As of September 6, 2018 here was the promoted speaker list at the **75th Anniversary National Religious Broadcasters Conference** in Anaheim, CA:

Speakers confirmed so far include Greg Laurie, John MacArthur, Rick Warren, Joni Eareckson Tada, DeVon Franklin, Charles Stanley, Mark Ramsey, Alex Kendrick, Mike Lindell, Mark Burnett, Roma Downey, Kay Warren, Kirk Cameron, and many more. The emcees of the Convention will be twin brothers, authors, and entrepreneurs David and Jason Benham.

So it seems that several of these “conservative” hoaksters needed to escape the visible network of united false teachers for a little while longer to avoid getting caught being shown that they are all working together toward rejoining under the Roman Catholic Church. Here are the friends who wanted to help celebrate the Vatican’s 75 years of sway over American Christian media, but suddenly had to cancel (or hide)... quietly... and one at a time so as to not be too obvious that their followers are not quite ready for their Vatican overthrow of all “church” authority in America: **John MacArthur** (GraceToYou/Grace Community Church), **Charles Stanley** (In Touch Ministries/First Baptist Atlanta), **Kirk Cameron** (Way of the Master/Fireproof/Left Behind), **Roma Downey** (Catholic self-proclaimed “mystic”/Touched by an Angel/The Bible miniseries/The Vatican Museum of the Bible), **Mark Burnett** (Roma’s husband), **Bobby Schuller** (grandson of Robert Schuller - 33 degree Mason), and **Kay Warren** (wife of Rick Warren). This happened because so many people spoke up with concerns about how they could all partner together.

Here is another speaker list without Roma Downey/Mark Burnett, but before others canceled:

Everything that these “experts” in Christian broadcasting are doing is to slowly dwindle the value of the content to make Protestant Christianity fail and supposedly need its big sister in Rome and Paris to take over. The Roman Catholic powers want to use this to begin one-world religion and one-world government. Christians need to pray diligently to stop this agenda! Clippings from an NRB article about **H. B. Charles** replacing his friend **John MacArthur** to preach on Sunday at the celebration:

H.B. Charles Jr., Mike Huckabee Added to Proclaim 19 Speakers Lineup

Rev. H.B. Charles Jr., pastor-teacher at Shiloh Metropolitan Baptist Church of Jacksonville and Orange Park, Florida, will deliver God's Word during the Worship Service at Proclaim 19 on March 28 in place of John MacArthur, who will not be able to participate as planned after being diagnosed with a throat infection requiring him to clear his schedule of preaching, speaking, and recording responsibilities.

And in 2018 Dr. John MacArthur conferred an honorary Doctor of Divinity degree upon Charles during the Commencement Ceremony of The Master's Seminary — something the seminary does on rare occasions for men “who have been used by God for ministry in the church in remarkable and unusual ways.”

Prior to joining his present church, Charles led the Mt. Sinai Missionary Baptist Church of Los Angeles for almost 18 years. Succeeding his late father, he began on his pastorate at Mt. Sinai at the age of 17 – a senior in high school. Outside of his ministry to and with his congregation, Charles regularly speaks at churches, conferences, and conventions around the country, and he is also the author of several books.

The next two articles are of note regarding entertainment groups and Roma Downey and of Ed Cannon speaking on behalf of the Catholic mafia who will destroy world-wide Christian media if we do not cooperate with their takeover of worldwide Christian media... which would also destroy/corrupt world-wide Christian media... wait, so it’s the same result either way??? Well, only if you don’t trust God to deal with their threats. Cannon helped destroy Moody Bible Institute staff and is now in charge of wrecking Far East Broadcasting Company (look up this two-part interview about his job description that he says is an assignment from “God” – which we know is actually some other “higher power” actually called the Vatican - <https://resourceglobal.org/blogs/interview-ed-cannon>
<https://resourceglobal.org/blogs/2017/12/11/interview-with-ed-cannon-part-2>).

Here are two clippings of articles from **NRB 2019** about Entertainment, Downey, and Cannon:

NEWPORT BEACH & MALIBU, Calif. – Two receptions held in Newport Beach and Malibu, California, to raise interest in National Religious Broadcasters’ Proclaim 19 International Christian Media Convention next March in Anaheim were a “huge success,” said Dr. Jerry A. Johnson, NRB’s president & CEO.

More than 160 people combined attended both events, hosted by Barry and Karen Meguiar at their Newport Beach home on Balboa Island on September 12, and Mark Burnett and Roma Downey at their Malibu home on September 14. The Malibu event was sponsored by longtime NRB member FEBC.

Meguiar introduced his pastor, Greg Laurie, pastor of Harvest Church in Orange County, who affirmed the work of NRB and told the guests, “I encourage you all, of course, to be at NRB. I look forward to seeing you there.”

Laurie, who was honored by NRB during Proclaim 18 with the Billy Graham Award for Excellence in Christian Communications, will speak during the opening session, March 26, 2019, at Proclaim 19.

Ed Cannon, president & CEO of FEBC USA, told the guests about challenges faced by Christians around the world where increasing persecution is evident, citing examples in China, Russia, Vietnam, and India. “If we don’t stand behind NRB and the great work” NRB is doing in the area of free speech, Cannon said, “those radios could go dark one day, and we in America take it for granted.” Cannon has served on the NRB Executive Committee for the last six years.

Proclaim 19 will take place March 26-29, 2019, at the Anaheim Convention Center, while NRB’s award-winning Exposition – featuring around 200 exhibitors – will be open March 27-29. The annual Convention is the largest nationally and internationally recognized event dedicated solely to assisting those in the field of Christian communications.

Roma Downey No Longer Listed as Proclaim 19 Speaker – Reason Unclear From NRB Office

October 22, 2018 by [Lighthouse Trails Editors](#)

Other notable speakers or panel members include Vice President **Mike Pence** (co-partner in dangerous hoaxes with Vatican Jesuit usurper Donald Trump); former Arkansas Governor **Mike Huckabee** (whose daughter **Sarah Huckabee Sanders** is Chief White House Press Secretary); **Michael Scott** (CEO of Pure Flix who is creating dangerous anti-Christian propaganda and selling it to Christians as safe Christian entertainment); **Tony Evans** and his daughter **Priscilla Shirer** (known for her role in “War Room” movie); **Greg Laurie** (who is trying to help direct the next “Jesus Movement” in order to stifle another real revival); **Rick Warren** (whose Purpose Driven programs destroyed or removed most honorable leadership that was left in churches around America before his “church” growth programs took them over – he also is establishing the partnership between Islam and Christianity toward one-world religion); former Senator **Sam Brownback** (whose close and long-time relationship with Washington D.C.’s satanic “Fellowship” C-Street gang is why he is so “honored”); **Kevin Downes** (long-time friend of **David A. R. White** who has partnered with PureFlix to destroy Christian movies with anti-Christian propaganda); **Kelly Shackelford** (director of Media Services for Charles Stanley); **Matt Crouch** of TBN (son of the clever deceivers **Paul and Jan Crouch** of TBN); **Jackelyn Viera Iloff** (Joel Osteen Ministries advisor); **Todd Starnes** (who partnered with the recent attack on Christians by questioning whether God made humans capable of reading and writing or whether the devil taught it to his Egyptian and Canaanite followers first who then in turn taught it to Moses); **Ted Baehr** (who tries to convince Christian audiences to go watch bad movies by giving them redemptive qualities); **Alex Kendrick** (of Sherwood films fame); and many prominent actors and directors of I Can Only Imagine (which highlights **MercyMe** and **Bart Millard** being promoted by their friends **Tim Timmons Sr.** and **Tim Timmons Jr.** of the satanic “Fellowship” and new “Jesus movement” and whose partnerships and meetings with **Pope Francis** and **Doug Coe** are for the purpose of overthrowing Christian music – what is left of it – toward one-world religion).

Organizations who are exhibitors to notice: **Living Waters** and **Answers in Genesis** (who will have a booth there to connect with these gurus who are destroying Christian media); the (Vatican Shrine) **Museum of the Bible** (to promote Jesuit propaganda at the same time that we have a Jesuit President in office and a Jesuit Pope in the Vatican); **American Bible Society** (who partners with the International Bible Society and Wycliffe Translators to completely dominate and redirect all translating work and missions relationships on behalf of the Vatican quite literally since 1975 and even before that); **Amazing Facts Ministries** (Seventh Day Adventist propaganda who believe that Jesus is an incarnation of Michael the archangel); **Charisma Media** (local to us here in Orlando – who promote many false teachers and cover for them); **Christian Friends of Yad Vashem** (who say they are teaching Christians lessons from the Holocaust that they need to know – hopefully not in the same satanic way that people like Erwin Lutzer are doing it); **Evangelical Council for Financial Accountability** (whose job it is to give financial and doctrinal credibility to organizations who should not and would not otherwise be approved by Christians and to act a government oversight to non-profits setting up for a government take-over of them in partnership with the **Billy Graham Evangelical Association** and their partners); **Far East Broadcasting Company** (whose current director Ed Cannon is a big corporate boss known for destroying ministries and people in order to restructure it how the big corporate bosses need it to operate); **Israel Ministry of Tourism** (to overwhelm Israel with false teachers and fake “Christians” to make sure to maintain the divide between our Jewish friends and those who truly love Israel in America); **Moody Publishers** (who have been overthrown by actual Jesuits trained at Loyola University etc.); **Presidential Prayer Team** (in partnership with Bill and Vonnette Bright’s deceitful witchcraft network to keep pretending that God is the one who is appointing evil-doers for political office).

Other people and their organizations that we notice include: **Jennifer Epperson** and **Yvonne Carlson** of **Moody Radio** (who will both be speaking at the event – whose bosses are Jesuits); **Erwin McManus** (founder of the **Mosaic Churches** network who are partnering with high-level corporate and local government networks to pretend to help solve homelessness and joblessness); **Chad Williams** (who provides marketing services for **Revive Our Hearts** and **Life Action Ministries** – you really should look up their partners – as well as Jesuit agent R. C. Sproul’s Ligonier Ministries, Catholic world-wide operative Voice of the Martyrs, Billy Graham partner Joni and Friends, and the cleverly deceitful children’s ministries - Awana and Child Evangelism Fellowship); **Paul Lauer** (highly skilled deceitful marketer for Mel Gibson’s Catholic Passion of the Christ, Catholic Jesuit agent C. S. Lewis’ Narnia, Catholic Jesuit agents Mark Burnett and Roma Downey’s The Bible and The Son of God, and William Paul Young’s The Shack and his attempts at covering up and “forgiving” some of the worst crimes in human history by the Vatican and their agents around the world); as well as **Rob Kirkpatrick** (of United Nations NGO Focus on the Family); **Greg Outlaw**; **Johnny Hunt** (SBC leadership who has partnered with Living Waters and Ray Comfort for his Deeper Conference); **Nona Jones** (director of Global Faith-Based Partnerships with Facebook); **Brian Bird** (director of Touched By An Angel with Catholic mystic Roma Downey); **D J Soto** (who is pretending/imagining how he wants to do church in Virtual Reality); **Paul Virts** (of Michael Youssef’s Leading the Way who partners with SBTSeminary to promote a false understanding of Islam and who is partnered with the Anglican Jesuit leadership); **Ray Nutt** (CEO of Fathom Events to help everyone push their propaganda); **For King and Country** (Joel and Luke Smallbone are brothers of Rebecca St. James - Smallbone, who promote British Jesuit mannerisms propaganda over American and Australian churches); **Michael Shelley** (of Charles Stanley’s In Touch Ministries and also a Fellow at The Colson Center and C. S. Lewis Institute – both are closely related to the Washington satanic “Fellowship” and Jesuit interests toward one-world religion); **Steve Newton** and **Aubrey Winfrey** of Newton Media (Newton was a director at Pat Robertson’s CBN who both he and his father Absalom Robertson are close partners with the Free-mason and satanic networks in Washington and around the world); also **Michael D. Little** (of CBN who is Robertson’s Principal Representative to Israel and who has held many prominent positions to coordinate “unity” between Freemason and Jesuit propaganda leaders for many years in the U.S.).

There will also be an invitation only **Billy Graham Evangelical Association** Breakfast, a **Family Life** Game Night, and an affiliate meeting discussing the future of the already long-disgraced and unhelpful **VeggieTales**. There will be a showing of “**Roe v. Wade**” including panel speaker **Alveda King** (niece of Dr. Martin Luther King Jr.), and a showing of “**The Chosen**” including panel speaker and director of the film **Dallas Jenkins** (son of Jerry B. Jenkins who promotes that you can take the mark of the beast and be saved among many other serious false doctrines). You should also note **Karyn Ablin**, **Joe Chautin**, and **David Oxenford** who seem to pull their weight in Legal Matters about Licensing, Copyrights, Royalties, and Federal Communication Commission regulations.

Everything that these “experts” in Christian broadcasting are doing is to slowly dwindle the value of the content to make Protestant Christianity fail and supposedly need its big sister in Rome and Paris to take over. The Roman Catholic powers want to use this to begin one-world religion and one-world government. Christians need to pray diligently to stop this agenda!
