

Fishing stories on Halloweevil weekend in Otown (Orlando) - 2016

Greetings and welcome! Today, we have another exciting episode of!... Okay, okay :) ~ You're right - it's not *that* exciting :) But, every time we get to talk to someone about Jesus, it is exciting, yes? :) it's just normal conversations with those who know Christ and those who don't right? :) That's right :) So... where was I? Oh yes...0

So, welcome to Fishing Stories :) ~ I'm your host Steven :). Join us as we review our evangelism adventures in Otown (Orlando), on Hallow-evil weekend. We didn't get to share the gospel on Monday the 31st, but we did get to share the gospel with rush-hour traffic on Friday, October 28th, and Saturday mid-day on October 29th.

So, Friday, we were there for about 3 hours. We got a lot of good responses. Below are our signs.

We got some positive responses and got to hand out some gospel tracts to people walking by. Dad got to talk with a few people, and so did Paul, but I don't remember those stories. I had one guy who we connected briefly on the Bible and he was really encouraged.

Then when we were headed in, a young man came over - his name was James. He wanted to talk about the gospel and then to make sure he was saved and talk about what he could do for Christ. So, we talked for 3 hours and discussed a lot of Scripture with him and his friend Russell. James wants to use gifts that God has given him to become famous with the world and make lots of money, and yet he wants God's blessing too. Please pray for both of them to get genuinely saved and to serve God not chase money and the passing sin-pleasures and earth treasures of the world.

Saturday afternoon, we headed to a very busy corner in a tourist attraction area known as "International Drive". People from all around the world come down this area to see demonic disney and twisted universal studios as well as wet-n-wild and many other hotels and put-put golf and gift shops and restaurants, etc. So, we stood on 3 corners and had the same signs ~ I think Paul was the only one who changed to add this sign:

**What's important
in 500 years?
You will be in
Heaven or Hell.**

We had many who were reading the signs and re-thinking. And we got to give a lot of tracks out to those walking by. It was a good day. Please pray for the people who saw these signs.

~ Well that's all for now. I hope to post the newest stories in the next couple of days.

Question for you: what can you do to share the gospel with at least 1 person this week? Praying for God to open a door for you to do so and compel you and grow you in it! Thanks for praying for us!

This is Steven Henry signing off for this Fishing Stories update!
