

So, what do we do with this connectivity web?

Explanations, resources & a plan

List of connectivity people and leaders

WOW! That's a head-ful, isn't it? Still catching your breath? That's a huge connected web and it's sad for us to see it too. I wish it weren't true, but you're welcome to look at the research links we have below (at the end) and double-check it yourself. It comes from a good 10+ years of researching it, and we believe it to be honest research, because it is pieces that we have been able to assemble ourselves over the last 10-15 years. I do apologize that I cannot get every link and every explanation on this Bibliography page. Some may try to say this is libel - it's not. This is not a legal document - this is an info-graphic to explain to the genuine body of Christ why everything seems so broken. I (with a few others) have worked carefully for weeks to pull this together, and I have double and triple-checked to make sure that the links/connections that I have on here are all correct. But, if you see a gap or glitch or a typo, or if you have a question on something on here, please don't hesitate to ask! You can contact me through our FEDBP page. Thankyou in advance for your prayers, clear-headed interactions, and help.

¹ But know this, that in the last days perilous times will come: ² For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ³ unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, ⁴ traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, ⁵ having a form of godliness but denying its power. And from such people turn away! ⁶ For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts, ⁷ always learning and never able to come to the knowledge of the truth. ⁸ Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; ⁹ but they will progress no further, for their folly will be manifest to all, as theirs also was." (2nd Timothy 3:1-9)

This project has been an extensive FEDBP project that came out of our efforts to understand why all of the 'Christian' leaders were teaching less and less on Biblical doctrine, and more stories, philosophy and psychology. We also noticed how it's hard to buy anything of Biblical depth at the Bible bookstores these days, not to mention that most of the junk out there is a promotion of false teachers and/or wrong, misguided or self-centered teachings. We also

started noticed more and more that the Christian music subject has become an industry that blackballs active and modern honorable musicians with content, like: Michael Card, Sara Groves, and Kari Atalla. Yet, at the same time, Christian industry/machine promotes smooth false teachers such as Michael W. Smith, Chris Tomlin, TobyMac, Mandisa, and even worse examples like: Taylor Swift (supposedly 'Christian') and other clear unbelievers. It was all of this observation (over time) as we found the 'Christian industries' drifting down to become like the world in excusing sin, abuse, and worldliness, that we started to realize that there must be something much bigger happening to the industries that put out 'Christian' material. It was in our research that we discovered that LifeWay is mason-controlled and pushes masonic false teaching, and that the SBC (Southern Baptist Convention) has been over-run with masons almost completely since before 2003...

The more we studied, the bigger it got, until we finally found the main piece we were looking for - the link back to the elites and Rockefellers. We had already been able to prove some local false teachers were funded by masons and some other big-pockets. Little did we know that the link goes all the way up, and all the way back to the mid-1900s. Sorry folks, these elites who are dead-set on NWO have been doing this a very long time. If there was a way to stop it before now, it would have had to be our parent's generation and our grandparent's generation. But because they didn't stay in His Word and be faithful to expose liars, here we are - with the wreckage of false gospels and false Christs and false religious entertainers everywhere making lots of money for their 'speeches' where they describe a 'god' that's very different from the Bible. We live in an age where finding a good deep and accurate Bible translation in English is really hard, because the copyrights have so locked up everything that none of them have apparently been allowed to put together an accurate, literal translation...

But, that's where the bad news stops and the good news starts. You see, the next part starts with: us. Now is the time for every person who names the Name of Christ to start spending more quality time in the Bible - determining to look at the Bible fresh and new, not stale and old, every time the pick it up to read the Bible and hear from the Author of the Bible. Now, is the time for as many of us who can, to work to become Hebrew and Greek scholars. Now is the time for every single one of us to start holding every teacher accountable for his/her teachings. We may not say anything for a time, but note not just what they say - but what they skip, and are careful to not say. Now is the time to take what we have, from here, and work to grow the genuine body of Christ. It seems to us that almost all of the churches you can name in the US are in agreement with the lukewarm collapse. So, if they want to do that - let them collapse. From now on, let's all seek to work and grow and build with those who love God's Word, and who are actively learning in knowledge and growing in obedience to God's Word to flee idols, sin and evil. - Tough challenge? We don't think so. So help us God, we're in. How about you?

Dear Heavenly Father, the problem we face is indeed much bigger and worse than we wish. But, Father, You are greater. We need You to start each of us on a path to a more holy walk, and a deeper personal understanding of Your Holy Word, and a quicker discernment to toss aside the liars and lukewarm teachers who surround us and seek to fill our minds with their useless noise. We may feel alone at times in this, but please always help us to realize that You are with us, and help us to seek You with all of our hearts, so that we might serve You with all of our hearts, and that we might point many people away from rebellious men who call themselves 'leaders' and back to the pure Word of God, that You might grow a unified genuine body of believers here in dark, pagan, sensual rebellious America. We look to You Father - and we give You all of our lives to serve you till our final breath. May You train us

so You can use us to encourage brethren, expose wrong teaching, and expose false teachers with boldness, directness, honesty, humility and grace. ~ We pray this in Jesus' Name, amen.

If you joined us in praying that - God bless you and thank you. Please be diligent from now on to get in God's Word as much as you can, and to be effective in exposing lies and pointing people back to Jesus, the gospel, and following His teachings as much as you can. ~ Thank you! The FEDBP team.
