL RESOLUTION ACTIVELY SEEKING TO CONVERT JEWS TO CHRISTIANITY

Washington, D.C. (June 14, 1996) -- B'nai B'rith is shocked that the Southern Baptist Convention adopted a resolution advocating an active program of converting Jews to Christianity, and have hired a missionary to lead and direct such conversion efforts.

"A program of conversion is demeaning to our religion and to our co-religionists -- including those who out of their own free will and conviction, have converted to Judaism," wrote Tommy P. Baer, international president of B'nai B'rith in a letter sent today to Morris Chapman, president of the Southern Baptist Convention. The text of the letter follows:

Dear Mr. Chapman:

B'nai B'rith was shocked to hear that the Southern Baptist Convention, holding its annual meeting in New Orleans earlier this week, adopted a resolution advocating an active program of converting Jews to Christianity, and that the Southern Baptist's Home Mission Board has in fact appointed a missionary to lead and direct such conversion efforts.

We believe this is a thoroughly retrograde step in relations between Southern Baptists and Jews in the United States.

In recent years, other Christian denominations, such as the Presbyterian Church, the United Methodist Church, and the Roman Catholic Church -- have emphasized the importance of dialogue with American Jews while refraining from all conversion efforts. Their policy demonstrates a basic and long-overdue respect for Judaism as a sister religion that continues to have transcending relevance and the capacity to provide spiritual sustenance and meaning to the lives of millions of people around the world.

New Testament doctrine itself is clear that G-d's covenant with the Jews did not end with the Christian era, and continues in perpetuity.

A program of conversion is demeaning to our religion and to our co-religionists -- including those who out of their own free will and conviction -- have converted to Judaism.

The decisions of the Southern Baptist Convention are certain to introduce new tensions in the interactions between Jews and all Christians in this country, and to once again sow the seeds of distrust.

Pluralism is a basic tenet of our American way of life. It means respecting each other's traditions and religious paths.

We cannot believe that creating such tensions between Jews and Christians can possibly advance humankind toward the ultimate Messianic Age that both Christians and Jews look forward to with hope and faith.

We urge the Southern Baptists to reconsider these steps.

So conversion is demeaning is it? Why did you antichrist guys award Billy Graham who very, very ironically is a Southern Baptist himself! According to his official biography "1939: Ordained to the ministry by a church in the Southern Baptist Convention" What warped logic: Let's award the biggest 'christian' evangelist in the world who is a Southern Baptist and later on let's blast the Baptists for trying to win lost Jewish people. Well maybe it is not so warped logic after all, when you have read the following article below by Fritz Springmeier:-

The actual heritage and name of Billy Graham: There is a connection between Marxism and a group of Satanists called Frankists. One of the strongest satanic cults to take control over the Jewish population was called Sabbatianism. Jakob Frank assumed the role of leader of this group, and afterward this brand of satanism was called Frankism. (Freud's sexually-obsessed theories came from Frankism.) Frank taught his followers to convert to another religion and hide behind that religion to practice their satanism. (One of several books on the subject of Frankism is The Contemporary Faces of Satan by

Ratibor-Ray M. Jurjevich.) Billy Graham's family when they originally came over to this nation were of the Frank family which is related to Jakob Frank. After coming over to this nation, they changed their name to Graham which is a Scottish name. Two groups of people who are over represented in the power structure over the last 200 years are Scots and cabalistic satanic "jews." Obviously, not all Scotsmen nor jews are involved in the NWO.

Several other researchers independently discovered that Billy Graham's heritage was the jewish Frank family.

However, Fritz was beginning to suspect that there must be some kind of jewish blood in Billy Graham's heritage, because of the all the things he would stumble upon. For instance, the intimate connections Graham had with Jewish leaders and Jewish Christian ministries. And his assurances to them that they are God's chosen people, a special group. Graham privately told them, that because they are a special chosen group they don't need to come to Christ. (Fritz discovered all this by accident reading Jewish literature.) Further, the paper called "The C-9 Report For internal use only" states on page 11 that Billy Graham's daughters have lived in Israel, and that Billy Graham's son fought with the Israeli army in the Six-Day War.

In the Be Wise As Serpents book, chapter 2.1, "The Jewish author Gerald S. Strober in his book American Jews Community in Crisis, p. 110 states that after a resolution in Feb. 1973 at Pittsburgh by the NCC failed to declare the NCC against converting the Jews, that Billy Graham announced the following day a statement that God had a special place for the Jews and rejected „coercive evangelistic efforts." Privately, Graham has assured Jewish leaders he is against converting the Jews to Christianity. Strober also informs his readers (p. 111) that many Christian organizations that are ""Jewish Missions"" take their marching orders from Billy Graham, This confirms numerous reports..." So Strober in effect is saying don't worry Graham is with us, and he controls most of the Christian organizations that are supposedly missions to evangelize us. Messianic Jewish groups are strongly pro-Billy Graham, Some of these groups have gained in size and then strangely gone back into Judaism. That kind of thing has been happening here in Portland, not to mention other localities. Now it is clearer why Jews coming forward at Crusades have often been and are being referred by the Crusade people to Reformed Jewish synagogues. Reformed Judaism was created by the Freemasons and Illuminati Satanists. There has been a long range campaign to eliminate Bible-believing jews.

It is no coincidence that the Southern Baptists of which Billy Graham is a member, is controlled by the Freemasons. Brook Hays, Pres, of the So. Bapt. Convention was a high ranking Freemason as well as part of the CFR. None of the So. Bapt. Convention's Presidents have opposed Freemasonry. Pres. Bill Clinton, a slave handler, is a member of the Emmanuel Baptist Church which is a Southern Baptist Church in Little Rock, Ark. The late Bill Moyers who promoted the Mystery Religions was a Southern Baptist.

Moyers went to the SW Baptist Theological Seminary, the same school run by one of Billy Graham's staff directors. John Buchanan is another Southern Baptist. John Buchanan went to a So. Bapt. Seminary, and then worked as a front man for People for the American Way started by Jewish Norman Lear, an anti-Christian. People might be shocked to learn of some of the New Age teachings and New Age teachers that have been allowed into the Southern Baptist churches. The Southern Baptist youth program is based on Masonic ideas and is very masonic in its ritual.

I have a bit more to add to this anti-jewishness of Billy Graham. I believe that Texe Marrs mentions that Billy has never nor will ever have a crusade in Israel. A lot more will be added to this page including photographic evidence that B'nai B'rith has awarded another Freemason, more proof that it is a branch of Freemasonry and that they adore the founder of the KKK.

This page is NOT anti-semitic. To any jewish readers out there, I know that B'nai B'rith has helped your people out in many ways but this is not what I am discussing. Freemasonry gives millions and millions of dollars away every year to charities, hospitals and many needy organizations but this is only a front to conceal the true goals of this secret society. Many good masons who are unaware of their leaderships Luciferian plots continue to do good works in the name of Freemasonry which gives it a very respectable cover to operate under. This is the same technique utilized by B'nai B'rith which is a Jewish form of Freemasonry. I believe as well as many if not most jews that there is a major plan to exterminate all of their race and I have quite a bit of proof about this which mentions who will kill them and how many jews will die in the future. And believe me that I am on your side but not on the side of the minority Jewish Illuminati Elite who do not care about the common jewish person. Sure there is a great jewish element in the Illuminati but there is a very specific reason for this and people that say the jews are responsible for all the evil should remember that the Bible states that it will be only jews that will be sealed to preach the gospel of Jesus Christ in the tribulation period.

List Of Freemasons Who Have Worked For Billy Graham

- William M. Watson - Director of the Billy Graham Evangelistic Association. He is a Freemason and also a member of the development council of Masonic run and founded Baylor University. (Billy Graham received a Baylor 'Masonic' Award) He also was a member of the advisory council to the Southwestern Baptist Theological Seminary in Ft. Worth which had at least 3 Freemasons on its board of trustees, and likely more.
- David M. McConnell - Director of the Billy Graham Evangelistic Association. David is also a Freemason. He was also U.S. ambassador to the United Nations.
- Arthur Lee Malory - Co-Chairman of the Billy Graham Crusade Advisory Committee for the 1973 St. Louis Crusade. Arthur is a 32° Degree Freemason and a deacon in the Southern Baptist Church.

Masonic Award And Praises For Billy Graham

On Thursday 2nd of May 1996 Billy Graham and his wife Ruth received the Congressional Gold Medal - the highest honor which Congress can bestow upon a citizen - in the Rotunda of the US Capitol in Washington, D.C.

To most people this is just another award that the Graham's are deserving of, but upon research of the characters in the photographs shown below reveal that all the people in the front row that get their names mentioned below the photo are all powerful 33rd Degree Freemasons. (named below photo are House Speaker Newt Gingrich, Vice President Al Gore, Senator Storm Thurmond, Bob Dole, Senator Jesse Helms and Franklin Graham, all of them are 33rd Degree Freemasons)

Speaking in the rotunda of the U.S. Capitol during the presentation of the Congressional Gold Medal to Ruth and me, May 2, 1996.

Below are quotes from 33rd Degree Freemasons praising Billy Graham

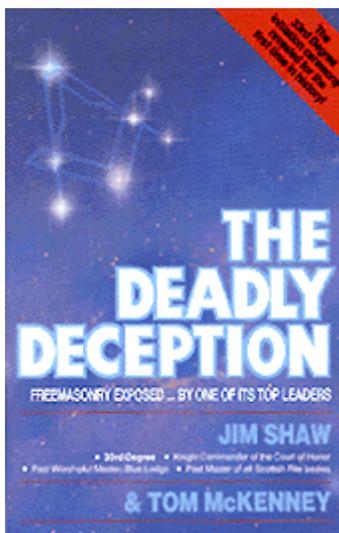

House speaker Newt Gingrich, host for the event, called Mr Graham, "one of the great civic leaders of the 20th Century", who together with his wife have "given up their

lives as a model for serving humanity, and stand as role models for generations to come. By receiving this medal, you join about as exalted a group of citizens as we have in this country, and you frankly honor us by being here to receive it."

In his remarks, Senate Majority Leader Bob Dole said, "When the idea of awarding a Congressional Gold Medal to Dr Graham was first raised, it received something rare in this building - unanimous approval. So too, did the idea of honouring Ruth Graham, Billy's remarkable partner of 53 years and a distinguished communicator of God's power and peace in her own right. There has never been a time when Mr Graham's voice and his message are more revelant," Senator Dole continued. "Billy, I can't even remember disagreeing with you, but I know I speak for millions around the world in saying that no-one will wver preach the Word of God better then you, and no-one will preach it with a better partner at his side than Ruth."

This page is not finished yet. Also Billy Graham has received more Masonic awards (awards either presented by 33° Freemasons and/or sponsored by them) which I have obtained some photographs of and will add them to my pages soon. I will later add more to this page to show more high ranking Masons praising Billy. Please be patient and in time you will see the true Billy Graham which the media and church have tried to mask for so long. Evidence that all the men mentioned above are Masons will also be added shortly! :)

Jim Shaw is one of the highest ranking Freemasons to ever defect to Christianity. Billy Graham took part in Rev. Jim Shaw's 33rd Degree Masonic initiation. This was before Shaw left the Lodge for Christ. Only 33rd Degree Masons and candidates participate in that initiation. Jim Shaw refers to Billy Graham's presence at this Masonic ritual on

page 104 of his book co-authored with Tom McKenney titled 'The Deadly Deception' Lafayette, LA: Huntington House, Inc. 1998. Huntington House refused to print this book unless they took out Billy Graham's name and substituted it with a general description on page 104 ("internationally prominent evangelist") Before Jim died he confirmed this fact to many people. At page [107](#) I have included a letter from Tom McKenney stating that [p104](#) definitely referred to Billy Graham. For those of you who do not have the time to read through Jim's whole testimony, I recommend you read page 104 and the letter located on page 109 to verify the fact that it was Graham referred to in the book.

INTO THE LIGHT

The hurricane came and went without any harm to us. But the one within me continued to gather force. It seemed strange, from my point of view, for all the people around me seemed calm. Even the doctor was no longer speaking much to me about the Lord, for I wasn't seeing him regularly. Bonnie was quietly supportive, but we really didn't say much about it. Mike and my other friends went on with life. It was "business as usual" around me, but definitely not that way inside of me.

THE HIGHEST MASONIC DEGREE

Easter was approaching and one quiet morning I was at home recuperating from the second operation when the doorbell rang. It was a special delivery letter from the Supreme Council in Washington, notifying me that I had been selected for the 33rd Degree. I could hardly believe it was true! This honor is one most Masons never even think of receiving. It was too much, too far out of reach, beyond limits of reality. It was unreal to think I had actually been selected. It was an honor just to be considered for this ultimate degree and I had actually been selected, chosen by that small and powerful group, the Supreme Council of the 33rd Degree. I called Bonnie to share the good news with her. In talking with her, I surprised myself by asking her if she thought I should accept it.

Page 100

"What a strange thing to ask her," I thought. But before I could contemplate it she said, "Why, sure you should accept it. You have worked so hard for so long to get there - by all means you should accept it." So I returned my acceptance immediately and began making plans for the trip.

I MADE IT ON MY OWN

With plenty of time to reflect, I thought about my long climb up the mountain of Masonry in search of light. I thought about the odds against anyone's ever making it to the 33rd Degree. I realized that in my case the

odds have been even greater. I had made it by hard work and dedication alone. Some men have an edge on selection because of their wealth, political power or prominence. I had none of these. Like the day I had carried the man all the way to the top of "Shaw Hill" between Camp Butner and Raleigh, I had made it to the top of the Masonic mountain because I was willing to make the effort required and refused to quit. Thinking of this, I felt particularly good about it and wished my mother could know. I had come a long way since leaving the front gate that terrible day so many years ago. I had come the distance with no help from Uncle Irvin. Who would have thought that the lonely walk, begun so many years ago by that frightened 13 - year - old boy, would have led to this point? I had reached the pinnacle - made it all the way to the top. Some of the most prominent and influential men in the world would undoubtedly be there to participate when I was given this ultimate degree - for me - little Jimmy Shaw, who had gone to work at age five and made it alone since age 13. They would be there to give the 33rd Degree to me. It was really a bit difficult to take it all in.

3 DAYS AT THE MOUNTAIN TOP

In order to receive the 33rd Degree it was necessary to go to Washington, D.C. The initiation and related functions were to last three days.

Page 101

Since Bonnie could participate in practically none of the things I would be doing each day, she decided not to go along. We were both excited as I made preparations to leave. But I was not as excited as I expected to be. The edge was taken off the excitement because, in me, it was mixed with a considerable amount of conviction. Way down deep there was a growing restlessness, an increasing conflict, produced by the things the doctor had been sharing and by all the Scripture I had been reading. Preparing to receive this "ultimate honor" was not as thrilling as it might otherwise have been.

Arriving At The House Of The Temple

I flew into Washington National Airport and took a taxi to the House of the Temple on Northwest 16th Street. Upon arriving at the Temple I was met by a receptionist who asked if I were there to receive the 33rd Degree. I was surprised to find a woman in those sacred Masonic precincts, but said that I was and showed her my letter from the Supreme Council. She then told me that in order to receive the degree, I would be expected to make a "minimum donation" of a very large amount of money (at least it was a "very large" amount for me). This took me completely by surprise for there had not been a word about any such "minimum donation" in the letter sent by the Supreme Council. I didn't carry that much money with me and had left my checkbook at home but was able to borrow the money from one of the other men and gave it to her. We candidates were all unhappy about this unpleasant surprise and grumbled to one another about it. We were too close to the "top of the mountain" to turn back at that point.

The Temple Itself

The House of the Temple is quite impressive - a bit awesome, really. Standing large, grey and silent on the east side of Northwest 16th Street, between "R" and "S" Streets, it looms very wide and tall from the curb. There is a huge expanse of granite pavement in front of it, including three levels of narrowing steps as the entrance

Page 102

is approached. Flanking the entrance are two Sphinx-like granite lions with women's heads, the neck of one entwined by a cobra and decorated with the "ankh" (the Egyptian symbol of life and deity). Adorning the neck and breast of the other is an image of a woman, symbolic of fertility and procreation. In the pavement, just in front of the tall bronze doors, are two Egyptian swords with curved, serpentine blades and, between the two swords, brass letters, set into stone, saying, "The Temple of the Supreme Council of the Thirty-Third and Last Degree of the Ancient and Accepted Scottish Rite." Over the tall, bronze doors, cut into the stone, is the statement, "Freemasonry Builds Its Temples in the Hearts of Men and Among Nations." (1) High above the entrance, partially concealed by stone columns, is an elaborate image of the Egyptian sun god, backed with radiating sun and flanked by six large, golden snakes. Inside is elegance: polished marble, exotic wood, gold and statuary. There are offices, a library, dining room, kitchen, Council Room, "Temple Room" and a large meeting room. This room is like a luxurious theater, rather elegantly furnished and decorated. The ceiling is dark blue, with lights set into it to give the appearance of stars. These lights can even be made to "twinkle" like stars in the sky. There is a stage, well-equipped, and it is all very nicely done. But the thing that is most noticeable is the way the walls are decorated with serpents. There are all kinds; some very long and large. Many of the Scottish Rite degrees include the representation of serpents and I recognized them among those decorating the walls. It was all most impressive and gave me a strange mixture of the sensations of being in a temple and in a tomb - something sacred but threatening. I saw busts of outstanding men of the Rite including two of Albert Pike, who is buried there in the wall.

The first day was devoted to registration, briefings and interviews. We were called into one of the offices, one at a time, and interviewed by three members of the Supreme Council.

[Billy Graham's Short Lived Victory :- A Victory for Freemasonry](#)

I unfortunately have some bad news to report :(
The 'Cutting Edge' homepage has had it's once sharpened edges on truth make blunt by the treacherous deception of the Billy Graham Evangelistic Association.

After a time of exposing Graham as a Freemason, they have turned around and now say

"we accept that this probably means that Mr. Graham is definitely NOT a Freemason, and that he never has been a Freemason."

<http://www.cuttingedge.org/n1099.html>

Why the sudden change of heart? Well the Cutting Edge says that the Billy Graham Evangelistic Association sent a email to them stating that Graham is not a Freemason, so the CE decides that the BGEA, a corrupt group with strong Masonic affiliations is being honest. This is totally unreliable BIASED information. What else does the CE expect the BGEA to say? Obviously they would never state this as fact and more likely most people that work for the BGEA would never know Graham well enough to know his secret cult memberships.

We have a few possibilities why CE has done this. I will email CE and ask which is accurate if any.

- The CE was threatened by legal action like Balaams Ass website was and they agreed to clear Grahams name
- CE was losing it's popularity for attacking who many see as a great minister
- CE planned this. First to make out Graham is a Mason and then to clear his name.
- Ce ignored all the EVIDENCE that Graham is a Freemason including EYEWITNESS accounts

I nearly always receive denials when I question cult's actions. Even if it is a well documented fact they still deny clear evidence. How can such a discerning page as CE fall into deception?

Do they realise that this issue has been going on for a few years now? Do they realise that Billy Graham has never personally said he is not a Freemason! NEVER! Even after hundreds and hundreds of mail asking him so. He will never say Yes or No. Always the BGEA speaks and defends him.

These treacherous actions have forced me to move to Phase 2.

For those whom have their eyes darkened to the truth of Graham's dark side, I will now fully document Billy's ties to Occultists, Freemasonry and the Illuminati International Bankers.

You will come to see that Graham is in alliance with Antichrists, Witches, Occultists, New Agers, 33rd Degree Freemasons, Globalists, Ecuminests, Homosexuals and even Murderers!

Any more deceptive acts will force me to move to Phase 3.
This Phase will go very deep into the PLAIN TRUTH

I have provided the following evidence to prove that Billy Graham is a 33rd Degree Freemason

1. [I have included the testimony of a ex-33rd Degree Freemason turned Born-again Christian called Jim Shaw. When Jim received his 33rd Degree initiation he witnessed Billy Graham in attendance at the Headquarters of Scottish Rite](#)

Freemasonry. After he realised that he was involved in a Luciferic cult he left the lodge for Christ. Jim is an EYEWITNESS to this fact. Various attempts were made on his life.

2. Scanned evidence is available that proves that Billy Graham endorsed the youth group of Freemasonry known as the Order of DeMolay. Many of these young people grow up and become Freemasons.
3. Robert Morey discovered that there was a Masonic membership file of Billy Graham at the Masonic House of the Temple.
4. Billy Graham has received 4 Masonic awards. All these awards had very strong Masonic connections. For example Billy gets congress award presented to him by two 33rd Degree Freemasons. And also Billy gets Templeton award presented to him by a Freemason.
The other two Masonic awards I will document this information soon.
5. Billy Graham being listed on many Famous Freemason lists done by Masonic Lodges until his Association used legal threats to force them to remove his name.
6. I provided a list of Freemasons that have had high positions within the Billy Graham Evangelistic Association.

I am about the document more proof of Graham's alliance with Freemasonry

1. Billy Graham helping and endorsing the ministry of Norman Vincent Peale, 33rd Degree Freemason
2. Billy Graham helping and endorsing the ministry of Robert Schuller, 33rd Degree Freemason
3. Billy Graham helping and endorsing the ministry of Oral Roberts, 33rd Degree Freemason

THE CUTTING EDGE REPLIES

David Bay of the Cutting Edge website has requested that I post his reply to the Billy Graham issue.

I wrote the following to the Cutting Edge.....

- > I do not claim to be more spiritual then yourself
- > I am just a concerned individual
- > God Bless
- > Alan

Dear Alan,

We will research your proofs that Mr. Graham is a Freemason and get back to you. However, will you do Cutting Edge the courtesy of printing the full text of our response, linked to your text where you blast us to your readers? If you will agree to this proviso, then we will be happy to give you a full answer as to why we reacted the way we did when we got the response back from BGEA.

>From the outset, however, I will tell you that we were NOT intimidated into anything. We care not one wit about our popularity, nor were we threatened with a lawsuit.

I am leaving on a business trip which will take me until 8/27, so I have asked our Webmaster, who is a Christian, to check out your proofs so that when I return we may fashion a proper response.

Please, though, email me back as to whether you will print our response in its totality.

May God Richly Bless You,

Lets hope that they will now take a deeper look into Billy Graham's Masonic affiliations.
