International News and Christian Prayer Update ~ news from a Biblical perspective

HAARP and FEMA Camping

Reporter: Steven Henry
October 6, 2013

Hello brothers and sisters in Christ, fellow prayer partners and friends,

There are some very concerning things going on in this country, as you have probably noticed. What you might not know is how many things are going on behind the scenes. This little report is an attempt to give you quick links and info so you can pray with understanding in the coming days (that may get very tough).

The next info, reports, pictures, videos and resources you say may cause different emotions in different people. Some will be surprised (and possibly spooked) by the information, and some it will cause terror/fear. Others, it will make them angry - some will get angry about this information - others will get angry at those who are doing such massive evil. For others, it will cause them to reject it and ignore it and hope it goes away. Still others will take the information to the Throne of God, and pray for His protection, leading, and wisdom in the coming days and seek to stay in God's Word daily and share His Word and the gospel of Jesus with those around them. Let's look at some verses on each emotional response.

Fear/spooked:

For those who know Jesus, seek Him and obey Him: "**The Angel of the LORD, God Himself, encamps all around those who fear Him, and delivers them.**" (Psalm 34:7)

"He who dwells in the secret place of the Most High, shall abide under the shadow of the Almighty. I will say of the LORD, 'He is my refuge and my fortress; My God, in Him I will trust.' Surely He shall deliver you from the snare of the fowler, and from the perilous pestilence. He shall cover you with His feathers, and under His wings you shall take refuge; His truth shall be your shield and buckler. You shall not be afraid of the terror by night, nor of the arrow that flies by day, Nor of the pestilence that walks in darkness, nor of the destruction that lays waste at noonday. A thousand may fall at your side, and ten thousand at your right hand; but it shall not come near you. Only with your eyes shall you look, and see the reward of the wicked. Because you have made the LORD, who is my refuge, even the Most High, your dwelling place, No evil shall befall you, nor shall any plague come near your dwelling; For He shall give His angels charge over you, to keep you in all your ways. In their hands they shall bear you up, lest you dash your foot against a stone. You shall tread upon the lion and the cobra, the young lion and the serpent you

shall trample underfoot. *'Because he has set his love upon Me, therefore I will deliver him; I will set him on high, because he has known My name. He shall call upon Me, and I will answer him; I will be with him in trouble; I will deliver him and honor him. With long life I will satisfy him, and show him My salvation.'*" (Psalm 91:1-16)

"But seek first the Kingdom of God and His righteousness, and all these things shall be added to you." (Matthew 6:33)

Anger:

"*'Be angry, and do not sin': do not let the sun go down on your wrath, nor give place to the devil.*" (Ephesians 4:26-27)

"Beloved, do not avenge yourselves, but rather give place to wrath; for it is written, *"Vengeance is Mine, I will repay,"* says the Lord." (Romans 12:19)

"But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law." (Galatians 5:22-23)

Ignore:

"Do not say, *'A conspiracy,'* concerning all that this people call a conspiracy, nor be afraid of their threats, nor be troubled." (Isaiah 8:12)

"Therefore, to him who knows to do good and does not do *it*, to him it is sin." (James 4:17)

"It is not good to show partiality to the wicked, or to overthrow the righteous in judgment." (Proverbs 18:5)

"These things also belong to the wise: It is not good to show partiality in judgment. He who says to the wicked, *'You are righteous'*, him the people will curse; nations will abhor him. But those who rebuke the wicked will have delight, and a good blessing will come upon them." (Proverbs 24:23-25)

"Cast out the scoffer against God and His commands, and contention will leave; yes, strife and reproach will cease." (Proverbs 22:10)

Prayer/Serving Christ:

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus." (Philippians 4:6-7)

"But the end of all things is at hand; therefore be sober-minded, watchful, and self-controlled for the sake of your prayers." (1st Peter 4:7)

"He who says he abides in Him Jesus the Christ ought himself also to walk just as He walked." (1st John 2:6)

"Nevertheless the solid foundation of God stands, having this seal: *'The Lord knows those who are His,'* and, *'Let everyone who names the name of Christ depart from iniquity.'*" (2nd Timothy 2:19)

"Therefore 'Come out from among them and be separate, says the Lord. Do not touch what is unclean, and I will receive you.' 'I will be a Father to you, and you shall be My sons and daughters, says the LORD Almighty.' Therefore, having these promises, beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God." (2nd Corinthians 6:17-7:1)

"Go therefore and make disciples of all the nations... teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen." (Matthew 28:19-20)

"Little children, keep yourselves from and guard against idols. Amen." (1st John 5:21)

"And have no fellowship with the unfruitful works of darkness, but rather expose them." (Ephesians 5:11)

"Yes, and all who desire to live godly in Christ Jesus will suffer persecution." (2nd Timothy 3:12)

Some things happening in our country: odd weather, martial law preparations, and FEMA camps.

Odd Weather:

Did you realize that several parts of the US have been flooded and/or destroyed by strange spontaneous weather just this year? Do you know what is causing it? Would you like to know? If so, here are some facts.

> in Colorado (September 2013):

So, why all the weird weather? Well, let's review some history. [If the info gets too much, just skip down to the next section where I get back to what's going on in the US and what to do concerning it. :)]

"An unconfirmed report by the Russian Northern Fleets suggests that the devastating Haiti earthquake was caused by a United States Navy "earthquake weapons" test, which was intended to be used against Iran...."

Source link: <http://www.digitaljournal.com/article/286296>

An earthquake weapon? Really? What is it? And why does the US military have it, and/or use it? First, what is HAARP?

www.thelivingmoon.com/45jack_files/04images/HAARP/Array04.jpg

HAARP facilities worldwide:

<http://beforeitsnews.com/alternative/2011/01/haarp-facilities-worldwide-353828.html>

What is HAARP? Can it cause/create earthquakes? - A NASA scientist (and many others) say yes. This article explains:

"The \$30 million [Pentagon] project, euphemistically named HAARP (High Frequency Active Auroral Research Program), is made to beam more than 1.7 gigawatts (billion watts) of radiated power into the ionosphere -- the electrically charged layer above Earth's atmosphere. Put simply, the apparatus is a reversal of a radio telescope -- just transmitting instead of receiving. It will 'boil the upper atmosphere'. After [heating] and disturbing the ionosphere, the radiations will bounce back onto the earth in for form of long waves which *penetrate* our *bodies*, the *ground* and the *oceans*." ["Angels Don't Play This HAARP", page 8]..."

Source link: <http://www.cuttingedge.org/news/n1207.cfm>

The next question about HAARP is probably: what are its capabilities? The answer is - they're staggering, yet they use fairly simple scientific principles, including heating and cooling parts of our atmosphere to get desired results. If you want to see more, check out this link: <http://haarp.net>. The list includes everything from weather modification, to causing earthquakes, to being used on humans for population control. This is a fascinating technology that has apparently been in operation since sometime around 1958.

Another similar project is the 'Mockingbird Project' - which has also been a part of the HAARP project. Check this out:

"In the Tulsa World (1-11-94), there was a small article entitled: "[Weapons Designers Win Secret Award](#)".

It said this:

"The Lawrence Livermore National Laboratory won an award. The staff is very proud. The award is on display. But, they can't say what the honor was for. It's a secret. Its 21 member "Project Woodpecker" team was cited. It won the Intelligence Community Seal Medallion.

That's an award from the CIA and National Security Agency. The citation says the award was for solving complex problems."

PROJECT WOODPECKER

It pertains to the "Electron Cyclotron Resonance Heating Method" now being used to alter the earth's magnetic field---in order to:

- modify weather
- create or trigger earthquakes and volcanoes
- spread viruses
- create the phenomenon known as "electromagnetic pulse"
- modify behavior control among the populous

But HAARP is not the only scalar weapon that our military owns and utilizes. There are other similar types of this technology facility, and we have at least 4 of them in Alaska, and a few across the US. Other types are FIPA, HIPAS, ELF, VLF, LAEF, MAEF, and EAEF (*and more*).

*"In reviewing information disclosed through the Freedom Of Information Act concerning the initial concepts and bidding on HAARP (**H**igh-frequency **A**ctive **A**uroral **R**esearch **P**roject), I came across relevant information that HAARP was not the best choice for the Project, this was to be the FIPA (**F**requency-**I**ndependent **P**hased-array **A**ntenna) FIPA patent# 5,274,390*

*The executive summary of HAARP indicates the best place for the Array was Poker Flat and not Gakona, Clear AFB was the optional choice for the HAARP location and has the power facility on site to supply a heater array of these proportions. Prime power at Clear Air Force Station is obtained from the station's coal-fired power plant, which is capable of producing 22.5 megawatts of power. (Clear AFB is a large DOD area located west of HIPAS [**H**igh **P**ower **A**uroral **S**timulation]), and is almost an equal distance from HIPAS as HAARP is to HIPAS) HAARP is run by U.S. Air Force Research Laboratory's Space Vehicles Directorate while Clear AFS is also under U.S. Air Force Space Command.*

HAARP/HIPAS work in conjunction, however two arrays are not enough to steer the signal. The HAARP web site in 2001 discussed successful moon bounce experiments (done since the 1960's by HAM radio operators) see: [HAARP array may use Moon as a reflector to reach distant targets on Earth to create Nuclear-Sized](#)

Explosions Without Radiation! In order to target the moon you need a steerable array and three arrays minimum are required.

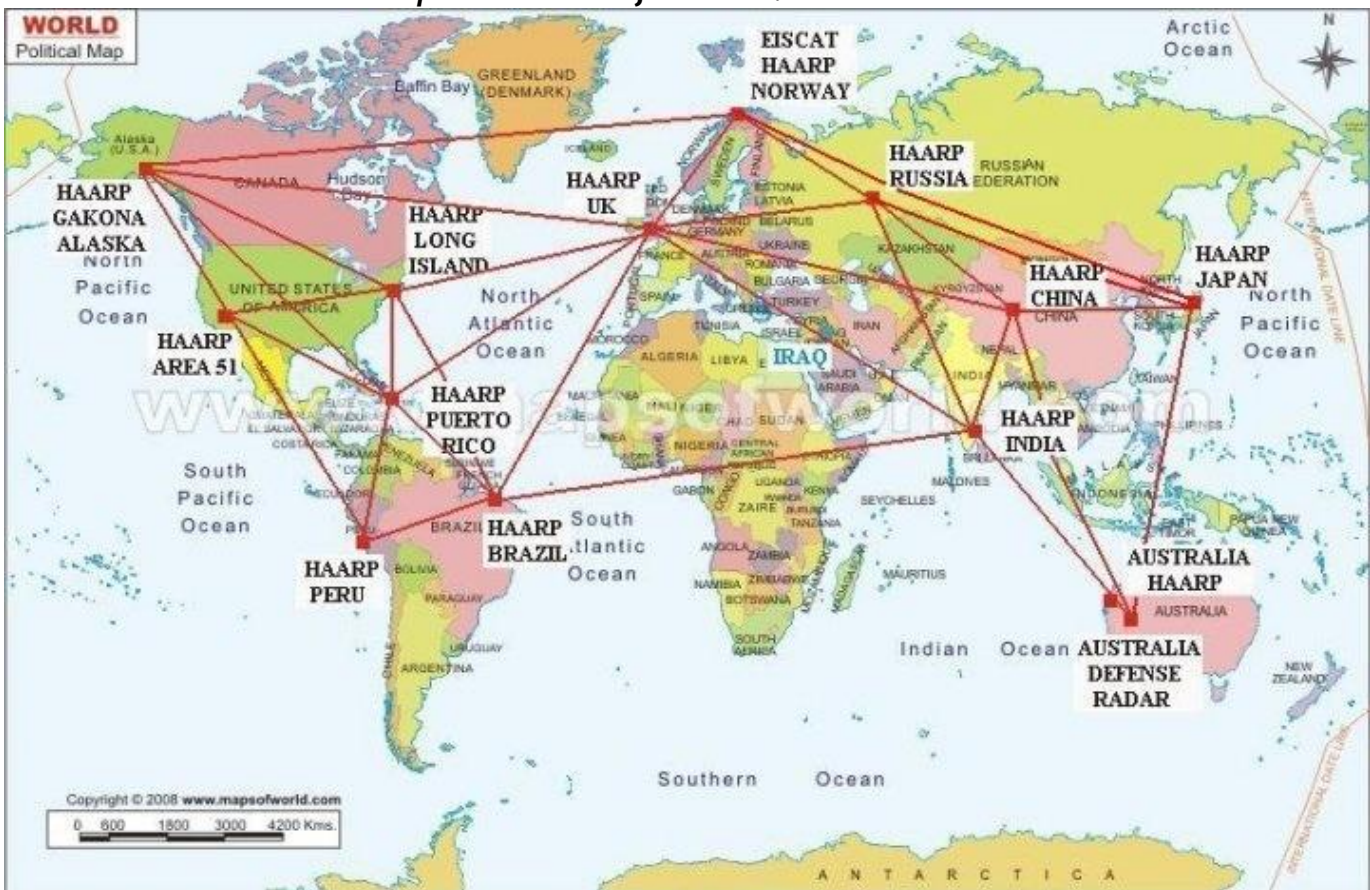

For those that think the HAARP array network is just a research program, think again: Look at this short demonstration of what 1000 watts of microwave energy can produce from a grape cut in half (Movie 2). Multiply this effect by 3 million times as HAARP is 3 gigawatts of power (3 billion watts) now you just need a grape large enough for the array to feed from; see video of Large Artificial Electric Flame (LAEF) this sample pales to the (MAEF & EAEF) massive and extreme versions. Note to adversaries of the United States and recent saber rattling; you may not want to provoke this Kodiak Bear with a stick.

HAARP array is second choice to FIPA array, The HAARP site near Gakona was initially chosen to house the Imaging Riometer for HAARP, now Poker Flat is operating the proposed HAARP Imaging Riometer and was the initial choice for the HAARP location, and you require three ELF/VLF arrays to steer the signal for a moon bounce! This information means there is at least one hidden ELF/VLF array in the southern area of Alaska, it is likely in Poker Flat region and is likely the FIPA array.

Here are the key locations in Alaska as they relate with HAARP, in order for targeting HAARP other arrays must be used to steer the signal, this is why HIPAS is in the region, with the present set up if HLMS, Clear AFS and Poker Flat were also positioned with ELF/VLF arrays then HAARP is capable of a 360 degree steerable target area...."

Back to the US and how all this applies:

This article explains how natural disasters can be times where martial law is called:

"... Imposing Martial Law on even a small town or city would be a VERY serious thing. A declaration of Martial Law In America is beyond serious, and is nearly incomprehensible. What event could cause the implementation of Martial Law? A major natural disaster like those covered under Natural National Disasters, a major terrorist attack, or even extreme civil disobedience and rioting on a nation-wide scale could all be candidates for the imposition of Martial Law.

Martial Law would undoubtedly be accompanied by curfews, check-points, and perhaps special papers or passes for the citizenry to move from point A to point B ... including going to work..."

The next key piece to understanding this - do you know the difference between chemtrails and contrails? Contrails are vapor trails that are sometimes left behind planes or jets at high altitude on cold days. Chemtrails are chemical vapor sprayed directly into the sky by remote-controlled jumbo jets, usually made and equipped by either Boeing, Raytheon, or Lockheed Martin. International corporations involved in the making of the chemicals include Dow and Occidental.

Here are several pics to show what chemtrails look like:

What are chemtrails?

" On February 20, 1999, strange "[Contrails](#)" were reported over Long Island, NY by 'concerned citizens' who also took photos. These photos reveal the characteristic "[X](#)" mark seen in almost all cases of chemtrails. Earlier this year, reports by [Ken Welch](#) have been posted on various sites on the Internet. His reports are titled *Contrail Spraying of Cities is Real* [Part 1](#) , [Part II](#), and [Part III](#) These articles chronicle Ken's apprehension and dismay at the discovery that the United States government was brazenly spraying the skies of southern Texas on April 9, 1999 with Chemtrails. Ken has also posted E-mails at his web site that were sent to him in May '99 of reports of sprayings over [South Carolina](#) and [Indiana](#) . In June, a [report from Florida](#) said that sprayings had been going on for weeks over the Ft Lauderdale and Jacksonville areas, including military bases.

*It is being reported that people with average or below average immunity are experiencing **pneumonia-like respiratory symptoms**, while people with stronger immunity are only experiencing slight discomfort for a day or two or no symptoms at all. Some people have gotten very ill and the symptoms seem to keep returning after a short period of improvement. It's possible that some of these sprayings might contain special bioengineered pathogens designed to affect only certain racial groups..."*

(one note: sorry, the guy has a new age perspective, but he also has lots of helpful links. I do not endorse or encourage his new age false religion.)

The documentary called 'Aerosol Crimes' (2005) made by Cliff Carnicom is both simply explained, clearly outlined with facts, pictures, and sources. You can watch it free online: www.youtube.com/watch?v=ZoKkebpzu7Q

This is Cliff Carnicom's website: www.carnicominstitute.org/html/geoengineering.html

The people behind this chemical spraying (chemtrails) have been doing it a long time. The Rockefellers have been a part of it for many decades as well. The fog that was sprayed over Normandy Beach, France for Operation D-Day invasion was sprayed in by Rockefeller-controlled Boeing. Bill Gates even talks about chemtrails in his explanations of spraying aluminum and barium to 'stop global warming.

Another helpful video (free):

What in the World are they Spraying?

www.youtube.com/watch?v=jf0khstYDLA

The Georgia Guidestones (apparently set up by the Rockefellers under the alias 'RC Christian') talk about reducing and keeping the world population under 500,000. Yes, you read that right - these are something like the satanic version of God's holy 10 Commandments (Exodus 20).

These people are determined in this evil. How determined are we at arresting them for their crimes and upholding the law against them?

A Christian named Stan Monteith explains about this strange monument:

"On one of the highest hilltops in Elbert County, Georgia stands a huge granite monument. Engraved in eight different languages on the four giant stones that support the common capstone are 10 Guides, or commandments. That monument is alternately referred to as The Georgia Guidestones, or the American Stonehenge. Though relatively unknown to most people, it is an important link to the Occult Hierarchy that dominates the world in which we live.

The origin of that strange monument is shrouded in mystery because no one knows the true identity of the man, or men, who commissioned its construction. All that is known for certain is that in June 1979, a well-dressed, articulate stranger visited the office of the Elberton Granite Finishing Company and announced that he wanted to build an edifice to transmit a message to mankind. He identified himself as R. C. Christian, but it soon became apparent that was not his real name. He said that he represented a group of men who wanted to offer direction to humanity, but to date, almost two decades later, no one knows who R. C. Christian really was, or the names of those he represented. Several things are apparent. The messages engraved on the Georgia Guidestones deal with four major fields: (1) Governance and the establishment of a world government, (2) Population and reproduction control, (3) The environment and man's relationship to nature, and (4) Spirituality.

In the public library in Elberton, I found a book written by the man who called himself R.C. Christian. I discovered that the monument he commissioned had been erected in recognition of Thomas Paine and the occult philosophy he espoused. Indeed, the Georgia Guidestones are used for occult ceremonies and mystic celebrations to this very day. Tragically, only one religious leader in the area had the courage to speak out against the American Stonehenge, and he has recently relocated his ministry.

THE MESSAGE OF THE GEORGIA GUIDESTONES

1. Maintain humanity under 500,000,000 in perpetual balance with nature.
2. Guide reproduction wisely - improving fitness and diversity.
3. Unite humanity with a living new language.
4. Rule passion - faith - tradition - and all things with tempered reason.
5. Protect people and nations with fair laws and just courts.
6. Let all nations rule internally resolving external disputes in a world court.
7. Avoid petty laws and useless officials.
8. Balance personal rights with social duties.
9. Prize truth - beauty - love - seeking harmony with the infinite.
10. Be not a cancer on the earth - Leave room for nature - Leave room for nature.

Next topic: what's happening in the US?

You have probably noticed that the US govt is 'officially' shut down. Many are cheering this - some are concerned. I'd be in the second camp, because some of those who are cheering are not aware of some other key things going on. Did you know that martial law is already illegally being put into practice in areas all across the US?

"From Uploader: A friend who is a truck unloader saw three diesel trucks completely packed with these signs. Listen to the full interview to get all the details! Here was the message I got on Facebook late last night:

'My friend was unloading trucks at work and there were 3 diesel trailers full of real nice expensive signs stacked front to back side to side top to bottom with signs going to 3 local bases in a caravan that look like a trespassing sign saying martial law is in effect. The guy wouldn't let him take pics. I just wanted to let you know. My buddy called me right away. Id have to say no one would order that many without knowing something.' ..."

Conclusion:

Things look very rough ahead. Some of us have seen this coming - others are not aware of it because their only source is the mainstream media that's all owned and carefully controlled by 6 - 9 super-international corporations. If you'd like to see who owns the media, check this article out:

“Found a trustworthy new source among the 'mainstream outlets'?”

<http://incpu.org/articles/mainstream-outlets.htm>

(you can find more of our articles here: <http://incpu.org/news-index.htm>)

Sorry if that information surprises you, but you won't find truth, real facts, or reality from the mainstream media. You will only hear half-truths, blatant lies, and propaganda from them. If you want to find real news - study things out yourself (don't rely on those who the world promotes). Many citizens are getting out helpful info - the internet is full of information. Typically I try to confirm things from 3 or 4 different and unrelated sources before I post it and there are others just like me.

What do we do? Pray. Know that God hears the prayers of those who seek Him. Personally, I'm asking Him to raise up enough people to start doing arrests on evildoers and for Him to keep teaching people to stop ignoring the evil around them, and start correcting it and/or exposing it as evil. The only Biblical way to deal with an evildoer is to enact rightful lawful consequences on, otherwise this happens: **“Because the sentence against an evil work is not**

executed speedily, therefore the heart of the sons of men is fully set in them to do evil."
(Ecclesiastes 8:11)

Let's not repeat history - like the Germans did. Pray, seek Jesus, grow in obeying Him, and expose and deal with evil around you.

Praying for you all. Thanks for your prayers. Let's keep growing in hunger and thirst for God's Word and in boldness in sharing the Word of God and the gospel of Jesus Christ with all who will listen :)

your friend, a growing servant/life-slave of Jesus, SH
